18 (3) Every original application for an identification card must be signed by the applicant. The
19 department shall require proof to verify the address of an applicant for issuance of an identification
20 card in addition to other documents the department may require of the applicant. If the address of
21 an applicant has changed since the last time an identification card was issued to or renewed for the
22 applicant, the department shall require proof to verify the address of the applicant for renewal of
23 an identification card, in addition to anything else the department may require. The department
24 shall adopt rules to identify what constitutes proof of address for purposes of this subsection. Ver-
25 ification of proof of address may include, but is not limited to, providing a utility bill, a tax return,
26 a record from a financial institution, a proof of insurance card or a health benefits card, a selective
27 service card, a mortgage document or a lease agreement. The applicant may provide the proof of
28 address by submitting proof in the form of an original document or a copy of a document, use an
29 electronic device to display proof of address, or provide proof through the use of a third party ad-
30 dress verification system.

31 (4) Every identification card shall be issued upon the standard license form described under ORS
32 807.110 and shall bear a statement to the effect that the identification card is not a license or any
33 other grant of driving privileges to operate a motor vehicle and is to be used for identification
34 purposes only. The department shall use the same security procedures, processes, materials and
35 features for an identification card as are required for a license under ORS 807.110. The identification
36 card is not required to contain the residence address of persons listed in ORS 807.110 (1)(e).

37 (5) If the identification card is a limited term identification card issued under ORS 807.730, the
38 limited term identification card shall indicate:

39 (a) That it is a limited term identification card; and

40 (b) The date on which the limited term identification card expires.

41 (6) Upon order of the juvenile court, the department shall include on the card the fact that the
42 person issued the identification card is an emancipated minor.

43 (7) Upon request of the person to whom the identification card is issued and presentation of
44 proof, as determined by the department by rule, that the person is a veteran, as defined in ORS
45 408.225, the department shall include on the card the fact that the person is a veteran.

1 (8) Each original identification card shall expire on a date consistent with the expiration dates
2 of licenses as set forth in ORS 807.130.

3 (9) Identification cards shall be renewed under the terms for renewal of licenses as set forth in
4 ORS 807.150.

5 (10) The fee for an original identification card or a renewal thereof shall be the fee established
6 under ORS 807.410.

7 (11) An identification card becomes invalid if the holder of the card changes the holder's resi-
8 dence address from that shown on the identification card and does not provide the department with
9 notice of the change as required under ORS 807.420.

10 (12) If a person to whom an identification card was issued and who changes the person's resi-
11 dence address appears in person at a department office that issues identification cards, the depart-
12 ment may do any of the following:

13 (a) Issue a replacement identification card containing the new address upon receipt of the old
14 identification card and payment of the fee established for issuing a replacement identification card
15 [*with a changed address*] under ORS 807.410. Except as otherwise provided in subsection (14) of this
16 section, the replacement identification card shall bear the same distinguishing number as the card
17 being replaced.

18 (b) Note the new address on the old identification card in a manner to be determined by the
19 department by rule.

20 (13) An identification card becomes invalid if the holder of the card changes the holder's name
21 from that shown on the card, including a change of name by marriage, without providing the de-
22 partment with notice of the change as required under ORS 807.420. Upon receiving such notice and
23 the old identification card, the department shall issue a replacement identification card upon pay-
24 ment of the fee required under ORS 807.410.

25 (14) In the event that, for a reason identified by the department by rule, a person needs a re-
26 placement identification card that bears a distinguishing number different from the number on the
27 card being replaced, the person to whom the card was issued may obtain a replacement card from
28 the department upon furnishing proof satisfactory to the department of the need for such replace-
29 ment and payment of the replacement fee under ORS 807.410.

30 (15) If a person furnishes proof that the person is a veteran, as defined in ORS 408.225, and the
31 person's identification card does not include the fact that the person is a veteran, the department
32 shall issue a replacement identification card that includes the fact that the person is a veteran.

33 (16) The department may establish by rule reasons for issuing replacement identification cards
34 that are in addition to the reasons identified in subsections (12) to (15) of this section. The fee for
35 a replacement identification card is provided under ORS 807.410.

36 (17) Upon cancellation of an identification card, the card is terminated and must be surrendered
37 to the department. An identification card may be canceled for any of the reasons that driving priv-
38 ileges or a driver license may be canceled under ORS 809.310. The department may reissue an
39 identification card canceled under this subsection when the applicant has satisfied all requirements
40 for the identification card.

41 (18) Notwithstanding any other provision of this section, the department may issue an identifi-
42 cation card to a person under this subsection without charge when the person surrenders the
43 person's driver license or driver permit to the department for reasons described in this subsection.
44 If the department issues an identification card under this subsection, the identification card shall
45 expire at the same time as the surrendered driver license or driver permit would have expired. An

1 identification card issued under this subsection is subject to the same requirements and fees for
2 renewal or upon expiration as any other identification card issued under this section. The depart-
3 ment may issue identification cards under this subsection for any of the following reasons:

4 (a) The person voluntarily surrenders the person's driver license or driver permit to the de-
5 partment based upon the person's recognition that the person is no longer competent to drive.

6 (b) The person's driving privileges are suspended under ORS 809.419 (1). This paragraph only
7 applies if the person voluntarily surrenders the person's driver license or driver permit to the de-
8 partment as provided under ORS 809.500.

9 **SECTION 6.** ORS 807.400, as amended by section 18, chapter 568, Oregon Laws 2017, is

26 (3) Every original application for an identification card must be signed by the applicant. The
27 department shall require proof to verify the address of an applicant for issuance of an identification
28 card in addition to other documents the department may require of the applicant. If the address of
29 an applicant has changed since the last time an identification card was issued to or renewed for the
30 applicant, the department shall require proof to verify the address of the applicant for renewal of
31 an identification card, in addition to anything else the department may require. The department
32 shall adopt rules to identify what constitutes proof of address for purposes of this subsection. Proof
33 of address may include, but is not limited to, providing a utility bill, a tax return, a record from a

41 driver license or any other grant of driving privileges to operate a motor vehicle and is to be used
42 for identification purposes only. The department shall use the same security procedures, processes,
43 materials and features for an identification card as are required for a driver license under ORS
44 807.110. The identification card is not required to contain the residence address of persons listed in
45 ORS 807.110 (1)(e).

9 408.225, the department shall include on the card the fact that the person is a veteran.

10 (8) Each original identification card shall expire on a date consistent with the expiration dates
