Summary of Revenue Changes

House Bill 2006 appropriates \$3,000,000 General Fund to the Oregon Housing and Community Services (OHCS) to administer and award grants to entities to support or develop programs to help individuals obtain and retain housing. House Bill 2006 also provides \$3,000,000 General Fund to the Oregon Department of Justice to assist victims of domestic violence and sexual assault with housing needs.

Summary of Transportation and Economic Development Subcommittee Action

Oregon Housing and Community Services Department

House Bill 2006 directs OHCS to provide grants to public and private entities to support or develop programs that provide tenant education service for low-income tenants; fair housing training for tenants and landlords; technological innovations helping low-income people find and access housing; and other education, services, or resources for low income tenants or prospective tenants and landlords who serve low income tenants. The bill provides \$3,000,000 General Fund to award grants to the entities providing the identified services and to fund one limited duration Program Analyst 2 (1.00 FTE) to manage the grants, process payments, ensure compliance, and provide technical assistance to

grantees. The funding is not assumed to be ongoing for the purpose of calculating operating expenses of the Housing and Community Services department in future biennia.

Oregon Department of Justice

The Subcommittee approved a one-time \$3,000,000 General Fund appropriation to the Department of Justice (DOJ) - Crime Victims Survivor Services Division (CVSSD) to assist victims of domestic violence and sexual assault with housing needs, including homelessness prevention, housing search assistance, tenant education and funding for rent, utilities, moving costs, deposits, application fees, or safe emergency housing. This provision of the measure repeals on January 2, 2022.

The entire appropriation to DOJ for the 2019-21 biennium will be distributed to tribal domestic and sexual violence programs and non-profit, non-governmental domestic and sexual violence service agencies in a manner consistent with distributions of funds from the Oregon Domestic and Sexual Violence Services (ODSVS) fund unless the OSDVS/CVSSD Advisory Committee determines that a different distribution formula is necessary to achieve the stated purposes of this measure.
