**HB 5025**

**Higher Education Coordinating Commission - Fee Bill**

---

HB 5025 ratifies fee modifications for the Private Career School program at the Higher Education Coordinating Commission. The program licenses approximately 180 career schools including those related to cosmetology, tax, truck driving, health care, and real estate. The Private Career School Advisory Committee, which includes representatives of the schools, recommended these increases. The revenue from these fees are assumed in the Commission's budget.

The Education Subcommittee recommends HB 5025 be reported out do pass.
