**To:** Transportation and Economic Development Subcommittee

**From:** Meg Bushman Reinhold, Legislative Fiscal Office

**Date:** June 10, 2019

**Subject:** HB 2015 – Relating to documents issued by the Department of Transportation  
Work Session Recommendations

HB 2015 requires the Oregon Department of Transportation, Driver and Motor Vehicle Division (ODOT/DMV), to issue regular (non-Real ID) driver licenses, instruction permits, or identification cards to applicants without requiring proof of lawful status in the United States. Applicants will pay the regular fee required for the document they are seeking and must present proof of age, identity, and Oregon residency.

This bill will result in a significant increase in the number of applicants for driver licenses, ID cards, and other credentials at DMV field offices. This workload increase will require 68 new positions (25.92 FTE) in the 2019-21 biennium, and 68 positions (27.96 FTE) in the 2021-23 biennium.

The -9 amendment provides Other Funds expenditure limitation of \$4,264,589, makes technical fixes to the bill, adds an outreach program to be performed by ODOT/DMV, and directs the department to ensure compliance with the National Voter Registration Act.
