

SUBCOMMITTEE RECOMMENDATION

SB 47

Relating to small watercraft

SB 47 establishes the non-motorized watercraft program within the Oregon State Marine Board.

The Joint Committee on Ways and Means previously approved this bill, and it has passed the Senate.

The amendment resolves conflicts with HB 2118, HB 2076, and HB 2080 by aligning language related to the Aquatic Invasive Species program.

I recommend SB 47 A be amended by the –A7 conflict amendment and be reported out do pass, as amended.
