Summary of Revenue Changes

The General Fund appropriations made in the bill are within resources available as projected in the May 2019 economic and revenue forecast by the Department of Administrative Services (DAS), Office of Economic Analysis, supplemented by transfers from various agency accounts to the General Fund for general governmental purposes as authorized in HB 2377, plus other actions to reduce state agency expenditures.

Summary of Capital Construction Subcommittee Action

HB 5050 appropriates General Fund to the Emergency Board for general purpose and targeted special purpose appropriations and makes other adjustments to individual agency budgets and position authority as described below.

Emergency Board

The Emergency Board allocates General Fund and provides Lottery Funds, Other Funds, and Federal Funds expenditure limitation to state agencies for unanticipated needs in approved agency budgets when the Legislature is not in session. The Subcommittee appropriated \$75 million General Fund to the Emergency Board for general purposes.

HB 5050 makes seven special purpose appropriations to the Emergency Board, totaling \$250.8 million General Fund. Agencies must make a request to the Emergency Board to access these funds. The seven special purpose appropriations are:

- \$200 million General Fund for state employee compensation changes.

- \$20 million General Fund for allocation to state agencies for compensation changes driven by collective bargaining for workers who are not state employees.
- \$5.7 million General Fund for allocation to the Oregon Health Authority to support interdisciplinary assessment teams to provide consultation, evaluation, and stabilization services to youth with behavioral health needs. This appropriation reflects one of the recommendations of the Children and Youth with Specialized Needs Workgroup and is consistent with SB 1 (2019), which provides the framework for establishing these teams.
- \$20 million General Fund for allocation to the Public Defense Services Commission for activities designed to improve indigent defense caseloads and to implement an improved public defense contract model.
- \$1 million General Fund for allocation to the Public Defense Services Commission and the Department of Corrections or both, for costs relating to prosecutions for the unauthorized use of a vehicle per HB 2328 (2019).
- \$1,146,094 General Fund for allocation to the Secretary of State for costs relating to the implementation prepaid postage on ballot return envelopes per SB 861 (2019).
- \$3 million General Fund for the implementation of grand jury recordation and SB 505 (2017).

With the beginning of the statewide roll-out of grand jury recordation, questions have arisen regarding how grand jury recordation can be delivered in the most efficient, consistent, and economical method across the state given the Legislature's funding of similar recordation services for circuit courts. To this end, the Subcommittee approved the following budget note.

Budget Note

The Judicial Department, District Attorneys, and the Association of Oregon Counties are to report to the Interim Joint Committee on Ways and Means in January of 2020 with a joint plan that provides for the most efficient, consistent, and cost effective delivery of grand jury recordation across the state, including, but not limited to, the assignment by entity of responsibility for: (a) non-attorney staff to manage recording equipment and train grand jurors on the use of recording equipment; (b) non-attorney staff to review and redact grand jury recordings; (c) production of grand jury transcripts; and (d) information technology costs for the day-to-day upkeep of the recording devices and the storage or archiving of recordings.

If these special purpose appropriations are not allocated by the Emergency Board before December 1, 2020, any remaining funds become available to the Emergency Board for general purposes.

The Subcommittee established a reservation within the general purpose Emergency Fund of \$10 million for the Department of Human Services for the Child Welfare program as the agency continues to implement its action plan to improve child safety, stabilize the workforce, and help

foster families. The Department may request allocation of the reservation from the Emergency Board for efforts or initiatives not covered within the existing budget upon evidence that the additional funding will result in demonstrative improvements in Oregon's child welfare system.

A second reservation was established within the general purpose Emergency Fund of \$9 million for the Oregon Health Authority for the purpose of supporting community mental health programs. The Oregon Health Authority may request allocation of the reservation from the Emergency Board if any or all of these funds are deemed necessary to maintain the 2017-19 level of on-going community mental health program services funded by the agency.

Adjustments to Approved 2019-21 Agency Budgets

STATEWIDE ADJUSTMENTS

Statewide adjustments reflect budget changes in multiple agencies based on reductions in Department of Administrative Services' assessments and charges for services, Attorney General rates, Secretary of State assessments, and Parks assessments. Statewide adjustments also reflect net reductions to debt service realized through interest rate savings on bond sales, and Other Funds balances and interest earnings that can be applied to debt service. Total savings are \$66.2 million General Fund, \$13.7 million Lottery Funds, \$34 million Other Funds, and \$11 million Federal Funds.

Specific reductions include \$37.1 million total funds from lower Department of Administrative Services assessments and service rates; \$31.1 million total funds from PERS rate updates; \$39.8 million total funds from debt service interest rate savings and refunding of outstanding bonds; \$8.1 million total funds from lower Attorney General rates; and \$2.6 million total funds from lower Secretary of State and Parks assessments.

Section 161 of the budget bill reflects the changes, as described above, for each agency. These adjustments are included in the table at the beginning of the budget report but are not addressed in the individual agency narratives. Additionally, new Other Funds debt service expenditure limitations for multiple agencies are established to accommodate the use of fund balances for debt repayment.

Two limited duration full-time positions (2.00 FTE) were approved (an Operations & Policy Analyst 4 and a State Procurement Analyst) to backfill DAS employees who will be working with the Public Employee Retirement System (PERS) on information technology solutions needed to implement SB 1049, which made significant changes to public employees' retirement. The cost of the DAS positions dedicated full-time to the PERS project to implement SB 1049 will be paid by PERS.

Office of the Governor

A General Fund appropriation of \$250,000 was approved for the Office of the Governor to provide administrative support for the Council on Wildfire Response established by executive order number 19-01. Oregon Liquor Control Commission

Other Funds expenditure limitation in the amount of \$233,400 is included for the Oregon Liquor Control Commission to support a permanent, full-time internal auditor position. To address the costs of implementing HB 2983 relating to campaign finance, the Subcommittee appropriated \$336,696 General Fund to the Secretary of State's Elections Division and authorized the establishment of two new limited duration Compliance Specialist 2 positions (1.75 FTE). These positions will be used to manually accept, review, and maintain lists of filings; answer questions; conduct investigations; oversee civil penalties and case hearings; and fulfill public records requests. Over time, some of these manual processes will be able to be moved online reducing personal services costs, but potentially incurring one-time information technology expenditures. The agency can report back to the Legislature during the 2020 legislative session on progress in implementing HB 2983.

CONSUMER AND BUSINESS SERVICES

Department of Consumer and Business Services

An increase in Other Funds expenditure limitation of \$262,610 and the authorization to establish a permanent full-time position (1.00 FTE) in the Division of Financial Regulation, working on the Senior Health Insurance Benefit program, was approved by the Subcommittee. Oregon Business Development Department

The Subcommittee approved a one-time General Fund appropriation of \$10,000,000 for the Oregon Business Development Department (OBDD) to deposit in the University Innovation Research Fund (UIRF) established in HB 2377. Other Funds limitation of \$10,000,000 was also established to accommodate distribution of monies from the UIRF. The UIRF will support grants to public universities and the Oregon Health and Science University to match competitive federal research awards, increasing the competitiveness of Oregon universities for federal research funds, leveraging federal grants that require matching funds, and supporting innovation and research capacity. Grants will be targeted in priority industries, such as advanced manufacturing, high technology, outdoor gear and apparel, health care innovation, food and beverage, and forestry and wood products.

Lottery Funds expenditure limitation for the Strategic Reserve Fund (SRF) was increased by \$2,000,000, bringing total ongoing Lottery Funds support for SRF to \$8,978,100, not including limitation of \$3,718,693 that was provided to expend the program's estimated beginning balance of committed project awards. The Subcommittee also increased Lottery Funds expenditure limitation by \$5,000,000 for the Oregon Manufacturing and Innovation Center (OMIC) operating and research expenses, bringing total Lottery Funds support for OMIC operations in the Department's budget to \$8,736,800.

The Subcommittee approved increasing Lottery Funds by \$175,350 and Other Funds by \$30,944 in the Operations Division to establish an Internal Auditor 3 position (0.88 FTE). The approved amount includes \$194,794 for personal services and \$11,500 for associated services and supplies expenditures.

The Subcommittee approved one-time Lottery Funds expenditure limitation of \$3,600,001 in the Infrastructure Division for the following projects and programs:

- \$500,000 for City of Sandy - Wastewater System Planning and Permitting
- \$500,000 for Columbia Corridor Drainage Districts Joint Contracting Authority - Levee Ready Columbia

- \$1,000,000 for City of Astoria - Warehouse Site Cleanup and Redevelopment
- \$1 for Tide Gates and Culverts Repair and Replacement Program

A lottery allocation of \$6,000,000 for the Tide Gates and Culverts Program is included in HB 5029. The Legislature or Emergency Board will increase the Lottery Funds expenditure limitation for the program after the Department presents a request that includes a proposal, developed in coordination with the Oregon Watershed Enhancement Board, for distributing grants and loans for the repair and replacement of tide gate and culvert infrastructure. The proposal should address eligible recipients, matching fund requirements, maximum awards for planning and construction grants and loans, criteria for prioritizing project requests, and necessary coordination with state, local, and federal agencies, as well as surrounding landowners or other entities, required for project implementation.

The Subcommittee approved one-time Lottery Funds expenditure limitation of \$2,125,000 for the Arts Commission to distribute the following grants:

- \$375,000 for Cottage Theatre - ACT III Theatre Expansion

- \$1,500,000 for Beaverton Arts Foundation - Patricia Reser Center for the Arts
- \$1,500,000 for Lincoln City Cultural Center - Cultural Plaza and Exterior Grounds

The Subcommittee also increased Nonlimited Other Funds expenditures by \$35,000,000 for distribution of lottery bond proceeds authorized for the Special Public Works Fund (\$30 million) and the Brownfields Redevelopment Fund (\$5 million).

Other Funds expenditure limitation was increased by a total of \$3,338,294 for costs of issuing the general obligation and lottery revenue bonds authorized for the above projects. Bond proceeds are used to finance these costs.

The Subcommittee also established Other Funds debt service expenditure limitation of \$157,290 to allow the agency to apply excess proceeds and interest earnings to debt service payments in the 2019-21 biennium. An associated decrease in General Fund and Lottery Funds debt service is included in the statewide debt service adjustments table.

Finally, General Fund debt service was increased by \$4,535,118 for payments in the 2019-21 biennium on general obligation bonds authorized for the Seismic Rehabilitation Grant Program. The additional debt service supports issuing \$50.6 million of seismic rehabilitation bonds for schools and \$10.1 million of seismic rehabilitation bonds for emergency services facilities in spring 2020. The remaining seismic rehabilitation bonds, and all lottery revenue bonds authorized for projects and programs in this budget, are scheduled to be sold in spring 2021, with related debt service payments beginning in the 2021-23 biennium.

Housing and Community Services Department

The Subcommittee approved adjustments for the Housing and Community Services Department totaling \$70.1 million total funds. These changes provide for administrative expenses, capital construction investments to create new affordable housing for low income and chronically homeless Oregonians, programs funded by lottery bond proceeds, and expenditure limitation related to the passage of HB 2032. A permanent procurement manager and additional months for a limited research manager (both PEM E) positions will ensure accountability and data-driven decisions related to additional housing investments for the 2019-21 biennium. Expenditure limitation totaling \$376,763 Other Funds and 1.50 FTE in position authority are included for this purpose.

Cost of issuance amounting to \$730,000 Other Funds will allow for \$50 million in Article XI-Q Bonds to finance the construction of an estimated 500 units of permanent supportive housing. The target population for the new permanent supportive housing units will be chronically homeless individuals, including the following: formerly incarcerated people reentering the community, people with a severe and persistent mental illness or substance use disorder, and chronically homeless veterans. Expenditure limitation for administration of rental assistance payments is included for the estimated 200 units of permanent supportive housing that are anticipated to be available to residents by the last six months of

the 2019-21 biennium. Rental assistance payments are financed by a transfer of funding from the Oregon Health Authority in the amount of \$2,932,331 Other Funds. These funds also provide for 2 positions (1.17 FTE). Of the total amount budgeted, \$200,000 is for one-time costs related to procurement and enhancement of a data system to track and deliver rental assistance payments. Staffing costs totaling \$232,331 consist of a Program Analyst 3 for program setup and ongoing oversight and an administrative assistant position to process rent payments and calculate subsidy amounts. The rent subsidy payments are expected to total approximately \$999,996 Other Funds for the last six months of the biennium. Other Funds expenditure limitation in the amount of \$1.5 million will provide a rent guarantee to project investors and management companies but is recommended to be unscheduled.

Costs associated with the issuance of \$150 million in Article XI-Q Bonds for the Local Innovation and Fast Track (LIFT) housing program, which will finance the construction of an estimated 2,168 rental units for low income Oregonians, include the following: \$1,550,000 Other Funds for the cost of issuance, Other Funds expenditure limitation in the amount of \$462,839 and position authority for an additional loan officer (0.50 FTE), a low-income housing tax credit analyst (1.00 FTE), a Fiscal Analyst 3 position for debt management (0.50 FTE), and General Fund in the amount of \$11,370,998 for debt service. Debt service supports issuing \$75.8 million of bonds for the LIFT housing program in spring 2020, and early issuance of bonds for permanent supportive housing.

Other Funds expenditure limitation totaling \$15,278,750 is related to Lottery bond proceeds totaling \$15 million and is for project costs and cost of issuance. The bonds will seed a revolving loan fund that will finance the acquisition of housing properties. This is an effort to keep these properties affordable for residents at 60%-100% of area median income. There is also Other Fund expenditure limitation totaling \$25,407,658 for costs related to Lottery bonds to finance the preservation of existing affordable housing. Proceeds totaling \$25 million will be awarded to finance the preservation of 400 units of affordable housing. This can include publicly supported affordable housing, properties with federal project-based rental assistance contracts, rent subsidies, manufactured dwelling parks, and properties undergoing recapitalization.

An increase in Other Funds expenditure limitation of \$5 million and decrease in Federal Funds expenditure limitation of \$1 million are included for the agency's Housing Stabilization Program, which provides homeless assistance and is funded from Department of Human Services Temporary Assistance to Needy Families (TANF) funds. Other Funds expenditure limitation in the amount of \$10.5 million is included for a housing pilot project pursuant to HB 2032 (2019). The project will competitively award TANF funding to be used in conjunction with local shares of Emergency Housing Assistance (EHA) and other program dollars, to extend the period that families eligible for TANF can receive housing and other assistance to keep them stably housed. Successful applicants for the housing pilot program will be expected to apply federal funds prior to utilizing other funding, to ensure that TANF program funds are fully allocated for housing assistance provided through the pilot program. A limited duration Program Analyst 3 position (0.92 FTE) will design the competitive funding award and monitor program outcomes. This funding is not intended to be included in calculations used to estimate the cost of operations in future biennia.

The Low Income Rental Housing Fund program was eliminated because it was found to be redundant to the agency's Emergency Housing Assistance Program. Costs associated with two positions -- a Research Analyst 2 and a Program Analyst 4 position -- were shifted from General Fund to Other Funds. This change reduced ongoing General Fund operating expenditures by a total of \$935,504, while Other Funds expenditure limitation was increased by \$440,043 to accommodate the shift in position costs.

Oregon Department of Veterans' Affairs

The Subcommittee added Lottery Funds expenditure limitation of \$1,000,000 for a one-time grant to the YMCA of Marion and Polk Counties to construct veterans' affordable housing adjacent to the new YMCA facility in Salem. Other Funds expenditure limitation of \$4,000,000 was established for distribution of lottery bond proceeds authorized in HB 5030 for the veterans' affordable housing project and an additional \$56,603 was provided for costs of issuing the lottery revenue bonds. Bonds are scheduled to be sold in spring 2021, so no debt service payments are due in the 2019-21 biennium. Lottery Funds debt service is estimated to be \$690,005 in the 2021-23 biennium.

EDUCATION

State School Fund

The Subcommittee approved increases of \$5,101,078 General Fund and \$471,972 Other Funds, as well as a decrease of \$5,573,050 Lottery Funds for the State School Fund. This change reflects the final balance of available Lottery Funds across the entire state budget as well as the most recent forecast of Marijuana-related revenues.

Department of Education

A total of \$125,000,000 Other Funds expenditure limitation was approved for the Oregon School Capital Improvement Matching program (OSCIM). The proceeds of the sale of Article XI-P general obligation bonds are used for grants to school districts which match the grants with proceeds of locally issued bonds for the construction and improvement of school district buildings and property. The Subcommittee also approved \$1,090,000 Other Funds expenditure limitation for the issuance costs of the Article XI-P bonds.

Higher Education Coordinating Commission

Funding of \$4,184,935 total funds was included in HB 5047, the Student Success budget bill, for the 2019-21 costs of the education-related Statewide Longitudinal Data System (SLDS). That bill provided General Fund and Other Funds expenditure limitation to the Oregon Department of Education (ODE) for transfer to the Higher Education Coordinating Commission (HECC) for the staffing, data processing, and other costs of the SLDS which will be housed within HECC. These resources (expended by HECC as Other Funds) will support eight existing positions as well as the

addition of one Research Analyst position beginning in the second year of the biennium for a total of nine positions (8.50 FTE). Prior to 2017-19, the SLDS was part of the Chief Education Office which sunsets on June 30, 2019.

A General Fund appropriation of \$975,000 was approved for a one-time grant to Treasure Valley Community College for a portion of the construction costs of a new Career and Technical Center. In 2009, the Legislature approved Article XI-G bonds for the original proposal for this project which was reauthorized in 2013 when the scope of the project was changed to expand and improve an existing building. In 2017, the project was again reauthorized. Later in that year, the federal Economic Development Administration awarded the Community College a grant which is being used as a portion of the required match. This \$975,000 grant will be used to make up the difference between the current cost of the project and the previously estimated amount.

The Subcommittee approved transferring the responsibilities of the Criminal Justice Policy Research Institute's Law Enforcement Contacts Policy & Data Review Committee from Portland State University to the Criminal Justice Commission, thereby consolidating both quantitative and qualitative data collection on traffic and pedestrian stops in one state agency. This action reduced the HECC budget for Public University Statewide Programs by \$276,581 General Fund.

Total funding of \$245,362 (\$122,866 General Fund, \$27,030 Other Funds, and \$95,466 Federal Funds) was approved for a permanent Operations and Policy Analyst 4 position (1.00 FTE) to serve as HECC's Chief Culture, Diversity, and Inclusion Officer and will produce the Affirmative Action Plan, develop diversity and inclusion policies and trainings, analyze policies and procedures to ensure their contribution to the HECC's diversity goals, and review and make recommendations to assist HECC in implementing the Equity Lens within the education and workforce programs.

The Subcommittee approved Other Funds expenditure limitation of \$2,194,431 for the costs of issuance of bonds authorized in HB 5005 (Article XI-G and XI-Q bonds) and in HB 5030 (Lottery Bonds) for public universities and community colleges. Capital construction limitation for new capital projects is provided in HB 5006 and project descriptions are included in HB 5005.

The Subcommittee approved \$2,000,000 General Fund for the Oregon State University (OSU) Extension Service to build fire resilience and resistance by expanding the OSU Forestry Extension pilot fire program into a statewide effort. OSU Forestry and Natural Resources Extension and the College of Forestry will build fire resilience and resistance on lands at risk of catastrophic wildfire by forming cross-boundary partnerships and agreements, delivering landowner education and outreach, producing wildfire risk mitigation plans, assisting private landowners in developing land management plans, and implementing risk mitigation projects to reduce fuels. Regional Wildfire Extension Specialists will be added in six key regions of the state.

The Subcommittee also approved increasing General Fund support for the OSU Agricultural Experiment Station by \$2,270,000 and the OSU Extension Service by \$410,000 for an integrated river basin water quality and quantity program. Funding supports positions in the Agricultural Experiment Station (4.50 FTE) and Agricultural Extension Service (1.30 FTE) that will provide the expertise and capacity for systematic,

coordinated regional research and education programs focused on helping to solve Oregon's growing ground and surface water management challenges. Programs will address increasing water conservation, storage, and instream flows; integrating water and fertilizer management; and increasing irrigation efficiency.

A General Fund appropriation of \$375,000 was approved for two organic agriculture faculty positions in the OSU Extension Service to support the Organic Farming Program at the OSU College of Agricultural Sciences. One position will be located at the OSU Corvallis campus to cover the mid and southern valley regions. The second position will be located at the North Willamette Research and Extension Center and will support crops, growers, and consumers in the north valley and metro regions. Funding is approved to support position costs beginning January 1, 2020, or 18 months of the 2019-21 biennium. The Subcommittee also approved a one-time General Fund appropriation of \$125,000 to continue funding in the Agricultural Experiment Station for the Berry Initiative. The approved amount supports a berry research position at the OSU North Willamette Research and Extension Center.

The Subcommittee approved a one-time General Fund appropriation of \$450,000 for the Oregon Institute of Technology (OIT) to support the Oregon Manufacturing Innovation Center (OMIC) Research & Development (R&D) to begin research with equipment at the Rapid Toolmaking Center for Excellence. A one-time General Fund appropriation of \$300,000 was also approved for OIT system integration funds to develop additive manufacturing and prototyping training capability for students at the Klamath Falls campus.

General Fund debt service was increased by \$955,149 for payments in the 2019-21 biennium on general obligation bonds authorized for distribution to OIT for the OMIC R&D Rapid Toolmaking Center for Excellence facility and research equipment. The debt service supports issuing \$6.6 million of Article XI-Q bonds for the project in October 2019. The remaining general obligation bonds approved for public university and community college projects are scheduled to be sold in spring 2021, with related debt service payments beginning in the 2021-23 biennium.

Lottery Funds support for the Sports Lottery program was increased by \$5,859,809, resulting in total Sports Lottery funding of \$14,099,809. The approved increase is allocated to the four technical and regional public universities, bringing the 2019-21 allocation for each to \$2,440,560 (or \$2,440,561, due to rounding adjustments). Allocations to the remaining universities continue at the level approved in the prior two biennia. Total funding will be distributed to the public universities in the following amounts:

- \$2,440,561 for Eastern Oregon University
- \$2,440,560 for Oregon Institute of Technology
- \$1,030,000 for Oregon State University
- \$2,277,567 for Portland State University
- \$2,440,560 for Southern Oregon University
- \$1,030,000 for University of Oregon
- \$2,440,561 for Western Oregon University

The Subcommittee also approved a reduction of \$349,000 General Fund in the Public University Statewide Programs budget for Dispute Resolution allocated to the University of Oregon's Office for Community Dispute Resolution and increased the budget for the Labor Education and Research Center at the University of Oregon by \$349,000 General Fund.

HUMAN SERVICES

Oregon Health Authority

The Subcommittee approved \$200,000 General Fund for providing fresh Oregon-grown fruits, vegetables, and cut herbs from farmers' markets and roadside stands to eligible low-income seniors under the Senior Farm Direct Nutrition Program. Also included is \$1,000,000 General Fund for the same purpose for eligible individuals through the Women, Infants and Children Program. Both program enhancements are one-time only.

HB 5050 makes General Fund and Federal Funds adjustments related to Medicaid cost containment efforts included in the agency's 2019-21 budget bill (SB 5525). The budget bill includes savings of \$6.7 million General Fund and \$25 million Federal Funds to reflect a reduced annual average growth target of 3.3% for Oregon Health Plan capitation rates. Instead of this adjustment, the Subcommittee approved restoring the annual growth target to 3.4% and replacing it with a non-caseload related General Fund savings target of \$10 million.

The Subcommittee approved a \$6 million General Fund increase for community mental health programs to help ensure, at a minimum, these programs maintain the level of services provided in 2017-19 in light of budget adjustments made in the agency's 2019-21 budget bill based on the declining caseload forecast.

Also included is Other Funds expenditure limitation of \$1.5 million, Federal Funds expenditure limitation of \$1.5 million, and two limited duration positions (1.66 FTE) to support the fiscal impact of HB 2032 (2019). This bill creates a Mental and Behavioral Health Pilot Program to award grants to up to four coordinated care organizations to assess gaps in access to Medicaid behavioral health services by Temporary Assistance for Needy Family recipients. The Other Funds revenue will be realized through a transfer of funds from the Department of Human Services.

As a technical adjustment, the bill reduces the expenditure limitation in the agency's 2019-21 budget bill for Lottery Funds revenue allocated from the Administrative Services Economic Development fund by \$2.5 million and establishes a separate expenditure limitation of \$2.5 million for Lottery Funds revenue allocated from the Veterans' Services Fund. This adjustment is necessary to ensure the transfer of Measure 96 Lottery

Funds revenue from the Veterans' Services Fund is authorized to take place to support veterans' behavioral health services, as intended in the agency's budget bill.

The Subcommittee also established Other Funds debt service expenditure limitation of \$216,435 to allow the agency to apply excess proceeds and interest earnings to debt service payments in the 2019-21 biennium.

The Subcommittee established expenditure limitation of \$1.5 million Other Funds, subject to available revenue, from the Community Housing Trust Account (which must be expended in accordance with section 431, chapter 595, Oregon Laws 2009) to support facility improvements to help people with mental illness. The intent of this adjustment is to help more Aid and Assistance patients receive restorative services in the community instead of at the Oregon State Hospital.

To support the ongoing effort by the Department of Human Services to develop and implement the ONE Integrated Eligibility and Medicaid Eligibility (ONE IE & ME) system, the Subcommittee approved \$671,490 General Fund, \$11,216,676 Other Funds expenditure limitation, \$1,638,121 Federal Funds expenditure limitation, and 45 positions (34.52 FTE). Of these positions, 20 are limited duration.

The Subcommittee also approved \$1 million General Fund for competitive grants to support sobering center planning and startup costs. This funding is one-time and should be phased-out in the 2021-23 budget.

Department of Human Services

The Subcommittee approved two food-related investments in the Self Sufficiency program. The first is \$1,300,000 General Fund, on a one-time basis, for the Oregon Hunger Response Fund, which sustains the 2017-19 funding level. Funding is expected to help the Oregon Food Bank, through its network of 21 regional food banks, acquire and distribute more than one hundred million pounds of food annually to approximately 1,200 food assistance sites.

The second is \$1,500,000 General Fund for the Double Up Food Bucks program, also on a one-time basis, to incentivize fruit and vegetable consumption among Supplemental Nutrition Assistance Program (SNAP) recipients. Under this program, when clients use their SNAP benefit at a farmers' market, the value of that purchase is matched dollar for dollar (up to \$10 per visit), allowing them to take home more healthy food while also providing a financial benefit to local farmers. Eligible products include a variety of fresh, dried, or frozen fruits and vegetables without added sugars, fats, oils, or salt. Mushrooms, cut herbs, dried beans, vegetable starts, and nuts are also allowed under the program.

In the Aging and People with Disabilities (APD) program, the Subcommittee added \$2,235,831 General Fund to restore a budget reduction included in HB 5026, the primary budget bill for the Department of Human Services (DHS). These dollars, which augment federal Older

Americans Acts funding, will be distributed to local Area Agencies on Aging to help pay for services including home-delivered meals, support for family caregivers, and transportation to medical appointments.

Another adjustment approved by the Subcommittee for APD is a \$251,600 one-time fund shift from General Fund to Other Funds in the nursing facilities program; this change relies on a projected carryforward balance in the long-term care facility assessment. Then, the General Fund is used, along with an increase of \$167,188 in Federal Funds expenditure limitation, to pay for two (1.76 FTE) permanent full-time Operations and Policy Analyst 3 positions; these are phased-in effective October 1, 2019. One position will promote the effective use of emergency medical services by residents of licensed long term care settings and the other position will support efforts of the quality measurement council.

For the Intellectual and Developmental Disabilities (IDD) program, the Subcommittee made a budget adjustment to account for SB 274 not moving from the Joint Committee on Ways and Means to the second chamber, due to the measure having unresolvable conflicts with an already enrolled 2019 measure (SB 20). The DHS budget bill, HB 5026, contains increases of \$268,514 General Fund, \$267,674 Federal Funds expenditure limitation, and 3 positions (2.64 FTE) to implement SB 274; these amounts are reversed.

The Subcommittee also discussed provider rate increases approved in HB 5026, the DHS 2019-21 budget bill, and how to best ensure that information on rates for adult foster homes is included in an interim report. As a result, the Subcommittee approved the following budget note:

Budget Note

Under a budget note in the budget report for HB 5026, the Department of Human Services is directed to report, by February 1, 2020, to the Interim Joint Committee on Ways and Means on the transition to new rate models for providers in the Intellectual and Developmental Disabilities program. As part of that report, the Department shall provide a status update on the development of a new rate model for adult foster homes serving people with intellectual and developmental disabilities and note any outcomes or timelines related to union negotiations, since these rates are collectively bargained.

The Subcommittee approved funding for the final development phase, implementation, and transition to Maintenance and Operations (M&O) of an integrated eligibility system, called the Integrated Eligibility (IE) project. This effort integrates enrollment and eligibility activities for several programs at the Department of Human Services (DHS) (Non-MAGI Medicaid, Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), and Employment Related Day Care (ERDC)) into the OregonONEligibility (ONE) system used by the Oregon Health Authority (OHA).

Due to schedule changes and issues with the user acceptance testing vendor, the 2019-21 cost estimate for the project has increased over the budget development timeframe; some costs also shifted between biennia. The project's current cost estimate and approved amount for the 2019-21 biennium is \$200,561,925 total funds. This budget includes state staff costs of \$20.7 million, \$94 million for contracted information technology services, \$11.2 million for payments to OHA for its project work, and \$5.8 million for debt service. Other elements addressed in the

project plan include cost allocation, contingency, legacy system work, hosting services, disaster recovery, and security enhancements. The state staffing component consists of 33 positions (30.78 FTE) and primarily supports business analytics, system program support, and training activities; 17 of the positions (14.78 FTE) are limited duration for system rollout and short-term training needs.

The bulk of the project budget, at \$139.7 million or 70% of 2019-21 costs, is supported by Federal Funds; this is due to enhanced federal funding (74% federal/26% state) approved for the Design, Development, and Implementation (DDI) phase of the work, which is expected to be closed out by January 31, 2021. Once the system transitions to M&O in the last six months of the biennium, the federal cost share decreases. General Fund supports \$16.9 million of project costs and debt service; the bulk of the state share will be covered by \$43.9 million in ending balance or new proceeds from Article XI-Q bonds. In HB 5005, the Joint Committee on Ways and Means Subcommittee on Capital Construction approved \$38,165,000 Article XI-Q bonds to finance \$37,500,000 of project costs and \$665,000 for costs of issuing the bonds.

The Joint Legislative Committee on Information Management and Technology (JLCIMT) reviewed the project on June 4, 2019, and recommended conditional approval, contingent on funding availability and subject to completion of several actions. These actions include reporting to JLCIMT during the legislative interim and the 2020 session on project status, progress, and variances to key performance metrics; and developing a mitigation plan for issues and concerns identified by the quality assurance vendor and/or the Legislative Fiscal Office. The mitigation plan is to be provided to JLCIMT no later than November 2019.

JUDICIAL BRANCH

Commission on Judicial Fitness and Disability

The Subcommittee approved an additional \$16,000 for the Commission on Judicial Fitness and Disability to pay for compensation adjustments made at the end of the 2017-19 biennium and for up to 20 hours a month of administrative support. The Commission only has a half-time Executive Director and the amount of materials necessary to provide the volunteer members of the Commission adequate information on specifics of complaints requires additional support work.

Judicial Department

The Subcommittee approved \$1,755,516 General Fund and nine positions (9.00 FTE) for the Oregon Judicial Department to support implementation of SB 24 (2019) and SB 973 (2019) related to supports and services for people with serious mental illness and substance addictions. In addition, two new circuit court judge positions (1.00 FTE) were added, one in Jackson County and one in Marion County, as well as six judicial services specialist positions (3.50 FTE) to be funded with \$1,058,624 General Fund.

Other Funds expenditure limitation of \$410,000 was approved for the cost of issuance of \$28,230,000 in Article XI-Q bonds for the Oregon Judicial Department's Supreme Court Building Renovation Project. The project is to renovate the Oregon Supreme Court building, including seismic updates, energy efficiency improvements, and various systems and safety code upgrades. Bonds will be issued in March 2021.

Additionally, funds were added to the Judicial Department's budget to continue renovating county courthouses. Specifically, \$136,695,000 Other Funds is provided for project costs and the cost of issuing bonds for projects associated with the Clackamas, Lane, and Linn County Courthouses. The budget also includes \$1,300,000 Other Funds expenditure limitation for debt service costs and \$2,000,000 General Fund for planning costs associated with replacing the Benton County Courthouse.

Public Defense Services Commission

The Subcommittee restored one position and \$305,853 Other Funds in the Public Defense Services Commission's Application Contribution Program that was reduced in the agency's 2019-21 budget bill. In addition, effective July 1, 2020, the Parent-Child Representation Program will be extended into Multnomah County with \$3.5 million General Fund and one permanent full-time Deputy General Counsel position (1.00 FTE).

The Subcommittee approved the following two budget notes for the Public Defense Services Commission:

Budget Note

The Oregon Public Defense Services Commission is directed to work with stakeholders to identify data public defense contractors should be required to submit to the Office of Public Defense Services as part of its contractual agreement. It is the Legislature's intent that OPDS, in establishing reporting requirements, obtain data that to the greatest extent possible will allow the agency to determine (1) the level and quality of services provided to each defendant, and (2) improvements in case outcomes for defendants.

Budget Note

The Oregon Public Defense Services Commission shall evaluate options for delivering indigent public defense services and adopt an approach that delivers quality public defense services. In its evaluation of public defense contract options, the Commission is directed to consider the findings of the January 2019 report by the Sixth Amendment Center entitled "The Right to Counsel". As part of its new contract model, the Commission shall require contract attorneys to provide information the Commission determines is needed to demonstrate the level and quality of services provided, and the case outcomes.

LEGISLATIVE BRANCH

Funding is provided to the Legislative Administration Committee (LAC) for the Document Publishing and Management System (DPMS) project, including Other Funds expenditure limitation in the amount of \$5,168,000 for the cost of issuing general obligation bonds and for actual project

costs to be incurred during the 2019-21 biennium. In addition, \$766,117 General Fund is provided to LAC for debt service costs associated with the DPMS project. LAC is also charged with planning for Phase II of the Capitol Accessibility, Maintenance and Safety (CAMS) Project; \$1,361,800 General Fund is appropriated for this planning effort.

NATURAL RESOURCES

Department of Agriculture

The Subcommittee approved four General Fund increases, each of them one-time only, for the Department of Agriculture (ODA) totaling \$1,200,000. First, \$200,000 General Fund was added for the predator control program, which provides pass-through money to the U.S. Department of Agriculture Wildlife Services for predator control services in partnership with the Department of Fish and Wildlife and Oregon counties. A similar one-time appropriation is provided to the Department of Fish and Wildlife. Next, \$300,000 General Fund was provided for additional funding to the Invasive Species Council, and \$100,000 General Fund was added for the collection and testing of water samples from Klamath Lake to analyze for nutrients, including phosphorous, which can lead to harmful algae bloom. Finally, \$600,000 General Fund was added for the replacement of lab equipment.

Columbia River Gorge Commission

The Subcommittee approved an increase of \$109,813 General Fund for the Columbia River Gorge Commission to finance Oregon's share of a new Vital Sign Indicators Land Use Planner position and costs related to replacement of staff laptops and desk top computers. These expenditures were included in the State of Washington's budget for the Commission but were not included in the initial Oregon budget due to revenue uncertainties at the time of passage. With this appropriation, the agency will be able to hire the additional land use planner position since the operating costs of the Commission are to be shared equally by the two states under the Interstate Compact.

Department of Energy

The Subcommittee approved a one-time General Fund appropriation of \$2 million to the Department of Energy for the solar rebate program established in HB 2618. The \$2 million will be deposited into the Rooftop Solar Incentive Fund for the issuance of rebates and to pay for implementation and administration of a solar rebate program. Of the \$2 million, \$1.5 million is available for rebates through Special Payments, with \$500,000 available for administration. The Department will hire three limited duration positions, a Program Manager 3 (0.25 FTE) and two Program Analyst 2 positions (0.50 FTE each). Additionally, the Department will utilize existing personnel to assist with program establishment, implementation, and oversight. Personal Services costs are anticipated to be \$255,258, with \$83,138 for services and supplies and \$161,604 for indirect costs associated with administering the program.

Department of Environmental Quality

The Subcommittee approved a \$250,000 one-time General Fund appropriation to provide grants to local communities for planning and implementation of smoke management plans consistent with Oregon's new smoke management rules. The Department will utilize existing staff to administer and distribute the grant funds.

A technical adjustment was approved to accurately reflect the reduction of a position eliminated in the Department's 2019-21 budget bill (HB 5017). General Fund was reduced from the Land Quality program to reflect the eliminated position; however, the position was funded across three programs, and an adjustment is made to reduce General Fund in Air Quality and Water Quality with a corresponding increase to Land Quality for a net zero impact.

The Subcommittee approved \$5,065,000 Article XI-Q bonds to finance \$5,000,000 of project costs and \$65,000 for costs of issuing the bonds. The Environmental Data Management System (EDMS) project is to develop and implement a customized off-the-shelf software solution that will replace multiple outdated and disparate information technology systems. The EDMS project will modernize and improve business processes by providing a common platform to receive and share environmental information and support e-commerce and web-based interactions. Early estimates indicate the EDMS project will cost around \$18 million to be completed. Also approved is \$834,752 General Fund for the debt service associated with the bonds, which are scheduled to be sold in May 2020.

Department of Fish and Wildlife

The Subcommittee approved a \$200,000 one-time General Fund appropriation for the predator control program, which provides pass-through money to the U.S. Department of Agriculture Wildlife Services for predator control services in partnership with the Department of Agriculture and Oregon counties. A similar one-time appropriation is provided to the Department of Agriculture.

The Subcommittee approved a \$1,352,102 Other Funds expenditure limitation to continue operations of the Leaburg Hatchery. The Department will utilize a portion of the General Fund provided in SB 5510 for steelhead production to raise some of those fish at Leaburg instead of at the Santiam Hatchery. This will allow the Santiam Hatchery to continue to produce its current level of both steelhead and spring chinook, while Leaburg will be able to produce the summer steelhead and transport them to the Santiam waterways. To properly align the Department's budget and position need for the continued operation of Leaburg, there is a reduction of \$866,091 Federal Funds limitation that was carry-forward in the budget from 2017-19, the abolishment of a full-time technician position, and the addition of a half-time senior technician position, leaving a net reduction of 0.50 FTE. Total staffing at Leaburg will be 7 positions (6.50 FTE) funded with Other Funds fishing license revenue.

Department of Forestry

A one-time General Fund appropriation of \$200,000 to the Oregon Department of Forestry was approved to purchase a tract of timber land adjacent to the Santiam State Forest for inclusion in the Santiam State Forest. Purchase of the property is intended to resolve a legal dispute between the current owner and the Department of Forestry regarding access to the roughly 160-acre parcel. Access is limited due to the condition and availability of a logging road crossing existing state forest property that requires rebuilding.

A one-time General Fund appropriation of \$1.7 million to the Oregon Department of Forestry was approved for activities related to slowing or stopping the spread of *Phytophthora ramorum*, the invasive pathogen that causes sudden oak death.

The Subcommittee approved an increase of \$52,035 in the Other Funds expenditure limitation established for the Oregon Department of Forestry to accommodate the payment of bond issuance costs related to bonds issued for the replacement of a shared facility at Toledo. An increase of \$121,559 General Fund and Other Funds expenditure limitation of \$168,904 is included for the payment of debt service on the bonds for the project.

Department of Land Conservation and Development

The Subcommittee approved a one-time General Fund appropriation in the amount of \$2,005,563 and the establishment of seven limited-duration positions (6.00 FTE) for the implementation of HB 2001 and HB 2003 by the Department of Land Conservation and Development. The funding is in addition to General Fund appropriated in HB 2001 and HB 2003 for assistance to local governments and provides for the administrative costs of the agency for implementing the provisions of the bills.

Department of Parks and Recreation

An increase in the Lottery Funds expenditure limitation of \$448,769 was approved by the Subcommittee for the Oregon Parks and Recreation Department. This increase is due to updated projections of Lottery revenues as of the May 2019 revenue forecast. This increase will provide the Department with sufficient capacity to distribute the 12% of lottery revenues allocated to the Department that are dedicated to local parks.

The Subcommittee approved the establishment of an Other Funds expenditure limitation for the Parks and Recreation Department in the amount of \$33,023 for debt service. Investment earnings on non-expended bond proceeds are credited to the agency as Other Funds regardless of the type of bond issuance. These earnings are then expended by the agency to offset the debt service expenditures from the fund type that would otherwise be used. The offsetting reductions to Lottery Funds expenditure limitation for debt service are included in the statewide debt service adjustments.

An increase in the Other Funds expenditure limitation of \$5,106,587 for the Oregon Parks Department was approved by the Subcommittee for the expenditure of lottery bond proceeds for the Oregon Main Street Revitalization program. The funding will be used to provide competitive grants to organizations participating in the Oregon Main Street Network. The program awards grants to acquire, rehabilitate, and construct buildings on properties in designated downtown areas and facility community revitalization that leads to additional private investment, job creation or retention, expansion or establishment of viable businesses, or creating a stronger tax base. Of the total increase, \$106,587 is for the costs of bond issuance.

Department of State Lands

An increase in Federal Funds expenditure limitation of \$154,000 was approved for the Department of State Lands' South Slough National Estuarine Research Reserve. The National Oceanic and Atmospheric Administration awarded a federal grant to the Department to expand the reserve's maintenance compound and enhance security for the reserve's facilities.

The Subcommittee approved an Other Funds expenditure limitation increase in the amount of \$6 million for the Department of State Lands from the Portland Harbor Cleanup Fund. The agency will use the increased limitation to transfer \$6 million from the fund to a trust account established by the state and the city of Portland under a settlement agreement for remedial design with the U.S. Environmental Protection Agency (EPA). The amount transferred will be matched by the city of Portland. Monies in the trust will be transferred to the EPA on an as-needed basis to fund the activities under the agreement.

Water Resources Department

The Subcommittee approved the establishment of an Other Funds expenditure limitation for the Water Resources Department in the amount of \$394 for debt service. Investment earnings on non-expended bond proceeds are credited to the agency as Other Funds regardless of the type of bond issuance. These earnings are then expended by the agency to offset the debt service expenditures from the fund type that would be used otherwise. The offsetting reductions to Lottery Funds expenditure limitation for debt service are included in the statewide debt service adjustments.

The Subcommittee approved a total increase of \$25,521,689 in Other Funds expenditure limitation established for the Water Resources Department for the purpose of making grants, loans, and paying the cost of bond issuance from lottery bond proceeds deposited into the Water Supply Development Fund established under section 3, chapter 784, Oregon Laws 2013. Of the amount of additional limitation provided for the expenditure of net bond proceeds allocated to the fund, \$15,000,000 is for Water Supply Development grants and loans to evaluate, plan, and develop in-stream and out-of-stream water development projects that repair or replace infrastructure to increase the efficiency of water use; provide new or expanded water storage; improve or alter operations of existing water storage facilities in connection with newly developed water; create new, expanded, improved, or altered water distribution, conveyance, or delivery systems in connection with newly developed

water; allocate federally stored water; promote water reuse or conservation; provide streamflow protection or restoration; provide for water management or measurement in connection with newly developed water; and, determine seasonally varying flows in connection with newly developed water. The budget includes \$521,689 for the payment of bond issuance costs. The remaining \$10 million expenditure limitation is for bond proceeds allocated to the fund for the Deschutes Basin Board of Control Piping Project. The funding will be combined with additional state, local, and federal funds to allow the Board of Control to pipe currently open canals for a total project cost of \$99.38 million.

The Subcommittee approved a total increase of \$18,327,563 in the Other Funds expenditure limitation established for the Water Resources Department for the purpose of making grants, loans, and paying the cost of bond issuance from lottery bond proceeds deposited into the Water Supply Fund established by section 10, chapter 906, Oregon Laws 2009. Of the total increase, \$327,563 is for the estimated cost of bond issuance. The budget includes \$14 million for a grant to the Wallowa Lake Irrigation District for the rehabilitation of the Wallowa Lake Dam. The remaining \$4 million is for a grant to the City of Newport for planning, environmental permitting, and design costs to replace the Big Creek Dams.

PUBLIC SAFETY

Department of Corrections

The Subcommittee approved a General Fund appropriation of \$1,650,000 to the Department of Corrections for its Corrections Information System Tool Upgrade project.

The agency's General Fund appropriation for debt service was increased by \$1,579,588 for debt service to be paid in 2019-21 on \$47,835,000 in Article XI-Q bonds for the Department of Corrections' deferred maintenance program, wireless communications system, and camera system. Projects will be undertaken for facility improvements including building envelope, electrical systems, water systems, roofs, HVAC, fire systems and infrastructure improvements; to acquire and install wireless communications systems at 10 correctional facilities for mobile radio communications; and to acquire and install upgraded camera systems at 10 correctional facilities and place additional cameras in strategic locations to improve monitoring of activity. Debt service for bonds issued in 2019-21 is estimated to be \$12,463,107 General Fund in 2021-23.

The Subcommittee approved an increase in Other Funds expenditure limitation of \$724,932 for cost of issuance of \$47,835,000 in Article XI-Q bonds for the Department of Corrections' deferred maintenance program. Bonds will be issued in May 2020 and in March 2021.

An Other Funds expenditure limitation for debt service of \$51,378 was established for the Department of Corrections in order to allow the agency to apply interest earned on bond proceeds to debt service on bonds.

The Subcommittee approved an Other Funds expenditure limitation increase of \$4,585,442 for the Community Corrections program to allocate funding to counties from the Criminal Fines Account for the purpose of planning, operating, and maintaining county juvenile and adult corrections programs and facilities and drug and alcohol programs. The Subcommittee approved the following budget note:

Budget Note:

The Department of Corrections shall require county recipients of Criminal Fines Account disbursements to report annually on the programs and services funded with this allocation and on the number of clients served.

Oregon Department of Justice

The Subcommittee appropriated \$700,000 General Fund to support the Oregon Crime Victims Law Center, as a one-time increase. This will increase General Fund support for the Law Center from the Department of Justice (DOJ) from \$342,081 to \$1,042,081. This increase may supplant the need for DOJ to provide the Law Center with a state grant funded from punitive damage awards. In addition, the Law Center may continue to apply for, and possibly be awarded, federal Victim of Crime Act grant funding, as was the case during the 2017-19 biennium.

Oregon Military Department

The Subcommittee approved an increase in Other Funds expenditure limitation of \$348,000 for cost of issuance of \$22,275,000 in Article XI-Q bonds for Aviation Facility Emergency Enhancement projects in Salem and Pendleton, three Armory Service Life Extension projects at the Owen Summers and Anderson Readiness Center facilities in Salem and at the Jackson Armory in Portland, and construction of exhibit space at the Oregon Military Museum at Camp Withycombe. Bonds are planned to be issued in May 2020, and in March 2021.

The agency's General Fund appropriation for debt service was increased by \$533,528 for debt service on \$22,275,000 in Article XI-Q bonds estimated to be paid in 2019-21. Debt service for these bonds is estimated to be \$4,367,339 General Fund in 2021-23.

For a risk abatement study of the Critical Energy Infrastructure Hub located in Portland, the Subcommittee approved a one-time General Fund appropriation of \$300,000. The Office of Emergency Management will collaborate with the Department of Environmental Quality and the Department of Energy to commission a study that will evaluate the impacts of a catastrophic failure of fuel storage facilities located at the Critical Energy Infrastructure Hub following a Cascadia subduction zone earthquake.

Criminal Justice Commission

The Subcommittee approved adding Other Funds expenditure limitation of \$275,086 to the Criminal Justice Commission's 2019-21 budget to allow the agency to spend a grant award from the Laura and John Arnold Foundation. Oregon is one of five states chosen to participate in the

National Criminal Justice Reform Project and will use the grant funds to gather and establish baseline data on Oregon's pretrial detention system and pretrial jail population.

The Subcommittee approved transferring the responsibilities of the Criminal Justice Policy Research Institute's Law Enforcement Contacts Policy & Data Review Committee responsibilities from Portland State University to the Criminal Justice Commission, thereby consolidating both quantitative and qualitative data collection on traffic and pedestrian stops in one state agency. This action adds \$78,242 General Fund to the Criminal Justice Commission's 2019-21 budget and makes permanent an existing limited-duration Administrative Specialist 2 position.

To address the growth of the Criminal Justice Commission due to the programs, responsibilities, and positions added to the agency's budget through other legislation passed in 2019, an existing Program Analyst 4 is reclassified to a Principal Executive Manager F position, to ensure adequate managerial oversight of the grant programs operated by the Commission. This reclassification has no budget impact in 2019-21.

Department of Public Safety Standards and Training

To accommodate a purchase not anticipated to be received by June 30, 2019, the Subcommittee approved increasing the Department of Public Safety Standards and Training's 2019-21 Federal Funds expenditure limitation by \$325,955 in order to carry forward a grant received from the Federal Emergency Management Agency's Assistance to Firefighters grant program in 2018 for the purchase of a new fire truck. This is a one-time increase in expenditure limitation for the 2019-21 biennium.

Oregon Youth Authority

The Subcommittee approved an increase in Other Funds expenditure limitation of \$774,709 for cost of issuance of \$34,430,000 in Article XI-Q bonds to complete the remodel of seven living unit cottages at the MacLaren Youth Correctional Facility and dormitory spaces at the Rogue Valley Youth Correctional Facility; remodel three medical and dental clinics; renovate the control rooms at the Oak Creek, Rogue Valley, and Eastern Oregon youth correctional facilities; and undertake deferred maintenance projects in 2019-21. Bonds are planned to be issued in October 2019, May 2020, and in March 2021.

The agency's General Fund appropriation for debt service was increased by \$914,307 for debt service to be paid on \$34,430,000 in Article XI-Q bonds in 2019-21. Debt service for these bonds is estimated to be \$6,245,948 General Fund in 2021-23.

Other Funds expenditure limitation for debt service of \$95,000 was established for the Oregon Youth Authority in order to allow the agency to apply interest earned on bond proceeds to debt service on bonds.

TRANSPORTATION

Department of Transportation

The Subcommittee increased the Department of Transportation's (ODOT) Other Funds expenditure limitation, on a one time basis, by \$5,149,463 for ODOT project costs and cost of issuing lottery bonds. This amount consists of \$42,876 for the Sherwood Pedestrian Connectors Project and \$5,106,587 for the Coos Bay Rail Line and Bridge Replacement Project.

Additional one-time Other Funds expenditure limitation of \$1,000,000 was approved for the Neskowin Emergency Egress Project in Tillamook County. The source of funds for this project is the Transportation Operating Fund. The Transportation Operating Fund was also used to provide one-time Other Funds expenditure limitation of \$650,000 to support the upgrade and recapitalization of 44 electric vehicle charging station locations known as the West Coast Electric Highway.

The Subcommittee approved the addition of three limited duration Transportation Service Representative 1 positions (0.42 FTE) and \$221,442 Other Funds expenditure limitation to implement HB 2015 (2019).

Adjustments to 2017-19 Budgets

Department of Corrections

The Subcommittee approved a net-zero rebalance of \$650,000 between General Fund appropriations and appropriated an additional \$3,000,000 General Fund, on a one-time basis only, to the Department of Corrections to address the remainder of a known 2017-19 budget shortfall of \$20.2 million and additional unanticipated expenditures totaling \$23.5 million. Unanticipated expenditures included emergency repairs to facilities, spending on medication for Hepatitis C and for contract medical staff in prisons, computer replacements and necessary software upgrades, and to backfill a federal grant. The agency has mitigated its budget shortfall through management actions such as a hiring freeze on management positions, limiting spending on staff training, reducing inmate alcohol and drug treatment costs, and limiting inmate clothing orders through the end of the biennium, as well as by using Other Funds revenue where available.
