Subject: Please Move HB2001 Forward
Date: Monday, June 10, 2019 5:26:20 PM

Hello,

I'm writing to ask that you please move HB 2001 forward. It's a great bill that will help make housing more affordable for Oregonians. I'd love to be able to live in a duplex someday and making them legal in cities across Oregon will make that possible.

There will also be the benefit of less CO2 emissions since more density will lead to more efficient living. It'll also lead to more vibrant cities.

Thanks so much and I can't wait to see this bill passed!
