

Hello,

I support staying on Daylight savings time. Anecdotally, I know many others share this position. I have understood that not only would it be easier for me personally to not change the clocks, but that indeed Daylight Savings Time saves lives! What better reason to make this switch? I send this email to voice my support for SB320 during the Public Hearing coming up on the 29th which I cannot attend in person.

Thank you to those sponsoring this bill,
Lisa Buttrey
