

Hello!

I'm writing in support of the National Popular Vote Bill 870.

Please vote to pass this very important law. Voters are finally realizing that they have to be a part of the political process, and knowing that their vote COUNTS will make all the difference in motivating them to vote.

Election Reform is one of the best ways we can improve our society. NPV is a crucial part of that process. I need to know that my vote counts as much as a person in Wyoming, or Florida.

Thank you.
