14 justment or 180 days after the date on which the amended federal return, federal refund

22 been reported properly, plus any interest and penalty due under ORS 305.220 or 314.400.

37 “(B) For the total distributive shares of adjustments made to direct partners that are
38 nonresident partners subject to tax under ORS chapter 316, determine the amount of any
39 adjustment that is income from Oregon sources under ORS chapter 316 and multiply the

41 under ORS chapter 316;

42 “(C) For the total distributive shares of adjustments made to tiered partners:

43 “(i) Determine the amount of any adjustment that is of a type that would be subject to
44 sourcing to Oregon by a nonresident partner under ORS chapter 316 and determine the por-
45 tion of this amount that would be sourced to Oregon;

1 “(ii) Determine the amount of any adjustment that is of a type that would not be subject
2 to sourcing to Oregon by a nonresident partner under ORS chapter 316;

3 “(iii) Determine the portion of the amount in sub-subparagraph (ii) of this subparagraph
4 that can be established, as prescribed by the department by rule, to be properly allocable to
5 indirect partners that are nonresident partners or other partners not subject to tax on the
6 adjustments; and

7 “(iv) Multiply the total of the amounts in sub-subparagraphs (i) and (ii) of this subpara-
8 graph, reduced by the amount determined in sub-subparagraph (iii) of this subparagraph, by
9 the highest marginal tax rate under ORS chapter 316;

10 “(D) For the total distributive shares of adjustments made to direct partners that are
11 resident partners, multiply the amount of the adjustments by the highest marginal tax rate
12 under ORS chapter 316; and

13 “(E) Add the amounts determined in subparagraphs (A) to (D) of this paragraph and any
14 interest and penalty as provided in ORS 305.220 or 314.400.

15 “(5) Adjustments subject to the election in subsection (4) of this section do not include:

16 “(a) The distributive share of adjustments that under this chapter or ORS chapter 317
17 or 318 must be included in the apportionable income of any direct partner that is a corporate
18 partner unless the corporate partner states in writing to the partnership representative that
19 its distributive share of the adjustments is not required to be included in its apportionable
20 income;

21 “(b) The distributive share of adjustments that under this chapter or ORS chapter 317
22 or 318 must be included in the apportionable income of any indirect partner that is a corpo-
23 rate partner, provided that the audited partnership can reasonably determine this;

24 “(c) The distributive share of adjustments made to a direct partner that is exempt from
25 tax under ORS 316.277 or 317.080, other than any distributive share that is unrelated business
26 taxable income of the partner; or

27 “(d) Any adjustments arising from an administrative adjustment request.

28 “(6) For purposes of subsection (5) of this section, a corporate partner’s distributive
29 share is presumed to be included in the partner’s own apportionable income unless the
30 partner provides the statement described in subsection (5)(a) of this section to the partner-
31 ship representative.

32 “(7)(a) An audited partnership that makes an election under subsection (4) of this section
33 consents to be subject to the administrative provisions of this chapter and ORS chapter 305.

34 “(b) The department may adopt rules to prevent double taxation or double deduction of
35 any amount included in the computation of income under this section.

36 “(8) The direct and indirect partners of an audited partnership that are tiered partners
37 and all partners of those tiered partners that are subject to tax imposed under ORS chapter
38 316, 317 or 318 are subject to the reporting and payment requirements of subsection (3) of
39 this section. The tiered partners are entitled to make the elections provided in subsection
40 (4) of this section. The tiered partners or their partners shall make the required reports and
41 payments not later than 90 days after the time for filing and furnishing statements to tiered
42 partners and their partners as established under section 6226 of the Internal Revenue Code
43 and the regulations thereunder. The department may adopt rules to establish procedures and
44 interim time periods for the reports and payments required by tiered partners and their
45 partners and for making the elections under subsection (4) of this section.

1 “(9)(a) The department may adopt rules allowing an extension of time for an audited
2 partnership and its tiered partners or direct partners to file reports of adjustments required
3 under this section.

4 “(b) Notwithstanding paragraph (a) of this subsection, the tax shall be paid to the de-
5 partment on the date fixed by this section without regard to extensions.

6 “(c) Any extension granted under this section extends the final date prescribed by law
7 for assessing any additional tax arising from the adjustments.

8 “(10)(a) An election made pursuant to subsection (4) of this section is irrevocable.

9 “(b) If reported properly and paid by the audited partnership or tiered partner, the
10 amount determined in subsection (4)(b) of this section shall be treated as paid in lieu of taxes
11 owed by its direct and indirect partners, to the extent applicable, on the same adjustments.
12 Direct partners or indirect partners may not take any deduction or credit for the amount
13 or claim a refund of the amount.

14 “(c) Nothing in this subsection precludes a direct partner that is a resident partner or
15 nonresident partner from claiming a credit for any amounts paid by the audited partnership
16 or tiered partner on the direct partner’s behalf to another state or local tax jurisdiction in
17 accordance with the provisions of ORS 316.082 or 316.131.

18 “(11) Nothing in this section prevents the department from assessing direct partners or
19 indirect partners for taxes owed, using the best information available, in the event that a
20 partnership or tiered partner fails to timely make any report or payment required by this
21 section for any reason, or from collecting from direct partners or indirect partners.

22 “**SECTION 4.** The Department of Revenue shall assess additional tax, interest and pen-
23 alties for adjustments arising from an audit by the Internal Revenue Service, including a
24 partnership-level audit, or reported by the taxpayer on an amended federal return, federal
25 refund claim or other similar report, including a report required under section 6225(c) of the
26 Internal Revenue Code, or as part of an administrative adjustment request, by the following
27 dates:

28 “(1) If a taxpayer files with the department an adjustments report or an amended Oregon
29 tax return as required within the period specified in section 3 of this 2019 Act, the depart-
30 ment may assess any amounts, including in-lieu-of amounts, taxes, interest or penalties
31 arising from the adjustments. The department shall issue a notice of deficiency to the tax-
32 payer on or before the later of:

33 “(a) The expiration of the applicable limitations period specified in ORS 314.410; or

34 “(b) Two years following the earlier of the date the department is notified by the Internal
35 Revenue Service or the date the taxpayer files the adjustments report or amended Oregon
36 tax return with the department.

37 “(2) If the taxpayer fails to file an adjustments report within the period specified in sec-
38 tion 3 of this 2019 Act or if the adjustments report filed by the taxpayer omits adjustments
39 or understates the correct amount of tax owed, the department may assess any amounts,
40 including in-lieu-of amounts, taxes, interest or penalties arising from the adjustments. The
41 department shall issue a notice of deficiency to the taxpayer on or before the later of:

42 “(a) The expiration of the applicable limitations period specified in ORS 314.410; or

7 **“SECTION 6.** ORS 305.242 is amended to read:

8 **“305.242. (1)(a)** When the treatment of partnership items on a partner’s return is consistent with
9 the treatment of that item on the partnership return and results in a notice of deficiency, the part-
10 ners may designate a tax matters partner to represent each of them before the Department of Re-
11 venue in any conference or before a tax court magistrate in any proceeding with respect to the
12 administration of any tax on or measured by net income.

13 **“(b) Notwithstanding paragraph (a) of this subsection, a tax matters partner shall be**

25 taxable year, unless that information was provided in the partnership return for that year.

26 **“(4)** A timely request for a conference filed with the department or appeal filed with the tax
27 court by the tax matters partner shall be considered as a request or an appeal by all of the partners
28 represented by the tax matters partner, and all issues regarding treatment of partnership items shall
29 be resolved in a single conference.

30 **“(5)** A partner who elects to be represented by a tax matters partner, **or any partner in a**
31 **partnership subject to sections 2 to 5 of this 2019 Act,** shall be bound by all things done by the
32 tax matters partner and may not thereafter claim that any act or proceeding was legally defective
33 because the partner was not represented by an attorney.

34 **“SECTION 7.** ORS 314.712 is amended to read:

35 **“314.712. (1)** Except as provided in ORS 314.722 or [314.723] **sections 2 to 5 of this 2019 Act,**

9 “(2) A partner’s distributive share of an item of partnership income, gain, loss or deduction (or

8 **return.**

9 “(6)(a) **A pass-through entity that files a composite return under this section is subject**
