

Open Government Impact Statement

80th Oregon Legislative Assembly
2019 Regular Session

Measure: HB 3044

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 3/4/2019

SUMMARY

Requires business or individual carrying out application of soil treatment or pesticide by aircraft to record information regarding application conditions. Requires business or individual to submit information concerning application to Department of Environmental Quality. Requires department to post information on website.

Requires department to send notice to affected properties if department determines that soil treatment or pesticide applied by aircraft drifted beyond property where area targeted for application is located.

Authorizes department to assess civil penalty, not to exceed \$50,000, for failure to record, falsifying or failing to timely submit information concerning application of soil treatment or pesticide by aircraft or if soil treatment or pesticide applied by aircraft drifts beyond property where area targeted for application is located.
