26 the amount that is being retained by the transferor; and

27 “(e) Any other information required by the department.

28 “(4)(a) If a tax credit must be claimed over multiple tax years, a transferor may sepa-
29 rately transfer the entirety of that portion corresponding to each tax year to one or more
30 transferees, subject to subsection (5) of this subsection.

31 “(b) Any amount of credit that would be allowed due only to a carryforward provision
32 may not be transferred.

33 “(5) Any transfer of a tax credit or a portion of a tax credit must be completed no later
34 than the earliest of the following dates in relation to the tax return on which it is claimed:

35 “(a) The original due date, including extensions, of the transferor’s return;

4 “(6) Notwithstanding subsection (5) of this section, if the transferor is a tax-exempt en-
5 tity, the transfer must be completed on or before a date one year after the close of the tax
6 year for which the credit receives final certification. As used in this subsection ‘tax-exempt
7 entity’ means a government agency or an organization that is recognized as exempt under
8 section 501(c)(3) of the Internal Revenue Code.

9 “(7) The transferee shall claim the credit in accordance with the credit provisions for the
10 tax years in which the credit is allowed.

11 “(8) The department by rule may establish policies and procedures for the implementa-
12 tion of this section.

13 “SECTION 3. (1) For any tax credit that is allowed under this chapter or ORS chapter
14 316 or 317 and for which certification, determination of eligibility or other approval from an
15 agency other than the Department of Revenue is required and was issued on or after January
16 1, 2019, the department may require that the other agency provide information about the
17 certification, determination of eligibility or other approval, including the name and taxpayer
18 identification number of the taxpayer or other person receiving approval, the date the ap-
19 proval was issued in its final form, the approved amount of credit and the first tax year for
20 which the credit may be claimed.

21 “(2) Within two months after the close of the tax year in which the approval was issued,
22 a taxpayer that is a pass-through entity that has received approval shall provide to the de-
23 partment, in the manner prescribed by the department, the name and taxpayer identification
24 number of each owner receiving a distributive share of the credit and any other information

26 “SECTION 4. (1) Under the procedures for a contested case under ORS chapter 183, the

32 “(b) The approval was obtained by mistake or miscalculation; or

33 “(c) The taxpayer otherwise violates or has violated a condition or requirement for el-

35 “(2) As soon as an order of revocation under this section becomes final, the director shall
36 notify the Department of Revenue and the person that received the tax credit certification,
37 or other approval, of the order of revocation. Upon notification, the Department of Revenue
38 immediately shall proceed to collect:

39 “(a) If no portion of a credit has been transferred, those taxes not paid by the holder of
40 the certificate or other approval as a result of the tax credits provided to the holder under

2 transferor as a result of the tax credits provided to the transferor pursuant to the revoked
3 approval, from the transferor or a successor in interest to the business interests of the
4 transferor, and an amount equal to the amount of the tax credits allowable to the transferee
5 pursuant to the revoked approval, from the transferor.

6 “(3)(a) The Department of Revenue shall have the benefit of all laws of the state per-
7 taining to the collection of income and excise taxes and may proceed to collect the amounts
8 described in subsection (2) of this section from the person that obtained approval or a suc-
9 cessor in interest to the business interests of that person. An assessment of tax is not nec-
10 cessary and the collection of taxes described in this subsection is not precluded by any statute
11 of limitations.

12 “(b) For purposes of this subsection, a lender, bankruptcy trustee or other person that
13 acquires an interest through bankruptcy or through foreclosure of a security interest is not
14 considered to be a successor in interest to the business interests of the person that obtained
15 approval.

16 “(4) If the approval is ordered revoked pursuant to this section, the holder of the certif-
17 icate or other approval shall be denied any further relief in connection with the credit from
18 and after the date that the order of revocation becomes final.

19 “(5) Notwithstanding subsections (1) to (4) of this section, a certificate or portion of a
20 certificate held by a transferee may not be considered revoked for purposes of the
21 transferee, the tax credit allowable to the transferee may not be reduced and a transferee
22 is not liable under this section.

23 “(6) Interest under this section shall accrue at the rate established in ORS 305.220 be-

39 not apply.

40 “(11) A lending institution may sell a qualified loan for which a certification has been executed
41 to a qualified assignee whether or not the lending institution retains servicing of the qualified loan

37 **“(5)** In the case of a credit allowed under this section for purposes of ORS chapter 316:

38 **“(a)** A nonresident shall be allowed the credit in the same manner and subject to the same
39 limitations as a resident. However, the credit shall be prorated using the proportion provided in ORS
40 316.117.

41 **“(b)** If a change in the tax year of a taxpayer occurs as described in ORS 314.085 or if the De-

24 “**SECTION 17.** ORS 285C.650 is amended to read:

25 “285C.650. (1) A qualified community development entity that seeks to have an equity investment
26 or long-term debt security certified as a qualified equity investment and eligible for a tax credit
27 under ORS 315.533 shall apply to the Oregon Business Development Department. The department
28 shall establish by rule application procedures for applications for certification. The entity must
29 submit an application on a form that the department provides that includes:

30 “(a) The entity’s name, address, tax identification number and evidence of the entity’s certifica-
31 tion as a qualified community development entity.

32 “(b) A copy of an allocation agreement executed by the entity, or its controlling entity, and the
33 Community Development Financial Institutions Fund that includes the State of Oregon in its service

38 “(d) A description of the proposed purchase price, structure and purchaser of the equity in-
39 vestment or long-term debt security.

40 “(e) The name and tax identification number of any person eligible to claim a tax credit, under
41 ORS 315.533, allowed as a result of the certification of the qualified equity investment.

42 “(f) Information regarding the proposed use of proceeds from the issuance of the qualified equity
43 investment.

44 “(g) A nonrefundable application fee of \$20,000. This fee shall be paid to the department and
45 shall be required for each application submitted.

1 “(2) Within 15 days after receipt of a completed application containing the information necessary
2 for the department to certify a proposed equity investment, including the payment of the application
3 fee, the department shall grant or deny the application in full or in part. If the department denies
4 any part of the application, the department shall inform the qualified community development entity
5 of the grounds for the denial. If the qualified community development entity provides any additional
6 information required by the department or otherwise completes its application within 15 days after
7 the notice of denial, the application shall be considered completed as of the original date of sub-
8 mission. If the qualified community development entity fails to provide the information or complete
9 its application within the 15-day period, the application remains denied and must be resubmitted in
10 full with a new submission date.

11 “(3) If the application is deemed complete, the department shall certify the proposed equity in-
12 vestment or long-term debt security as a qualified equity investment and eligible for a tax credit
13 under ORS 315.533, subject to the limitations in ORS 315.536. The department shall provide written
14 notice of the certification to the qualified community development entity. The notice shall include
15 the names of those taxpayers who are eligible to utilize the credits and their respective credit
16 amounts. If the names of the persons or entities that are eligible to utilize the credits change due
17 to a transfer of a qualified equity investment or a change in an allocation pursuant to ORS 315.536,
18 the qualified community development entity shall notify the department of **the transfer of** the
19 change **as provided in section 2 (2) and (3) of this 2019 Act.**

20 “(4)(a) Except as provided in paragraph (b) of this subsection, within 60 days after receiving
21 notice of certification, a qualified community development entity shall issue the qualified equity in-
22 vestment and receive cash in the amount of the certified purchase price. The qualified community
23 development entity must provide the department with evidence of the receipt of the cash investment
24 within 10 business days after receipt.

25 “(b) For a qualified equity investment described in ORS 285C.653 (2), a qualified community de-
26 velopment entity shall issue the qualified equity investment during the period beginning July 1, 2012,
27 and ending 60 days after receiving notice of certification. If the qualified equity investment is issued
28 prior to the submission of an application for certification under this section, the qualified community
29 development entity must provide the department with evidence of the qualified equity investment
30 and of receipt of the cash investment at the time of application for certification.

31 “(c) If a qualified community development entity does not receive the cash investment and issue
32 the qualified equity investment on or before the 60th day following receipt of the certification no-
33 tice, the certification shall lapse and the entity may not issue the qualified equity investment with-
34 out reapplying to the department for certification. A certification that lapses reverts to the
35 department and may be reissued only in accordance with the application process outlined in this
36 section.

37 “(5) The department shall certify qualified equity investments in the order applications are re-
38 ceived by the department. Applications received on the same day shall be deemed to have been re-
39 ceived simultaneously. For applications received on the same day and deemed complete, the
40 department shall certify, consistent with remaining tax credit capacity, qualified equity investments
41 in proportionate percentages based upon the ratio of the amount of qualified equity investment re-
42 quested in an application to the total amount of qualified equity investments requested in all appli-
43 cations received on the same day. If a pending request cannot be fully certified because of the
44 limitation in ORS 285C.653, the department shall certify the portion that may be certified unless the
45 qualified community development entity elects to withdraw its request rather than receive partial

1 credit.

2 “(6) A qualified community development entity that is certified under this section shall pay an
3 annual evaluation fee of \$1,000 to the department.

4 “(7) The department shall establish by rule procedures to administer the provisions of this sec-
5 tion, including the allocation of tax credits issued for qualified equity investments.

6 “(8) **The Oregon Business Development Department shall provide information to the De-**
7 **partment of Revenue about all certifications issued under this section, if required by section**
8 **3 of this 2019 Act.**

9 “**SECTION 18.** ORS 285C.656 is amended to read:

10 “285C.656. (1) **The Director of the Oregon Business Development Department may order**
11 **the suspension or revocation of a certificate or a portion of a certificate issued under ORS**
12 **315.533, as provided in section 4 of this 2019 Act.**

13 “[1] (2) The Department of Revenue may recapture any portion of a tax credit allowed under
14 ORS 315.533 if:

15 “(a) Any amount of federal tax credit that might be available with respect to the qualified equity
16 investment that generated the tax credit under ORS 315.533 is recaptured under section 45D of the
17 Internal Revenue Code. The department’s recapture shall be proportionate to the federal recapture
18 with respect to the qualified equity investment.

19 “(b) The qualified community development entity redeems or makes a principal repayment with
20 respect to the qualified equity investment that generated the tax credit prior to the final credit al-
21 lowance date of the qualified equity investment. The department’s recapture shall be proportionate
22 to the amount of the redemption or repayment with respect to the qualified equity investment.

23 “(c) The qualified community development entity fails to invest at least 85 percent of the pur-
24 chase price of the qualified equity investment in qualified low-income community investments within
25 12 months of the issuance of the qualified equity investment and maintain the same level of invest-
26 ment in qualified low-income community investments until the last credit allowance date for the
27 qualified equity investment. For purposes of calculating the amount of qualified low-income commu-
28 nity investments held by a qualified community development entity, an investment shall be consid-
29 ered held by the entity even if the investment has been sold or repaid provided that the entity
30 reinvests an amount equal to the capital returned to or recovered from the original investment, ex-
31 clusive of any profits realized, in another qualified active low-income community business in this
32 state within 12 months of the receipt of the capital. A qualified community development entity may
33 not be required to reinvest capital returned from qualified low-income community investments after
34 the sixth anniversary of the issuance of the qualified equity investment, the proceeds of which were
35 used to make the qualified low-income community investment, and the qualified low-income commu-
36 nity investment shall be considered held by the issuer through the qualified equity investment’s final
37 credit allowance date.

38 “[2] (3) The department shall provide notice to the qualified community development entity of
39 any proposed recapture of tax credits pursuant to **subsection (2) of** this section. The entity shall
40 have 90 days to cure any deficiency indicated in the department’s original recapture notice and
41 avoid the recapture. If the entity fails or is unable to cure the deficiency within the 90-day period,
42 the department shall provide the entity and the taxpayer from whom the credit is to be
43 [recaptured] **collected** with a final order of recapture. Any tax credit for which a final recapture
44 order has been issued shall be recaptured by the department from the taxpayer who claimed the tax
45 credit on a tax return.

1 “**SECTION 19.** ORS 315.138 is amended to read:

2 “315.138. (1) There shall be allowed a credit against tax due under ORS chapter 316, or if the
3 taxpayer is a corporation, under ORS chapter 317, for taxpayers that install screening devices, by-
4 pass devices or fishways, pursuant to ORS 498.306 or 509.585, and the diversion is not part of a
5 hydroelectric project required to be licensed under the Federal Energy Regulatory Commission.
6 Except as allowed in subsection (4) of this section, the credit shall be taken in the tax year in which
7 the final certification is issued under subsection (10) of this section.

8 “(2) The credit shall be equal to 50 percent of the taxpayer’s net certified costs of installing a
9 screening device, by-pass device or fishway. The total credit allowed [*shall*] **may** not exceed \$5,000
10 per device installed.

11 “(3) The credit allowed in any one year [*shall*] **may** not exceed the tax liability of the taxpayer.

12 “(4) Any tax credit otherwise allowable under this section which is not used by the taxpayer in
13 a particular tax year may be carried forward and offset against the taxpayer’s tax liability for the
14 next succeeding tax year. Any credit remaining unused in such next succeeding tax year may be
15 carried forward and used in the second succeeding tax year. Any credit remaining unused in such
16 second succeeding tax year may be carried forward and used in the third succeeding tax year. Any
17 credit remaining unused in such third succeeding tax year may be carried forward and used in the
18 fourth succeeding tax year. Any credit remaining unused in such fourth succeeding tax year may
19 be carried forward and used in the fifth succeeding tax year, but may not be used in any tax year
20 thereafter.

21 “(5) The credit provided by this section shall be in addition to and not in lieu of any depreci-
22 ation or amortization deduction to which the taxpayer otherwise may be entitled with respect to the
23 installation of a screening device, by-pass device or fishway. The taxpayer’s adjusted basis for de-

25 section.

26 “(6) In the case of a credit allowed under this section for purposes of ORS chapter 316:

27 “(a) A nonresident shall be allowed the credit in the same manner and subject to the same
28 limitations as a resident. However, the credit shall be prorated using the proportion provided in ORS
29 316.117.

30 “(b) If a change in the [*taxable*] **tax** year of a taxpayer occurs as described in ORS 314.085, or
31 if the Department of Revenue terminates the taxpayer’s [*taxable*] **tax** year under ORS 314.440, the
32 credit allowed by this section shall be prorated or computed in a manner consistent with ORS
33 314.085.

34 “(c) If a change in the status of a taxpayer from resident to nonresident or from nonresident to
35 resident occurs, the credit allowed by this section shall be determined in a manner consistent with
36 ORS 316.117.

37 “(7) To qualify for the credit the taxpayer must be issued a certificate by the State Department
38 of Fish and Wildlife.

39 “(8) To obtain credit under subsection (1) of this section, any person proposing to apply for
40 certification of a screening device, by-pass device or fishway, before installing the screening device,
41 by-pass device or fishway, shall file a request for preliminary certification with the State Depart-
42 ment of Fish and Wildlife. The request shall be in a form prescribed by the State Department of Fish
43 and Wildlife. The following conditions shall apply:

44 “(a) Within 30 days of the receipt of a request for preliminary certification, the State Depart-
45 ment of Fish and Wildlife may require, as a condition precedent to issuance of a preliminary certif-

1 icate of approval, the submission of plans and specifications. After examination thereof, the State
2 Department of Fish and Wildlife may request corrections and revisions to the plans and specifica-
3 tions. The State Department of Fish and Wildlife may also require any pertinent information neces-
4 sary to determine whether the proposed screening device, by-pass device or fishway is in accordance
5 with State Department of Fish and Wildlife requirements.

6 “(b) If the State Department of Fish and Wildlife determines that the proposed screening device,
7 by-pass device or fishway is in accordance with State Department of Fish and Wildlife requirements,
8 it shall issue a preliminary certificate approving the screening device, by-pass device or fishway. If
9 the State Department of Fish and Wildlife determines that the screening device, by-pass device or
10 fishway does not comply with State Department of Fish and Wildlife requirements, the State De-
11 partment of Fish and Wildlife shall issue an order denying certification.

12 “(c) If within 90 days of the receipt of plans, specifications or any subsequently requested re-
13 visions or corrections to the plans and specifications or any other information required pursuant to
14 this section, the State Department of Fish and Wildlife fails to issue a preliminary certificate of
15 approval and the State Department of Fish and Wildlife fails to issue an order denying certification,
16 the preliminary certificate shall be considered to have been issued. The capital investment must
17 comply with the plans, specifications and any corrections or revisions thereto, if any, previously
18 submitted.

19 “(d) Within 30 days from the date of mailing of the order, any person against whom an order is
20 directed pursuant to paragraph (b) of this subsection may demand a hearing. The demand shall be
21 in writing, shall state the grounds for hearing and shall be mailed to the State Fish and Wildlife
22 Director. The hearing shall be conducted in accordance with the applicable provisions of ORS
23 chapter 183.

24 “(9) A screening device, by-pass device or fishway that is installed by the State Department of
25 Fish and Wildlife pursuant to ORS 498.306 (8) in response to noncompliance by the person respon-
26 sible for the water diversion is not eligible for the credit provided in subsection (1) of this section.

27 “(10) Upon completion and pursuant to application for final certification, final certification shall
28 be issued by the State Department of Fish and Wildlife if the screening device, by-pass device or
29 fishway was constructed and installed in accordance with State Department of Fish and Wildlife
30 requirements. Final certification shall include a statement of the costs of installation as verified by
31 the State Department of Fish and Wildlife. The credit allowed under this section shall be claimed
32 first for the tax year of the taxpayer in which final certification is issued.
