- 36 (7) After notifying the tenant as required by subsection (3) of this section, the landlord:  
37 (a) Shall store any abandoned manufactured dwelling or floating home on the rented space and  
38 shall exercise reasonable care for the dwelling or home;  
39 (b) Shall store all other abandoned personal property of the tenant, including goods left inside  
40 a recreational vehicle, manufactured dwelling or floating home or left upon the rented space outside  
41 a recreational vehicle, dwelling or home, in a place of safekeeping and shall exercise reasonable  
42 care for the personal property, except that the landlord may:  
43 (A) Promptly dispose of rotting food; and  
44 (B) Allow an animal control agency to remove any abandoned pets or livestock. If an animal  
45 control agency will not remove the abandoned pets or livestock, the landlord shall exercise reason-

1 able care for the animals given all the circumstances, including the type and condition of the ani-  
2 mals, and may give the animals to an agency that is willing and able to care for the animals, such  
3 as a humane society or similar organization;

4 (c) Except for manufactured dwellings and floating homes, may store the abandoned personal  
5 property at the dwelling unit, move and store it elsewhere on the premises or move and store it at  
6 a commercial storage company or other place of safekeeping; and

7 (d) Is entitled to reasonable or actual storage charges and costs incidental to storage or dis-  
8 posal, including any cost of removal to a place of storage. In the case of an abandoned manufactured  
9 dwelling or floating home, the storage charge may be no greater than the monthly space rent last  
10 payable by the tenant.

11 (8) If a tenant, lienholder or owner, upon the receipt of the notice provided by subsection (3)  
12 or (4) of this section or otherwise, responds by actual notice to the landlord on or before the spec-  
13 ified date in the landlord's notice that the tenant, lienholder or owner intends to remove the per-  
14 sonal property from the premises or from the place of safekeeping, the landlord must make that  
15 personal property available for removal by the tenant, lienholder or owner by appointment at rea-  
16 sonable times during the 15 days or, in the case of a recreational vehicle, manufactured dwelling  
17 or floating home, 30 days following the date of the response, subject to subsection (18) of this sec-  
18 tion. If the personal property is considered to be abandoned pursuant to subsection (2)(a) or (b) of  
19 this section, but not pursuant to subsection (2)(c) of this section, the landlord may require payment  
20 of removal and storage charges, as provided in subsection (7)(d) of this section, prior to allowing the  
21 tenant, lienholder or owner to remove the personal property. Acceptance by a landlord of such  
22 payment does not operate to create or reinstate a tenancy or create a waiver pursuant to ORS  
23 90.412 or 90.417.

24 (9) Except as provided in subsections (18) to (20) of this section, if the tenant, lienholder or  
25 owner of a recreational vehicle, manufactured dwelling or floating home does not respond within the  
26 time provided by the landlord's notice, or the tenant, lienholder or owner does not remove the per-  
27 sonal property within the time required by subsection (8) of this section or by any date agreed to  
28 with the landlord, whichever is later, the tenant's, lienholder's or owner's personal property is con-  
29 clusively presumed to be abandoned. The tenant and any lienholder or owner that have been given  
30 notice pursuant to subsection (3) or (4) of this section shall, except with regard to the distribution  
31 of sale proceeds pursuant to subsection (13) of this section, have no further right, title or interest  
32 to the personal property and may not claim or sell the property.

33 (10) If the personal property is presumed to be abandoned under subsection (9) of this section,  
34 the landlord then may:

35 (a) Sell the personal property at a public or private sale, provided that prior to the sale of a  
36 recreational vehicle, manufactured dwelling or floating home:

37 (A) The landlord may seek to transfer ownership of record of the personal property by comply-  
38 ing with the requirements of the appropriate state agency; and

39 (B) The landlord shall:

40 (i) Place a notice in a newspaper of general circulation in the county in which the recreational  
41 vehicle, manufactured dwelling or floating home is located. The notice shall state:

42 (I) That the recreational vehicle, manufactured dwelling or floating home is abandoned;

43 (II) The tenant's and owner's name, if of record or actually known to the landlord;

44 (III) The address and any space number where the recreational vehicle, manufactured dwelling  
45 or floating home is located, and any plate, registration or other identification number for a recre-

1 ational vehicle or floating home noted on the certificate of title, if actually known to the landlord;

2 (IV) Whether the sale is by private bidding or public auction;

3 (V) Whether the landlord is accepting sealed bids and, if so, the last date on which bids will be  
4 accepted; and

5 (VI) The name and telephone number of the person to contact to inspect the recreational vehi-  
6 cle, manufactured dwelling or floating home;

7 (ii) At a reasonable time prior to the sale, give a copy of the notice required by sub-  
8 subparagraph (i) of this subparagraph to the tenant and to any lienholder and owner, by personal  
9 delivery or first class mail, except that for any lienholder, mail service must be by first class mail  
10 with certificate of mailing;

11 (iii) Obtain an affidavit of publication from the newspaper to show that the notice required un-  
12 der sub-subparagraph (i) of this subparagraph ran in the newspaper at least one day in each of two  
13 consecutive weeks prior to the date scheduled for the sale or the last date bids will be accepted;  
14 and

15 (iv) Obtain written proof from the county that all property taxes and assessments on the manu-  
16 factured dwelling or floating home have been paid or, if not paid, that the county has authorized the  
17 sale, with the sale proceeds to be distributed pursuant to subsection (13) of this section;

18 (b) Destroy or otherwise dispose of the personal property if the landlord determines that:

19 (A) For a manufactured dwelling or floating home, the current market value of the property is  
20 \$8,000 or less as determined by the county assessor; or

21 (B) For all other personal property, the reasonable current fair market value is \$1,000 or less  
22 or so low that the cost of storage and conducting a public sale probably exceeds the amount that  
23 would be realized from the sale; or

24 (c) Consistent with paragraphs (a) and (b) of this subsection, sell certain items and destroy or  
25 otherwise dispose of the remaining personal property.

26 (11)(a) A public or private sale authorized by this section must:

27 (A) For a recreational vehicle, manufactured dwelling or floating home, be conducted consistent  
28 with the terms listed in subsection (10)(a)(B)(i) of this section. Every aspect of the sale including the  
29 method, manner, time, place and terms must be commercially reasonable; or

30 (B) For all other personal property, be conducted under the provisions of ORS 79.0610.

31 (b) If there is no buyer at a sale of a manufactured dwelling or floating home, the personal  
32 property is considered to be worth \$8,000 or less, regardless of current market value, and the land-  
33 lord shall destroy or otherwise dispose of the personal property.

34 (12) Notwithstanding ORS 446.155 (1) and (2), unless a landlord intentionally misrepresents the  
35 condition of a manufactured dwelling or floating home, the landlord is not liable for the condition  
36 of the dwelling or home to:

37 (a) A buyer of the dwelling or home at a sale pursuant to subsection (10)(a) of this section, with  
38 or without consideration; or

39 (b) A person or nonprofit organization to whom the landlord gives the dwelling or home pursu-  
40 ant to subsection (1)(b), (10)(b) or (11)(b) of this section.

41 (13)(a) The landlord may deduct from the proceeds of the sale:

42 (A) The reasonable or actual cost of notice, storage and sale; and

43 (B) Unpaid rent.

44 (b) If the sale was of a manufactured dwelling or floating home, after deducting the amounts  
45 listed in paragraph (a) of this subsection, the landlord shall remit the remaining proceeds, if any, to

1 the county tax collector to the extent of any unpaid property taxes and assessments owed on the  
2 dwelling or home.

3 (c) If the sale was of a recreational vehicle, manufactured dwelling or floating home, after de-  
4 ducting the amounts listed in paragraphs (a) and (b) of this subsection, if applicable, the landlord  
5 shall remit the remaining proceeds, if any, to any lienholder to the extent of any unpaid balance  
6 owed on the lien on the recreational vehicle, dwelling or home.

7 (d) After deducting the amounts listed in paragraphs (a), (b) and (c) of this subsection, if appli-  
8 cable, the landlord shall remit to the tenant or owner the remaining proceeds, if any, together with  
9 an itemized accounting.

10 (e) If the tenant or owner cannot after due diligence be found, the landlord shall deposit the  
11 remaining proceeds with the county treasurer of the county in which the sale occurred. If not  
12 claimed within three years, the deposited proceeds revert to the general fund of the county and are  
13 available for general purposes.

14 (14) The county tax collector shall cancel all unpaid property taxes and assessments owed on  
15 a manufactured dwelling or floating home, as provided under ORS 311.790, only under one of the  
16 following circumstances:

17 (a) The landlord disposes of the manufactured dwelling or floating home after a determination  
18 described in subsection (10)(b) of this section.

19 (b) There is no buyer of the manufactured dwelling or floating home at a sale described under  
20 subsection (11) of this section.

21 (c)(A) There is a buyer of the manufactured dwelling or floating home at a sale described under  
22 subsection (11) of this section;

23 (B) The current market value of the manufactured dwelling or floating home is \$8,000 or less;  
24 and

25 (C) The proceeds of the sale are insufficient to satisfy the unpaid property taxes and assessments  
26 owed on the dwelling or home after distribution of the proceeds pursuant to subsection (13) of this  
27 section.

28 (d)(A) The landlord buys the manufactured dwelling or floating home at a sale described under  
29 subsection (11) of this section;

30 (B) The current market value of the manufactured dwelling or floating home is more than \$8,000;

31 (C) The proceeds of the sale are insufficient to satisfy the unpaid property taxes and assessments  
32 owed on the manufactured dwelling or floating home after distribution of the proceeds pursuant to  
33 subsection (13) of this section; and

34 (D) The landlord disposes of the manufactured dwelling or floating home.

35 (15) The landlord is not responsible for any loss to the tenant, lienholder or owner resulting  
36 from storage of personal property in compliance with this section unless the loss was caused by the  
37 landlord's deliberate or negligent act. In the event of a deliberate and malicious violation, the  
38 landlord is liable for twice the actual damages sustained by the tenant, lienholder or owner.

39 (16) Complete compliance in good faith with this section shall constitute a complete defense in  
40 any action brought by a tenant, lienholder or owner against a landlord for loss or damage to such  
41 personal property disposed of pursuant to this section.

42 (17) If a landlord does not comply with this section:

43 (a) The tenant is relieved of any liability for damage to the premises caused by conduct that  
44 was not deliberate, intentional or grossly negligent and for unpaid rent and may recover from the  
45 landlord up to twice the actual damages sustained by the tenant;

1 (b) A lienholder or owner aggrieved by the noncompliance may recover from the landlord the  
2 actual damages sustained by the lienholder or owner. ORS 90.255 does not authorize an award of  
3 attorney fees to the prevailing party in any action arising under this paragraph; and

4 (c) A county tax collector aggrieved by the noncompliance may recover from the landlord the  
5 actual damages sustained by the tax collector, if the noncompliance is part of an effort by the  
6 landlord to defraud the tax collector. ORS 90.255 does not authorize an award of attorney fees to  
7 the prevailing party in any action arising under this paragraph.

8 (18) In the case of an abandoned recreational vehicle, manufactured dwelling or floating home,  
9 the provisions of this section regarding the rights and responsibilities of a tenant to the abandoned  
10 vehicle, dwelling or home also apply to any lienholder except that the lienholder may not sell or  
11 remove the vehicle, dwelling or home unless:

12 (a) The lienholder has foreclosed its lien on the recreational vehicle, manufactured dwelling or  
13 floating home;

14 (b) The tenant or a personal representative or designated person described in subsection (20)  
15 of this section has waived all rights under this section pursuant to subsection (26) of this section;  
16 or

17 (c) The notice and response periods provided by subsections (6) and (8) of this section have ex-  
18 pired.

19 (19)(a) In the case of an abandoned manufactured dwelling or floating home but not including  
20 a dwelling or home abandoned following a termination pursuant to ORS 90.429 and except as pro-  
21 vided by subsection (20)(d) and (e) of this section, if a lienholder makes a timely response to a notice  
22 of abandoned personal property pursuant to subsections (6) and (8) of this section and so requests,  
23 a landlord shall enter into a written storage agreement with the lienholder providing that the  
24 dwelling or home may not be sold or disposed of by the landlord for up to 12 months. A storage  
25 agreement entitles the lienholder to store the personal property on the previously rented space  
26 during the term of the agreement, but does not entitle anyone to occupy the personal property.

27 (b) The lienholder's right to a storage agreement arises upon the failure of the tenant, owner  
28 or, in the case of a deceased tenant, the personal representative, designated person, heir or devisee  
29 to remove or sell the dwelling or home within the allotted time.

30 (c) To exercise the right to a storage agreement under this subsection, in addition to contacting  
31 the landlord with a timely response as described in paragraph (a) of this subsection, the lienholder  
32 must enter into the proposed storage agreement within 60 days after the landlord gives a copy of  
33 the agreement to the lienholder. The landlord shall give a copy of the proposed storage agreement  
34 to the lienholder in the same manner as provided by subsection (4)(b) of this section. The landlord  
35 may include a copy of the proposed storage agreement with the notice of abandoned property re-  
36 quired by subsection (4) of this section. A lienholder enters into a storage agreement by signing a  
37 copy of the agreement provided by the landlord and personally delivering or mailing the signed copy  
38 to the landlord within the 60-day period.

39 (d) The storage agreement may require, in addition to other provisions agreed to by the landlord  
40 and the lienholder, that:

41 (A) The lienholder make timely periodic payment of all storage charges, as described in sub-  
42 section (7)(d) of this section, accruing from the commencement of the 45-day period described in  
43 subsection (6) of this section. A storage charge may include a utility or service charge, as described  
44 in ORS 90.532, if limited to charges for electricity, water, sewer service and natural gas and if in-  
45cidental to the storage of personal property. A storage charge may not be due more frequently than

1 monthly;

2 (B) The lienholder pay a late charge or fee for failure to pay a storage charge by the date re-  
3 quired in the agreement, if the amount of the late charge is no greater than for late charges de-  
4 scribed in the rental agreement between the landlord and the tenant; and

5 (C) The lienholder maintain the personal property and the space on which the personal property  
6 is stored in a manner consistent with the rights and obligations described in the rental agreement  
7 between the landlord and the tenant.

8 (e) During the term of an agreement described under this subsection, the lienholder has the right  
9 to remove or sell the property, subject to the provisions of the lien. Selling the property includes a  
10 sale to a purchaser who wishes to leave the dwelling or home on the rented space and become a  
11 tenant, subject to any conditions previously agreed to by the landlord and tenant regarding the  
12 landlord's approval of a purchaser or, if there was no such agreement, any reasonable conditions  
13 by the landlord regarding approval of any purchaser who wishes to leave the dwelling or home on  
14 the rented space and become a tenant. The landlord also may condition approval for occupancy of  
15 any purchaser of the property upon payment of all unpaid storage charges and maintenance costs.

16 (f)(A) If the lienholder violates the storage agreement, the landlord may terminate the agreement  
17 by giving at least 90 days' written notice to the lienholder stating facts sufficient to notify the  
18 lienholder of the reason for the termination. Unless the lienholder corrects the violation within the  
19 notice period, the agreement terminates as provided and the landlord may sell or dispose of the  
20 dwelling or home without further notice to the lienholder.

21 (B) After a landlord gives a termination notice pursuant to subparagraph (A) of this paragraph  
22 for failure of the lienholder to pay a storage charge and the lienholder corrects the violation, if the  
23 lienholder again violates the storage agreement by failing to pay a subsequent storage charge, the  
24 landlord may terminate the agreement by giving at least 30 days' written notice to the lienholder  
25 stating facts sufficient to notify the lienholder of the reason for termination. Unless the lienholder  
26 corrects the violation within the notice period, the agreement terminates as provided and the land-  
27 lord may sell or dispose of the property without further notice to the lienholder.

28 (C) A lienholder may terminate a storage agreement at any time upon at least 14 days' written  
29 notice to the landlord and may remove the property from the rented space if the lienholder has paid  
30 all storage charges and other charges as provided in the agreement.

31 (g) Upon the failure of a lienholder to enter into a storage agreement as provided by this sub-  
32 section or upon termination of an agreement, unless the parties otherwise agree or the lienholder  
33 has sold or removed the manufactured dwelling or floating home, the landlord may sell or dispose  
34 of the property pursuant to this section without further notice to the lienholder.

35 (20) If the personal property is a manufactured dwelling or floating home and is considered  
36 abandoned as a result of the death of a tenant who was the only tenant and who owned the dwelling  
37 or home, this section applies, except as follows:

38 (a) The following persons have the same rights and responsibilities regarding the abandoned  
39 dwelling or home as a tenant:

40 (A) Any personal representative named in a will or appointed by a court to act for the deceased  
41 tenant.

42 (B) Any person designated in writing by the tenant to be contacted by the landlord in the event  
43 of the tenant's death.

44 (b) The notice required by subsection (3) of this section must be:

45 (A) Sent by first class mail to the deceased tenant at the premises; and

1 (B) Personally delivered or sent by first class mail to any personal representative or designated  
2 person, if actually known to the landlord.

3 (c) The notice described in subsection (5) of this section must refer to any personal represen-  
4 tative or designated person, instead of the deceased tenant, and must incorporate the provisions of  
5 this subsection.

6 (d) If a personal representative, designated person or other person entitled to possession of the  
7 property, such as an heir or devisee, responds by actual notice to a landlord within the 45-day period  
8 provided by subsection (6) of this section and so requests, the landlord shall enter into a written  
9 storage agreement with the representative or person providing that the dwelling or home may not  
10 be sold or disposed of by the landlord for up to 90 days or until conclusion of any probate pro-  
11 ceedings, whichever is later. A storage agreement entitles the representative or person to store the  
12 personal property on the previously rented space during the term of the agreement, but does not  
13 entitle anyone to occupy the personal property. If such an agreement is entered, the landlord may  
14 not enter a similar agreement with a lienholder pursuant to subsection (19) of this section until the  
15 agreement with the personal representative or designated person ends.

16 (e) If a personal representative or other person requests that a landlord enter into a storage  
17 agreement, subsection (19)(c), (d) and (f)(C) of this section applies, with the representative or person  
18 having the rights and responsibilities of a lienholder with regard to the storage agreement.

19 (f) During the term of an agreement described under paragraph (d) of this subsection, the rep-  
20 resentative or person has the right to remove or sell the dwelling or home, including a sale to a  
21 purchaser or a transfer to an heir or devisee where the purchaser, heir or devisee wishes to leave  
22 the dwelling or home on the rented space and become a tenant, subject to any conditions previously  
23 agreed to by the landlord and tenant regarding the landlord's approval for occupancy of a purchaser,  
24 heir or devisee or, if there was no such agreement, any reasonable conditions by the landlord re-  
25 garding approval for occupancy of any purchaser, heir or devisee who wishes to leave the dwelling  
26 or home on the rented space and become a tenant. The landlord also may condition approval for  
27 occupancy of any purchaser, heir or devisee of the dwelling or home upon payment of all unpaid  
28 storage charges and maintenance costs.

29 (g) If the representative or person violates the storage agreement, the landlord may terminate  
30 the agreement by giving at least 30 days' written notice to the representative or person stating facts  
31 sufficient to notify the representative or person of the reason for the termination. Unless the rep-  
32 resentative or person corrects the violation within the notice period, the agreement terminates as  
33 provided and the landlord may sell or dispose of the dwelling or home without further notice to the  
34 representative or person.

35 (h) Upon the failure of a representative or person to enter into a storage agreement as provided  
36 by this subsection or upon termination of an agreement, unless the parties otherwise agree or the  
37 representative or person has sold or removed the manufactured dwelling or floating home, the  
38 landlord may sell or dispose of the property pursuant to this section without further notice to the  
39 representative or person.

40 (21) If the personal property is other than a manufactured dwelling or floating home and is  
41 considered abandoned as a result of the death of a tenant who was the only tenant and who owned  
42 the personal property, this section applies except as follows:

43 (a) The following persons have the same rights and responsibilities regarding the abandoned  
44 personal property as a tenant:

45 (A) An heir or devisee.

1 (B) Any personal representative named in a will or appointed by a court to act for the deceased  
2 tenant.

3 (C) Any person designated in writing by the tenant to be contacted by the landlord in the event  
4 of the tenant's death.

5 (b) The notice required by subsection (3) of this section must be:

6 (A) Sent by first class mail to the deceased tenant at the premises;

7 (B) Personally delivered or sent by first class mail to any heir, devisee, personal representative  
8 or designated person, if actually known to the landlord; and

9 (C) Sent by first class mail to the attention of an estate administrator of the Department of State  
10 Lands.

11 (c) The notice described in subsection (5) of this section must refer to the heir, devisee, personal  
12 representative, designated person or estate administrator of the department, instead of the deceased  
13 tenant, and must incorporate the provisions of this subsection.

14 (d) The landlord shall allow a person that is an heir, devisee or personal representative of the  
15 tenant, or an estate administrator of the department, to remove the personal property if the person  
16 contacts the landlord within the period provided by subsection (6) of this section, complies with the  
17 requirements of this section and provides the landlord with reasonable evidence that the person is  
18 an heir, devisee or personal representative, or an estate administrator of the department.

19 (e) If neither an heir, devisee nor personal representative of the tenant, nor an estate adminis-  
20 trator of the department, contacts the landlord within the time period provided by subsection (6) of  
21 this section, the landlord shall allow removal of the personal property by the designated person of  
22 the tenant, if the designated person contacts the landlord within that period and complies with the  
23 requirements of this section and provides the landlord with reasonable evidence that the person is  
24 the designated person.

25 (f) A landlord who allows removal of personal property under this subsection is not liable to  
26 another person that has a claim or interest in the personal property.

27 (22) If a governmental agency determines that the condition of a manufactured dwelling, floating  
28 home or recreational vehicle abandoned under this section constitutes an extreme health or safety  
29 hazard under state or local law and the agency determines that the hazard endangers others in the  
30 immediate vicinity and requires quick removal of the property, the landlord may sell or dispose of  
31 the property pursuant to this subsection. The landlord shall comply with all provisions of this sec-  
32 tion, except as follows:

33 (a) The date provided in subsection (6) of this section by which a tenant, lienholder, owner,  
34 personal representative or designated person must contact a landlord to arrange for the disposition  
35 of the property must be not less than 15 days after personal delivery or mailing of the notice re-  
36 quired by subsection (3) of this section.

37 (b) The date provided in subsections (8) and (9) of this section by which a tenant, lienholder,  
38 owner, personal representative or designated person must remove the property must be not less than  
39 seven days after the tenant, lienholder, owner, personal representative or designated person contacts  
40 the landlord.

41 (c) The notice required by subsection (3) of this section must be as provided in subsection (5)  
42 of this section, except that:

43 (A) The dates and deadlines in the notice for contacting the landlord and removing the property  
44 must be consistent with this subsection;

45 (B) The notice must state that a governmental agency has determined that the property consti-

1 tutes an extreme health or safety hazard and must be removed quickly; and

2 (C) The landlord shall attach a copy of the agency's determination to the notice.

3 (d) If the tenant, a lienholder, owner, personal representative or designated person does not re-  
4 move the property within the time allowed, the landlord or a buyer at a sale by the landlord under  
5 subsection (11) of this section shall promptly remove the property from the facility.

6 (e) A landlord is not required to enter into a storage agreement with a lienholder, owner, per-  
7 sonal representative or designated person pursuant to subsection (19) of this section.

8 (23)(a) If an official or agency referred to in ORS 453.876 notifies the landlord that the official  
9 or agency has determined that all or part of the premises is unfit for use as a result of the presence  
10 of an illegal drug manufacturing site involving methamphetamine, and the landlord complies with  
11 this subsection, the landlord is not required to comply with subsections (1) to (22) and (24) to (27)  
12 of this section with regard to personal property left on the portion of the premises that the official  
13 or agency has determined to be unfit for use.

14 (b) Upon receiving notice from an official or agency determining the premises to be unfit for use,  
15 the landlord shall promptly give written notice to the tenant as provided in subsection (3) of this  
16 section. The landlord shall also attach a copy of the notice in a secure manner to the main entrance  
17 of the dwelling unit. The notice to the tenant shall include a copy of the official's or agency's notice  
18 and state:

19 (A) That the premises, or a portion of the premises, has been determined by an official or agency  
20 to be unfit for use due to contamination from the manufacture of methamphetamine and that as a  
21 result subsections (1) to (22) and (24) to (27) of this section do not apply to personal property left  
22 on any portion of the premises determined to be unfit for use;

23 (B) That the landlord has hired, or will hire, a contractor to assess the level of contamination  
24 of the site and to decontaminate the site;

25 (C) That upon hiring the contractor, the landlord will provide to the tenant the name, address  
26 and telephone number of the contractor; and

27 (D) That the tenant may contact the contractor to determine whether any of the tenant's per-  
28 sonal property may be removed from the premises or may be decontaminated at the tenant's expense  
29 and then removed.

4 of all new installations made during the preceding month of containers or receptacles for liquefied  
5 petroleum gas, including installations for private homes and apartments. The installer shall certify  
6 on a form provided by the State Fire Marshal that all of the new installations are duly and properly  
7 reported. The State Fire Marshal may require that the notification include the location and de-  
8 scription of the installation and the name of the user. All fees due and payable must accompany the  
9 notification. The replacement of empty containers or receptacles with other containers constructed  
10 in accordance with United States Department of Transportation specifications is not a new instal-  
11 lation or change in the original installation that requires notification to the State Fire Marshal or  
12 necessitates further inspection of the installation. The State Fire Marshal shall collect from the in-  
13 staller an installation fee of \$50 for each tank installed or for all tanks at the installation if the total  
14 combined capacity is 200 gallons or less. The State Fire Marshal or deputies of the fire marshal or  
15 assistants shall inspect a reasonable number of the installations and maintain a record of the in-  
16 spections in the office of the State Fire Marshal.

17 (2) In addition to any installation or inspection fee, the State Fire Marshal may charge a plan  
18 review fee, not to exceed \$100, for any liquefied petroleum gas container and receptacle plan review  
19 required under a uniform fire code prescribed by the State Fire Marshal by rule.

20 (3) After the initial installation, liquefied petroleum gas containers may be inspected once every  
21 10 years except when changes have been made in the original installation. An installer making  
22 changes must notify the State Fire Marshal of the changes in the same manner provided in this  
23 section for new installations. The State Fire Marshal shall collect from the owner a fee of \$50 for  
24 the inspection of each container. The manner of inspection, requirement of corrections, satisfaction  
25 of requirements and collection of fees due and payable must conform with the provisions of ORS  
26 480.410 to 480.460 for new installations. Upon request of the State Fire Marshal, LP gas installation  
27 licensees shall furnish a list of the locations of 10-year old installations that they service.

28 (4) If, upon inspection of any tank, the new installation does not comply with the requirements  
29 of the State Fire Marshal, the State Fire Marshal shall instruct the installer as to what corrections  
30 are necessary for compliance with the State Fire Marshal's requirements. The installer of the new  
31 installation shall, within the time set by the State Fire Marshal, not to exceed 60 days after notifi-  
32 cation, notify the State Fire Marshal that the new installation complies with the requirements of the  
33 fire marshal. If the installer fails to notify the State Fire Marshal, or the State Fire Marshal has  
34 reason to believe that the corrections have not been made, the State Fire Marshal shall reinspect  
35 the new installation and shall collect from the installer an additional fee of \$125. The user, not the  
36 installer, shall pay the additional fee resulting from actions of the user that require correction to  
37 achieve compliance with the requirements of the State Fire Marshal.

38 (5) A person who receives notice from the State Fire Marshal must correct any improper in-  
39 stallation within the time set by the State Fire Marshal, not to exceed 60 days after receipt of the  
40 notice.

41 (6) If the fees provided for in this section are due and payable and are not paid within 30 days  
42 after service of written notice by the State Fire Marshal therefor, or if the installer fails to notify  
43 the State Fire Marshal by the last day of the month succeeding the month a new installation is made  
44 or a change is made requiring an inspection, the fees are delinquent and a penalty equal to the  
45 greater of 10 percent of the fee amount or \$30, is imposed for the delinquency. The State Fire

1 Marshal shall collect all fees and penalties in the name of the State of Oregon in the same manner  
2 that other debts are collected.

3 (7) The provisions of this section do not apply to liquefied petroleum gas installations if made  
4 entirely within the jurisdiction of a governmental subdivision granted the exemption provided by  
5 ORS 476.030 (3) and written evidence of the licensing of the installation by the approved authority  
6 is submitted to the State Fire Marshal. The provisions of this section do not apply to LP gas in-  
7 stallations made in manufactured dwellings [*or recreational vehicles*] that are constructed or altered  
8 in accordance with applicable rules of the Department of Consumer and Business Services. **The**  
9 **provisions of this section do not apply to LP gas installations in a recreational vehicle as**
