

Open Government Impact Statement

80th Oregon Legislative Assembly
2019 Regular Session

Measure: HB 3022 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 5/6/2019

SUMMARY

Provides that diagnostic services are compensable under workers' compensation law after industrial accident or occupational disease has been determined to be compensable and if diagnostic services are reasonable and necessary to identify nature or extent of medical condition that may be related to industrial accident or occupational disease. Specifies certain limitations.

Provides that employer bears burden of proof in denial of coverage that otherwise compensable condition is no longer major contributing cause of need for treatment and disability of combined condition.

Declares emergency, effective on passage.
