A BILL FOR AN ACT

Relating to emergency management; creating new provisions; and amending ORS 401.358.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) As used in this section, "emergency" has the meaning given that term in ORS 401.025.

(2) The State Fire Marshal shall develop and administer a statewide program, as described in this section, to evaluate the condition of buildings after an emergency and determine whether the buildings may be safely occupied. The program shall be known as the Oregon Safety Assessment Program (OrSAP).

(3) Under the program:

(a) The State Fire Marshal shall develop standards and procedures for training and certifying building evaluators.

(b) The State Fire Marshal shall develop standards and procedures for determining whether buildings may be safely occupied after an emergency. Standards adopted under this paragraph must align with national standards.

(c) The State Fire Marshal shall work with local governments to designate local program coordinators who are responsible for implementing the program at the local government level, including authorizing certified building evaluators to perform work on behalf of the local government.

(d) The State Fire Marshal shall implement a statewide emergency registry system for registration of local program coordinators, certified building evaluators and approved trainers. The system must allow for efficient communication of information to registered indi-
