House Bill 2190

Introduced and printed pursuant to House Rule 12.00. Presession filed (at the request of House Interim Committee on Health Care)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

A BILL FOR AN ACT

Relating to eye care; creating new provisions; amending ORS 683.010 and 683.180; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Section 2 of this 2019 Act is added to and made a part of ORS 683.010 to 683.310.

SECTION 2. (1) As used in this section:

(a) “Eye examination” means an assessment of a patient's ocular health and visual status, including but not limited to objective refractive data or information generated by an automated testing device, such as an autorefractor, that is used to establish a medical diagnosis or to determine a refractive error.

(b) “Telemedicine” means the use of electronic and telecommunication technologies, including self-administered technology, used to deliver ocular health care to a patient.

(2) A licensed optometrist may engage in the practice of telemedicine if:

(a) The licensed optometrist has an established patient-provider relationship with the patient that includes an in-person eye examination prior to engaging in the practice of telemedicine with the patient;

(b) The licensed optometrist obtains and records the patient's medical history and previous prescription for corrective glasses or contact lenses, and records the length of time since the patient's most recent in-person eye examination;

(c) The patient is at least 18 years of age;

(d) The technology used in the practice of telemedicine complies with the Americans with Disabilities Act of 1990, 42 U.S.C. 12101 et seq., and the Health Insurance Portability and Availability Act privacy regulations, 45 C.F.R. parts 160 and 164; and

(e) The diagnostic information collected during the practice of telemedicine is reviewed by a physician licensed under ORS chapter 677 who specializes in ocular health care.

(3) Telemedicine technology may not be used for a patient's initial prescription for corrective contact lenses.

(4) The Oregon Board of Optometry, in consultation with the Oregon Medical Board, may adopt rules related to the practice of telemedicine.

SECTION 3. ORS 683.010 is amended to read:

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.

LC 2771
As used in ORS 683.010 to 683.340, unless the context requires otherwise:

(1) “Board” means the Oregon Board of Optometry.

(2) “Licensed optometrist” means an optometrist licensed under ORS 683.010 to 683.340.

(3) “Optometric nontopical formulary” means the list of nontopical pharmaceutical agents for the treatment of diseases of the human eye and the protocols for their usage adopted by the Council on Optometric Nontopical Formulary under ORS 683.240 (2).

(4) “Practice of optometry” means the use of any means other than invasive or laser surgery, or the prescription of Schedule I and II drugs or pharmaceutical agents that are not on the optometric nontopical formulary, for diagnosis and treatment in the human eye, for the measurement or assistance of the powers or range of human vision or the determination of the accommodative and refractive states of the human eye or the scope of its functions in general or the adaptation of lenses or frames for the aid thereof, subject to the limitations of ORS 683.040. “Practice of optometry” includes the prescription of Schedule II hydrocodone-combination drugs for the purposes listed in this subsection and the use of telemedicine as defined in section 2 of this 2019 Act.

(5) “Trial frames” or “test lenses” means any frame or lens used in testing the eye which is not sold and not for sale.

SECTION 4. ORS 683.180 is amended to read:

683.180. A person may not:

(1) Sell or barter, or offer to sell or barter, any license issued by the Oregon Board of Optometry.

(2) Purchase or procure by barter any such license with intent to use it as evidence of the holder’s qualification to practice optometry.

(3) Alter the license with fraudulent intent in any material regard.

(4) Use or attempt to use any such license which has been purchased, fraudulently issued, counterfeited or materially altered as a valid license.

(5) Practice optometry under a false or assumed name.

(6) Willfully make any false statement in a material regard in an application for an examination before the board or for a license.

(7) Practice optometry in this state without having at the time of so doing a valid unrevoked license as an optometrist.

(8) Advertise or represent, by displaying a sign or otherwise, to be an optometrist without having at the time of so doing a valid unrevoked license from the board.

(9) Dispense or sell an ophthalmic contact lens without having obtained a valid, unexpired prescription from the person to whom the contact lens is dispensed or sold. As used in this subsection, “ophthalmic contact lens” means a contact lens with or without refractive power, including a plano lens or a cosmetic lens.

SECTION 5. (1) Section 2 of this 2019 Act and the amendments to ORS 683.010 and 683.180 by sections 3 and 4 of this 2019 Act become operative on January 1, 2020.

(2) The Oregon Board of Optometry may take any action before the operative date specified in subsection (1) of this section that is necessary to enable the board to exercise, on and after the operative date specified in subsection (1) of this section, all of the duties, functions and powers conferred on the board by section 2 of this 2019 Act and the amendments to ORS 683.010 and 683.180 by sections 3 and 4 of this 2019 Act.

SECTION 6. This 2019 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2019 Act takes effect
on its passage.
