<b>General Fund</b>	0	-4.2	-4.2	-8.6	-9.0

**Impact Explanation:**

Extending the sunset of the income tax credit available to individuals and corporations making contributions to the Trust for Cultural Development is expected to decrease general fund revenue by \$4.2 million in the 2019-21 biennium. The reduction in revenue for the 2021-23 biennium is estimated to be \$8.6 million, reflective of the credit sunset extension being applicable to the entire biennium not just half the biennium as in 2019-21.

The revenue estimate was made based on an analysis of past credit usage as reported on personal and corporate income tax returns.
