

Dear Chair Barker,

Provoking Hope a peer ran non profit in McMinnville, absolutely could not incur this type of paid leave. the reason we say this is #1 we do not have the finances to do this. We ill have to close down , leaving 37 in Yamhill County out of work. #2 trying to provide coverage for our services with a 32 and or 48 weeks possible leave or sick pay schedule is out of our capacity.

Sincerely,

Diane Reynolds
