**BACKGROUND:**

Senate Bill 52 A is named Adi's Act in honor of Adi Staub, who died by suicide in 2017. According to the 2017 Oregon Healthy Teens Survey, suicide is the second leading cause of death among Oregonians aged 10 to 24. The Oregon Health Authority finds that youth suicides in Oregon have been increasing since 2011, with 107 recorded deaths in 2017.

Senate Bill 52 A directs school districts to adopt a policy requiring a plan on student suicide prevention. The plan is to be adopted by the beginning of the 2020-2021 school year and becomes operative July 1, 2020.
