Date: Tuesday, June 11, 2019 12:33:13 PM

Legislators,

I fully and strongly support the passage of HB 2001 as an important piece of the puzzle for improving housing affordability and livability in our community. We need a statewide and local approach to begin to make headway on this complex issue.

Thank you for your consideration and support of HB 2001.

Best,

Henry Fields
