

HB 2001 and the proposed Amendments are inconsistent with SB 100 that requires that legislative changes to land use laws be consistent with Oregon's Land Use Goals. The legislative process of adopting HB 2001 needs to be consistent with provisions of Goal 1 of OAR 660-015-0000(1) (Goal 1) that requires citizens to have a role in all phases of the planning process. HB 2001 should not move out of the House Committee on Human Services and Housing.
