AN ACT

Relating to health care practitioners; amending ORS 413.017, 413.590 and 676.410.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 413.017 is amended to read:

413.017. (1) The Oregon Health Policy Board shall establish the committees described in subsections (2) to (4) of this section.

(2)(a) The Public Health Benefit Purchasers Committee shall include individuals who purchase health care for the following:

(A) The Public Employees' Benefit Board.
(B) The Oregon Educators Benefit Board.
(C) Trustees of the Public Employees Retirement System.
(D) A city government.
(E) A county government.
(F) A special district.
(G) Any private nonprofit organization that receives the majority of its funding from the state and requests to participate on the committee.

(b) The Public Health Benefit Purchasers Committee shall:

(A) Identify and make specific recommendations to achieve uniformity across all public health benefit plan designs based on the best available clinical evidence, recognized best practices for health promotion and disease management, demonstrated cost-effectiveness and shared demographics among the enrollees within the pools covered by the benefit plans.

(B) Develop an action plan for ongoing collaboration to implement the benefit design alignment described in subparagraph (A) of this paragraph and shall leverage purchasing to achieve benefit uniformity if practicable.

(C) Continuously review and report to the Oregon Health Policy Board on the committee's progress in aligning benefits while minimizing the cost shift to individual purchasers of insurance without shifting costs to the private sector or the health insurance exchange.

(d) The Oregon Health Policy Board shall work with the Public Health Benefit Purchasers Committee to identify uniform provisions for state and local public contracts for health benefit plans that achieve maximum quality and cost outcomes. The board shall collaborate with the committee to develop steps to implement joint contract provisions. The committee shall identify a schedule for the implementation of contract changes. The process for implementation of joint contract provisions must include a review process to protect against unintended cost shifts to enrollees or agencies.
(3)(a) The Health Care Workforce Committee shall include individuals who have the collective expertise, knowledge and experience in a broad range of health professions, health care education and health care workforce development initiatives.

(b) The Health Care Workforce Committee shall coordinate efforts to recruit and educate health care professionals and retain a quality workforce to meet the demand that will be created by the expansion in health care coverage, system transformations and an increasingly diverse population.

(c) The Health Care Workforce Committee shall conduct an inventory of all grants and other state resources available for addressing the need to expand the health care workforce to meet the needs of Oregonians for health care.

(4)(a) The Health Plan Quality Metrics Committee shall include the following members appointed by the [Governor] Oregon Health Policy Board:

(A) An individual representing the Oregon Health Authority;

(B) An individual representing the Oregon Educators Benefit Board;

(C) An individual representing the Public Employees’ Benefit Board;

(D) An individual representing the Department of Consumer and Business Services;

(E) Two health care providers;

(F) One individual representing hospitals;

(G) One individual representing insurers, large employers or multiple employer welfare arrangements;

(H) Two individuals representing health care consumers;

(I) Two individuals representing coordinated care organizations;

(J) One individual with expertise in health care research;

(K) One individual with expertise in health care quality measures; and

(L) One individual with expertise in mental health and addiction services.

(b) The committee shall work collaboratively with the Oregon Educators Benefit Board, the Public Employees’ Benefit Board, the [Oregon Health] authority and the department [of Consumer and Business Services] to adopt health outcome and quality measures that are focused on specific goals and provide value to the state, employers, insurers, health care providers and consumers. The committee shall be the single body to align health outcome and quality measures used in this state with the requirements of health care data reporting to ensure that the measures and requirements are coordinated, evidence-based and focused on a long term statewide vision.

(c) The committee shall use a public process that includes an opportunity for public comment to identify health outcome and quality measures that may be applied to services provided by coordinated care organizations or paid for by health benefit plans sold through the health insurance exchange or offered by the Oregon Educators Benefit Board or the Public Employees’ Benefit Board. The [Oregon Health] authority, the department [of Consumer and Business Services], the Oregon Educators Benefit Board and the Public Employees’ Benefit Board are not required to adopt all of the health outcome and quality measures identified by the committee but may not adopt any health outcome and quality measures that are different from the measures identified by the committee. The measures must take into account the recommendations of the metrics and scoring subcommittee created in ORS 414.638 and the differences in the populations served by coordinated care organizations and by commercial insurers.

(d) In identifying health outcome and quality measures, the committee shall prioritize measures that:

(A) Utilize existing state and national health outcome and quality measures, including measures adopted by the Centers for Medicare and Medicaid Services, that have been adopted or endorsed by other state or national organizations and have a relevant state or national benchmark;

(B) Given the context in which each measure is applied, are not prone to random variations based on the size of the denominator;

(C) Utilize existing data systems, to the extent practicable, for reporting the measures to minimize redundant reporting and undue burden on the state, health benefit plans and health care providers;
(D) Can be meaningfully adopted for a minimum of three years;
(E) Use a common format in the collection of the data and facilitate the public reporting of the data; and
(F) Can be reported in a timely manner and without significant delay so that the most current and actionable data is available.

e) The committee shall evaluate on a regular and ongoing basis the health outcome and quality measures adopted under this section.

(f) The committee may convene subcommittees to focus on gaining expertise in particular areas such as data collection, health care research and mental health and substance use disorders in order to aid the committee in the development of health outcome and quality measures. A subcommittee may include stakeholders and staff from the Oregon Health authority, the Department of Human Services, the Department of Consumer and Business Services, the Early Learning Council or any other agency staff with the appropriate expertise in the issues addressed by the subcommittee.

g) This subsection does not prevent the Oregon Health authority, the Department of Consumer and Business Services, commercial insurers, the Public Employees' Benefit Board or the Oregon Educators Benefit Board from establishing programs that provide financial incentives to providers for meeting specific health outcome and quality measures adopted by the committee.

(5) Members of the committees described in subsections (2) to (4) of this section who are not members of the Oregon Health Policy Board are not entitled to compensation but shall be reimbursed from funds available to the board for actual and necessary travel and other expenses incurred by them by their attendance at committee meetings, in the manner and amount provided in ORS 292.495.

(2) An individual applying to renew a license with a health care workforce regulatory board must provide the information prescribed by the Oregon Health Authority pursuant to subsection (3) of this section to the health care workforce regulatory board. Except as provided in subsection (4) of this section, a health care workforce regulatory board may not approve an application to renew a license until the applicant provides the information.

(3) The authority shall collaborate with each health care workforce regulatory board to adopt rules establishing:

(a) The information that must be provided to a health care workforce regulatory board under subsection (2) of this section, which may include:
   (A) Demographics, including race and ethnicity.
   (B) Education and training information.
   (C) License information.
   (D) Employment information.
   (E) Primary and secondary practice information.
   (F) Anticipated changes in the practice.
   (G) Languages spoken.

(b) The manner and form of providing information under subsection (2) of this section.

(4)(a) Subject to paragraph (b) of this subsection, a health care workforce regulatory board shall report health care workforce information collected under subsection (2) of this section to the authority.

(b) Except as provided in paragraph (c) of this subsection, personally identifiable information collected under subsection (2) of this section is confidential and a health care workforce regulatory board and the authority may not release such information.

(c) A health care workforce regulatory board may release personally identifiable information collected under subsection (2) of this section to a law enforcement agency for investigative purposes or to the authority for state health planning purposes.

(5) A health care workforce regulatory board may adopt rules to perform the board’s duties under this section.

(6) In addition to renewal fees that may be imposed by a health care workforce regulatory board, the authority shall establish fees to be paid by individuals applying to renew a license with a health care workforce regulatory board. The amount of fees established under this subsection must be reasonably calculated to reimburse the actual cost of obtaining or reporting information as required by subsection (2) of this section.

(7) Using information collected under subsection (2) of this section, the authority shall create and maintain a health care workforce database. [that will] The authority shall provide data from the health care workforce database and may provide data from other relevant sources, including data related to the diversity of this state’s health care workforce, upon request to state agencies and to the Legislative Assembly. The authority may contract with a private or public entity to establish and maintain the database and to perform data analysis.
