**To:** Joint Committee on Transportation; [and many others].

**Re: I SUPPORT: [HB 2999]:** Thank-you very much Representative Teresa Alonso Leon!

**[HB 2999]:** "Directs Department of Transportation to issue up to two individual disability parking placards or decals upon request."

As a disabled person having to switch Disabled Person Parking Placards from my wife's car and my truck is burdensome and oppressive especially when I forget to do so.

Having a "second- Disabled Person Parking Placards makes life easier and I am grateful.

While you're at it, it is past time to increase the "Fines" for those that abuse the placards and for those who don't have a placard but "park" in a Disabled Person's Parking Space."

\*\*\*Having "Disabled Person License Plates" is the preferred way to go and I hope someone will initiate legislation in that regard. "Disabled Person Parking Placards" are very vulnerable to theft!

Thank-you again for all of your combined efforts!

**VOTE "YES" ON [HB 2999]!**

*Respectfully submitted,*
