44 or significantly increase the cost of accepted farming practices on nearby lands devoted to farm use.

45 (b) The dwelling is situated upon generally unsuitable land for the production of farm crops and

24 (6) The notice required in subsection (5) of this section shall specify that persons have 15 days
25 following the date of postmark of the notice to file a written objection on the grounds only that the
26 dwelling or activities associated with it would force a significant change in or significantly increase
27 the cost of accepted farming practices on nearby lands devoted to farm use. If no objection is re-
28 ceived, the governing body or its designee shall approve or disapprove the application. If an ob-
29 jection is received, the governing body shall set the matter for hearing in the manner prescribed in
30 ORS 215.402 to 215.438. The governing body may charge the reasonable costs of the notice required

44 retain a life estate in a dwelling on that property and in a tract of land under and around the

2 taxes imposed upon the change in use have been paid.

3 (10) Roads, highways and other transportation facilities and improvements not allowed under
4 subsections (1) and (2) of this section may be established, subject to the approval of the governing

39 concerning an expedited, single-event license is not a land use decision, as defined in ORS 197.015.
40 To approve an expedited, single-event license, the governing body of a county or its designee must
41 determine that the proposed agri-tourism or other commercial event or activity meets any local
42 standards that apply, and the agri-tourism or other commercial event or activity:

26 (b) The propagation or harvesting of a forest product.

27 (c) Utility facilities necessary for public service, including wetland waste treatment systems but
28 not including commercial facilities for the purpose of generating electrical power for public use by

35 farm operator or the farm operator’s spouse, which means a child, parent, stepparent, grandchild,
36 grandparent, stepgrandparent, sibling, stepsibling, niece, nephew or first cousin of either, if the farm
37 operator does or will require the assistance of the relative in the management of the farm use and
38 the dwelling is located on the same lot or parcel as the dwelling of the farm operator. Notwithstanding ORS 92.010 to 92.192 or the minimum lot or parcel size requirements under ORS

45 (f) Subject to ORS 215.279, primary or accessory dwellings customarily provided in conjunction

1 with farm use. For a primary dwelling, the dwelling must be on a lot or parcel that is managed as

14 hardship suffered by the existing resident or a relative of the resident. Within three months of the
15 end of the hardship, the manufactured dwelling or recreational vehicle shall be removed or demol-
16 ished or, in the case of an existing building, the building shall be removed, demolished or returned
17 to an allowed nonresidential use. The governing body or its designee shall provide for periodic re-

25 (L) Temporary public road and highway detours that will be abandoned and restored to original
26 condition or use at such time as no longer needed.

44 the same lot or parcel. A dwelling established under this paragraph shall comply with all applicable
45 siting standards. However, the standards shall not be applied in a manner that prohibits the siting

2 for exclusive farm use, the applicant, as a condition of approval, shall execute and record in the
3 deed records for the county where the property is located a deed restriction prohibiting the siting
4 of a dwelling on that portion of the lot or parcel. The restriction imposed shall be irrevocable unless
5 a statement of release is placed in the deed records for the county. The release shall be signed by
6 the county or its designee and state that the provisions of this paragraph regarding replacement

9 of a new dwelling under the provisions of this paragraph, including a copy of the deed restrictions
10 and release statements filed under this paragraph; and

11 (ii) For which the applicant has requested a deferred replacement permit, is removed or demol-
12 ished within three months after the deferred replacement permit is issued. A deferred replacement
13 permit allows construction of the replacement dwelling at any time. If, however, the established
14 dwelling is not removed or demolished within three months after the deferred replacement permit
15 is issued, the permit becomes void. The replacement dwelling must comply with applicable building
16 codes, plumbing codes, sanitation codes and other requirements relating to health and safety or to

18 or otherwise, except by the applicant to the spouse or a child of the applicant.

39 operator's cost to maintain the property, buildings and facilities. As used in this paragraph, "model

1 or poultry products pursuant to ORS 603.038. If a building is established or used for the processing
2 facility or establishment, the farm operator may not devote more than 10,000 square feet of floor
3 area to the processing facility or establishment, exclusive of the floor area designated for prepara-

7 the cost of accepted farming practices on nearby lands devoted to farm use. If no objection is re-
8 ceived, the governing body or its designee shall approve or disapprove the application. If an ob-
9 jection is received, the governing body shall set the matter for hearing in the manner prescribed in
10 ORS 215.402 to 215.438. The governing body may charge the reasonable costs of the notice required

15 (a) Only one lot or parcel exists if:

16 (A) A lot or parcel described in this section is contiguous to one or more lots or parcels de-
17 scribed in this section; and

18 (B) On July 1, 1983, greater than possessory interests are held in those contiguous lots, parcels
19 or lots and parcels by the same person, spouses or a single partnership or business entity, separately
20 or in tenancy in common.

21 (b) "Contiguous" means lots, parcels or lots and parcels that have a common boundary, including
22 but not limited to, lots, parcels or lots and parcels separated only by a public road.

23 (8) A person who sells or otherwise transfers real property in an exclusive farm use zone may
24 retain a life estate in a dwelling on that property and in a tract of land under and around the
25 dwelling.

26 (9) No final approval of a nonfarm use under this section shall be given unless any additional
27 taxes imposed upon the change in use have been paid.

28 (10) Roads, highways and other transportation facilities and improvements not allowed under
29 subsections (1) and (2) of this section may be established, subject to the approval of the governing
30 body or its designee, in areas zoned for exclusive farm use subject to:

31 (a) Adoption of an exception to the goal related to agricultural lands and to any other applicable
32 goal with which the facility or improvement does not comply; or

33 (b) ORS 215.296 for those uses identified by rule of the Land Conservation and Development
34 Commission as provided in section 3, chapter 529, Oregon Laws 1993.

35 (11) The following agri-tourism and other commercial events or activities that are related to and
36 supportive of agriculture may be established in any area zoned for exclusive farm use:

37 (a) A county may authorize a single agri-tourism or other commercial event or activity on a
38 tract in a calendar year by an authorization that is personal to the applicant and is not transferred
39 by, or transferable with, a conveyance of the tract, if the agri-tourism or other commercial event
40 or activity meets any local standards that apply and:

41 (A) The agri-tourism or other commercial event or activity is incidental and subordinate to ex-

17 tivity on a tract in a calendar year by an expedited, single-event license that is personal to the ap-
18 plicant and is not transferred by, or transferable with, a conveyance of the tract. A decision
19 concerning an expedited, single-event license is not a land use decision, as defined in ORS 197.015.
20 To approve an expedited, single-event license, the governing body of a county or its designee must
21 determine that the proposed agri-tourism or other commercial event or activity meets any local
22 standards that apply, and the agri-tourism or other commercial event or activity:

23 (A) Must be incidental and subordinate to existing farm use on the tract;

33 six agri-tourism or other commercial events or activities on a tract in a calendar year by a limited
34 use permit that is personal to the applicant and is not transferred by, or transferable with, a
35 conveyance of the tract. The agri-tourism or other commercial events or activities must meet any

37 (A) Must be incidental and subordinate to existing farm use on the tract;

38 (B) May not, individually, exceed a duration of 72 consecutive hours;

40 with the agri-tourism or other commercial events or activities;

41 (D) Must comply with ORS 215.296;

42 (E) May not, in combination with other agri-tourism or other commercial events or activities
43 authorized in the area, materially alter the stability of the land use pattern in the area; and

12 do not otherwise comply with paragraphs (a) to (c) of this subsection if the agri-tourism or other
13 commercial events or activities comply with any local standards that apply and the agri-tourism or
14 other commercial events or activities:

15 (A) Are incidental and subordinate to existing commercial farm use of the tract and are neces-
16 sary to support the commercial farm uses or the commercial agricultural enterprises in the area;

17 (B) Comply with the requirements of paragraph (c)(C), (D), (E) and (F) of this subsection;

18 (C) Occur on a lot or parcel that complies with the acknowledged minimum lot or parcel size;
19 and

20 (D) Do not exceed 18 events or activities in a calendar year.

21 (12) A holder of a permit authorized by a county under subsection (11)(d) of this section must

33 event or activity. The county may not approve an alteration to the land in connection with an

35 including, but not limited to, grading, filling or paving.

36 (b) The county may issue the limited use permits authorized by subsection (11)(c) of this section
37 for two calendar years. When considering an application for renewal, the county shall ensure com-
38 pliance with the provisions of subsection (11)(c) of this section, any local standards that apply and
39 conditions that apply to the permit or to the agri-tourism or other commercial events or activities
40 authorized by the permit.

41 (c) The authorizations provided by subsection (11) of this section are in addition to other au-
42 thorizations that may be provided by law, except that “outdoor mass gathering” and “other gather-
