Re: SB 761

Dear Senate Committee on Rules,

I am writing in opposition of SB 761. This is an unnecessary bill for the following reasons:

- 1) Demanding that voters own printers in order to engage in the signature submitting process is absurd.
- 2) This is an Access Issue. Unless you want to give everyone printers, you should not put this restriction on them.
- 3) We should be making it easier for citizens to participate in our democracy and legislative process not harder.

Thank you,
