Analysis:

This bill appropriates \$1,600,000 General Fund to the Oregon Military Department for distribution to counties for the purpose of acquiring analog encoders that could transmit emergency information to broadcasters. An additional \$300,000 General Fund is appropriated to the Military Department for distribution to Oregon Public Broadcasting for the purpose of upgrading their signal distribution system.

Oregon Military Department

The Oregon Military Department (OMD) would need develop criteria for and execute agreements with counties seeking grants for the analog encoders. OMD anticipates costs of up to \$10,000 for review of these agreements by the Attorney General’s office. This bill does not provide funding for any costs incurred by the Oregon Military Department pursuant to this bill. The fiscal impact to OMD is indeterminate, but likely minimal.

Counties

This bill does not require counties to apply for grants to purchase analog encoders. There is no fiscal impact to counties.
