

Open Government Impact Statement

80th Oregon Legislative Assembly
2019 Regular Session

Measure: HB 3063 - B

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 5/2/2019

SUMMARY

Removes ability of parent to decline required immunizations against restrictable diseases on behalf of child for reason other than child's indicated medical diagnosis. Allows child who is not immunized or exempt for reason of indicated medical diagnosis to attend school that provides education program through online courses. Prohibits child from attending in person specified school-related events, meetings and opportunities. Defines "restrictable diseases." Allows Oregon Health Authority to recommend additional diseases against which children may be immunized.

Directs boards that regulate certain licensed health care practitioners to review documents completed by licensed health care practitioners granting exemptions from immunization requirements because of indicated medical diagnosis. Defines "licensed health care practitioner." Requires boards to report annually to authority on results of review. Requires authority to report annually to Legislative Assembly on reports submitted by boards.

Directs authority to establish outreach and education plan regarding disease control in schools.

Allows child who is not immunized to continue attending school in person until August 1, 2020.

Declares emergency, effective on passage.
