

Chair Burdick and Committee Members,

Please be advised that the Friends of Yamhill County vehemently opposes SB 1050. This would upend the carefully crafted compromise of Measure 49 and break faith with the voters who supported it by a wide margin. It is unthinkable that such a substantive issue would be treated to such late and little public attention. Please vote NO on SB 1050.

Thank you.

Kathryn Jernstedt

President

Friends of Yamhill County
