Subject: In Support of HB2001
Date: Monday, June 10, 2019 4:21:43 PM

Good afternoon to the committee.

I'm writing today with my support of House Bill 2001, as I feel that local bans on duplexes, triplexes and fourplexes are dramatically harming our regional ability to both fight climate change and allow for an equitable housing market. Striking down these local bans will be a great step towards market-rate construction that is necessary in communities throughout Oregon.

Thanks for your consideration.

Cheers,
Alex Johnson
