

**SUBCOMMITTEE RECOMMENDATION**

**HB 3183**

**Relating to temporary assistance for needy families program**

---

HB 3183 modifies statutes related to the Temporary Assistance for Needy Families program at the Department of Human Services. This includes the clean-up of TANF redesign statute changes made in 2007 that have been suspended each biennium since then due to funding, caseload, and other changing program dynamics.

The bill's fiscal impact results in cost avoidance of \$12.2 million General Fund due to the removal of the 2007 requirements; consistent with prior biennia the fiscal impact is already assumed in the DHS 2019-21 current service level budget.

The recommended amendment modifies language related to post-TANF services and does not change the fiscal impact.

The Human Services Subcommittee recommends HB 3183 be amended by the –A5 amendment and be reported out do pass, as amended.
