**Subject:** Fwd: APPROVAL for HB 2001A  
**Date:** Wednesday, June 12, 2019 2:01:12 PM

---

My name is Claire Alyea, I am a resident of Cully neighborhood in Portland, Multnomah County, Oregon. I strongly support the notion that single-family zoning is antiquated and forces land to be divided into larger plots to fewer people, creating a higher barrier of entry into urbanized living. This zoning is unnecessary. I agree with HB2001A.
