Measure Description:

Allows additional weight for purpose of State School Fund distributions for students in drug or alcohol treatment programs that meet certain requirements.

Government Unit(s) Affected:

Department of Education (ODE), Education Service Districts (ESD), School Districts

Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Health Care to the House Committee on Revenue.

The measure allows additional weight for purpose of State School Fund distributions for students in drug or alcohol treatment programs that meet certain requirements.

The measure is anticipated to have an impact on individual School Districts and Education Service Districts. Since it does not increase the State School Fund it does not have a fiscal impact overall. It will likely change the distribution of the State School Fund with the introduction of this new weight.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in House Committee on Revenue.
