A BILL FOR AN ACT

Relating to drugs; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. The Legislative Assembly recognizes that substance use disorders, including opioid and opiate addiction, negatively impact the residents of this state. Therefore, it is the intent of the Legislative Assembly that substance use disorders be considered as chronic illnesses for which commensurate treatment is available and provided.

SECTION 2. (1) The Department of Corrections shall study the diagnosis, treatment and continuity of care for persons in the custody of correctional facilities in this state, in particular for persons experiencing substance use disorders, including opioid and opiate addiction.

(2) A county that operates a local correctional facility as that term is defined in ORS 169.005 shall study the diagnosis, treatment and continuity of care for persons in the custody of correctional facilities in the county, in particular for persons experiencing substance use disorders, including opioid and opiate addiction. Not later than December 31, 2019, the county shall report to the department, at a minimum, findings on:

(a) Existing barriers to diagnosis, treatment and continuity of care for persons in custody;

(b) Substance use disorder treatment options for persons in custody; and

(c) Proposals for how the county will initiate and maintain diagnosis, treatment and continuity of care for persons in custody.

(3)(a) The department shall submit a report in the manner provided in ORS 192.245 based

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.

LC 633
on the study described in subsection (1) of this section and the report received under subsection (2) of this section, and shall include recommendations for legislation, to an interim committee of the Legislative Assembly related to public health not later than July 1, 2020.

(b) The report must include, at a minimum, findings on:

(A) Existing barriers to diagnosis, treatment and continuity of care for persons in custody;

(B) Substance use disorder treatment options for persons in custody; and

(C) Proposals for how the department will initiate and maintain diagnosis, treatment and continuity of care for persons in custody.

SECTION 3. Section 2 of this 2019 Act is repealed on January 2, 2021.

SECTION 4. (1) The Oregon Health Authority shall convene an advisory group to establish accreditation requirements for treatment programs for substance use disorders, including opioid and opiate addiction. The advisory group shall consist of members appointed by the authority who have experience and knowledge of treatment programs for substance use disorders.

(2) Not later than June 30, 2020, the advisory group shall provide recommendations for the requirements described in subsection (1) of this section to the authority.

SECTION 5. Section 4 of this 2019 Act is repealed on January 2, 2022.

SECTION 6. Not later than January 2, 2021, the Oregon Health Authority shall implement the accreditation requirements recommended by the advisory group under section 4 of this 2019 Act.

SECTION 7. The Health Evidence Review Commission shall study the barriers to and impacts of prohibiting public payers of health insurance, when reimbursing the cost of treating substance use disorders including opioid and opiate addiction, from requiring prior authorization of payment during the first 30 days of treatment. The commission shall submit findings and recommendations for legislation to an interim committee of the Legislative Assembly related to public health not later than December 31, 2019.

SECTION 8. Section 7 of this 2019 Act is repealed on January 2, 2020.

SECTION 9. (1) The Oregon Health Authority shall establish a pilot project for the purpose of offering treatment, including medication-assisted treatment, for substance use disorders, including opioid and opiate addiction, to pregnant persons. The pilot project may include:

(a) The use of any of the following to work with the persons described in this subsection:

(A) Peer mentors who are doulas, as that term is defined in ORS 414.667;

(B) Peer mentors; and

(C) Doulas; and

(b) Any substance use disorder treatment for a person described in this subsection that is necessary for the person's health during the first year after the infant's birth.

(2) The authority shall implement the pilot project described in this section in four counties in this state.

(3) At least twice each year, the counties in which the authority implements the pilot project shall report to each other and to the authority regarding the pilot project. The counties and the authority may jointly determine the form and content of the reporting required under this subsection.

(4) Not later than December 31 of each year, the authority shall submit, in the manner
provided in ORS 192.245, a report on the efficacy and implementation of the pilot project described in this section, and may include any recommendations for legislation, to an interim committee of the Legislative Assembly related to public health.

(5) The authority may adopt rules to carry out this section.

SECTION 10. There is appropriated to the Oregon Health Authority, out of the General Fund, the amount of $5,000,000, for the purpose of carrying out the provisions of section 9 of this 2019 Act. This appropriation is available continuously until the earlier of the date on which the amount is expended for the purpose specified in this section or January 2, 2022.

SECTION 11. Section 9 of this 2019 Act is repealed on January 2, 2022.

SECTION 12. Section 13 of this 2019 Act is added to and made a part of ORS 475.752 to 475.980.

SECTION 13. (1) As used in this section, “syringe service program” means a program that provides services including free sterile needles and syringes and safe disposal for needles and syringes.

(2) It is an affirmative defense to unlawful possession of a controlled substance under ORS 475.752 to 475.980 that the person was acting in the capacity of an employee or volunteer of a syringe service program.

SECTION 14. Section 13 of this 2019 Act applies to conduct occurring on and after the operative date of this 2019 Act.

SECTION 15. (1) Sections 1 to 14 of this 2019 Act become operative on January 1, 2020.

(2) The Department of Corrections, the Health Evidence Review Commission and the Oregon Health Authority may take any action before the operative date specified in subsection (1) of this section that is necessary to enable the department, the commission and the authority to exercise, on and after the operative date specified in subsection (1) of this section, all of the duties, functions and powers conferred on the department, the commission and the authority by sections 1 to 14 of this 2019 Act.

SECTION 16. This 2019 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2019 Act takes effect on its passage.
