

Dear Rules Committee,

I have been involved in several petition signature gathering efforts.

SB761 will impede, impair the constitutional process of gathering signatures on petitions. People like myself go to great lengths to dot the "i's" and cross the "t's" to diligently comply with signature gathering rules dictated by the Secretary of State. SB761 will only make petition efforts more cumbersome on ordinary citizens who seek to hold accountable the process of good government accountable.

Thank you,

Michael Framson
