**BACKGROUND:**

The Oregon Liquor Control Commission (OLCC) licenses the manufacture, distribution, and sale of wine, cider, and malt beverages. A winery license allows the licensee to import wine or cider; bottle, produce, blend, store, transport, or export wines or cider; sell wines or cider to the OLCC or its licensees at wholesale; and sell wines, cider, or malt beverages for consumption on or off the licensed premises. Licensees are currently allowed to engage in these activities at up to three locations. House Bill 3113-A allows a winery licensee to conduct these activities at five or fewer locations.
