

Dear members of the committee,

Please vote yes to this common sense bill that Idaho already put into law back in 1982 and has been proven to be safe.

Please watch the following video and make it speak for itself. Especially in our state, which we tend to call the bicycle state of the US, this is a NO-BRAINER;
<https://vimeo.com/4140910>

Thank you.

Bes Regards,
Petra Rainbolt (bicyclist in Beaverton, OR)
