

Expected/Intended Statutory Construction of HB 2480 -2 Amendment:

ORS 40.050(4)

A statement is not hearsay if:

(a) The declarant (**the person who does the translation at the scene**) testifies at the trial or hearing and is subject to cross-examination concerning the statement (**the interpretation**), and the statement (**the interpretation**):...

(-2 Amendment language)

*(D) Purports to interpret an otherwise admissible statement (**already admissible statement by defendant/victim's/witnesses statement**) made by another person (**defendant/victim/witness**) from one language into another.*
