Mission

Empower Oregon families experiencing disability in their pursuit of a whole life by expanding awareness, growing community, and equipping families.

Vision

Families have high expectations and a vision for the future where all communities are accessible, welcoming, and embrace that disability is natural.

Values

What drives our work:

- Disability is natural
- The importance of high expectations
- Self-determination must be assured
- Whole lives happen when families experiencing disability engage with their communities
- Family involvement is critical throughout the life of a family member with a disability
- Equitable access for all and respect for cultural differences
