8 owed on the manufactured dwelling or floating home after distribution of the proceeds pursuant to  
9 subsection (13) of this section; and

10 (D) The landlord disposes of the manufactured dwelling or floating home.

11 (15) The landlord is not responsible for any loss to the tenant, lienholder or owner resulting  
12 from storage of personal property in compliance with this section unless the loss was caused by the  
13 landlord's deliberate or negligent act. In the event of a deliberate and malicious violation, the  
14 landlord is liable for twice the actual damages sustained by the tenant, lienholder or owner.

15 (16) Complete compliance in good faith with this section shall constitute a complete defense in  
16 any action brought by a tenant, lienholder or owner against a landlord for loss or damage to such  
17 personal property disposed of pursuant to this section.

18 (17) If a landlord does not comply with this section:

19 (a) The tenant is relieved of any liability for damage to the premises caused by conduct that  
20 was not deliberate, intentional or grossly negligent and for unpaid rent and may recover from the  
21 landlord up to twice the actual damages sustained by the tenant;

22 (b) A lienholder or owner aggrieved by the noncompliance may recover from the landlord the  
23 actual damages sustained by the lienholder or owner. ORS 90.255 does not authorize an award of  
24 attorney fees to the prevailing party in any action arising under this paragraph; and

25 (c) A county tax collector aggrieved by the noncompliance may recover from the landlord the  
26 actual damages sustained by the tax collector, if the noncompliance is part of an effort by the  
27 landlord to defraud the tax collector. ORS 90.255 does not authorize an award of attorney fees to  
28 the prevailing party in any action arising under this paragraph.

29 (18) In the case of an abandoned recreational vehicle, manufactured dwelling or floating home,  
30 the provisions of this section regarding the rights and responsibilities of a tenant to the abandoned  
31 vehicle, dwelling or home also apply to any lienholder except that the lienholder may not sell or  
32 remove the vehicle, dwelling or home unless:

33 (a) The lienholder has foreclosed its lien on the recreational vehicle, manufactured dwelling or  
34 floating home;

35 (b) The tenant or a personal representative or designated person described in subsection (20)  
36 of this section has waived all rights under this section pursuant to subsection (26) of this section;  
37 or

38 (c) The notice and response periods provided by subsections (6) and (8) of this section have ex-  
39 pired.

40 (19)(a) In the case of an abandoned manufactured dwelling or floating home but not including  
41 a dwelling or home abandoned following a termination pursuant to ORS 90.429 and except as pro-  
42 vided by subsection (20)(d) and (e) of this section, if a lienholder makes a timely response to a notice  
43 of abandoned personal property pursuant to subsections (6) and (8) of this section and so requests,  
44 a landlord shall enter into a written storage agreement with the lienholder providing that the  
45 dwelling or home may not be sold or disposed of by the landlord for up to 12 months. A storage

1 agreement entitles the lienholder to store the personal property on the previously rented space  
2 during the term of the agreement, but does not entitle anyone to occupy the personal property.

3 (b) The lienholder's right to a storage agreement arises upon the failure of the tenant, owner  
4 or, in the case of a deceased tenant, the personal representative, designated person, heir or devisee  
5 to remove or sell the dwelling or home within the allotted time.

6 (c) To exercise the right to a storage agreement under this subsection, in addition to contacting  
7 the landlord with a timely response as described in paragraph (a) of this subsection, the lienholder  
8 must enter into the proposed storage agreement within 60 days after the landlord gives a copy of  
9 the agreement to the lienholder. The landlord shall give a copy of the proposed storage agreement  
10 to the lienholder in the same manner as provided by subsection (4)(b) of this section. The landlord  
11 may include a copy of the proposed storage agreement with the notice of abandoned property re-  
12 quired by subsection (4) of this section. A lienholder enters into a storage agreement by signing a  
13 copy of the agreement provided by the landlord and personally delivering or mailing the signed copy  
14 to the landlord within the 60-day period.

15 (d) The storage agreement may require, in addition to other provisions agreed to by the landlord  
16 and the lienholder, that:

17 (A) The lienholder make timely periodic payment of all storage charges, as described in sub-  
18 section (7)(d) of this section, accruing from the commencement of the 45-day period described in  
19 subsection (6) of this section. A storage charge may include a utility or service charge, as described  
20 in ORS 90.532, if limited to charges for electricity, water, sewer service and natural gas and if in-  
21 cidental to the storage of personal property. A storage charge may not be due more frequently than  
22 monthly;

23 (B) The lienholder pay a late charge or fee for failure to pay a storage charge by the date re-  
24 quired in the agreement, if the amount of the late charge is no greater than for late charges de-  
25 scribed in the rental agreement between the landlord and the tenant; and

26 (C) The lienholder maintain the personal property and the space on which the personal property  
27 is stored in a manner consistent with the rights and obligations described in the rental agreement  
28 between the landlord and the tenant.

29 (e) During the term of an agreement described under this subsection, the lienholder has the right  
30 to remove or sell the property, subject to the provisions of the lien. Selling the property includes a  
31 sale to a purchaser who wishes to leave the dwelling or home on the rented space and become a  
32 tenant, subject to any conditions previously agreed to by the landlord and tenant regarding the  
33 landlord's approval of a purchaser or, if there was no such agreement, any reasonable conditions  
34 by the landlord regarding approval of any purchaser who wishes to leave the dwelling or home on  
35 the rented space and become a tenant. The landlord also may condition approval for occupancy of  
36 any purchaser of the property upon payment of all unpaid storage charges and maintenance costs.

37 (f)(A) If the lienholder violates the storage agreement, the landlord may terminate the agreement  
38 by giving at least 90 days' written notice to the lienholder stating facts sufficient to notify the  
39 lienholder of the reason for the termination. Unless the lienholder corrects the violation within the  
40 notice period, the agreement terminates as provided and the landlord may sell or dispose of the  
41 dwelling or home without further notice to the lienholder.

42 (B) After a landlord gives a termination notice pursuant to subparagraph (A) of this paragraph  
43 for failure of the lienholder to pay a storage charge and the lienholder corrects the violation, if the  
44 lienholder again violates the storage agreement by failing to pay a subsequent storage charge, the  
45 landlord may terminate the agreement by giving at least 30 days' written notice to the lienholder

1 stating facts sufficient to notify the lienholder of the reason for termination. Unless the lienholder  
2 corrects the violation within the notice period, the agreement terminates as provided and the land-  
3 lord may sell or dispose of the property without further notice to the lienholder.

4 (C) A lienholder may terminate a storage agreement at any time upon at least 14 days' written  
5 notice to the landlord and may remove the property from the rented space if the lienholder has paid  
6 all storage charges and other charges as provided in the agreement.

7 (g) Upon the failure of a lienholder to enter into a storage agreement as provided by this sub-  
8 section or upon termination of an agreement, unless the parties otherwise agree or the lienholder  
9 has sold or removed the manufactured dwelling or floating home, the landlord may sell or dispose  
10 of the property pursuant to this section without further notice to the lienholder.

11 (20) If the personal property is a manufactured dwelling or floating home and is considered  
12 abandoned as a result of the death of a tenant who was the only tenant and who owned the dwelling  
13 or home, this section applies, except as follows:

14 (a) The following persons have the same rights and responsibilities regarding the abandoned  
15 dwelling or home as a tenant:

16 (A) Any personal representative named in a will or appointed by a court to act for the deceased  
17 tenant.

18 (B) Any person designated in writing by the tenant to be contacted by the landlord in the event  
19 of the tenant's death.

20 (b) The notice required by subsection (3) of this section must be:

21 (A) Sent by first class mail to the deceased tenant at the premises; and

22 (B) Personally delivered or sent by first class mail to any personal representative or designated  
23 person, if actually known to the landlord.

24 (c) The notice described in subsection (5) of this section must refer to any personal represen-  
25 tative or designated person, instead of the deceased tenant, and must incorporate the provisions of  
26 this subsection.

27 (d) If a personal representative, designated person or other person entitled to possession of the  
28 property, such as an heir or devisee, responds by actual notice to a landlord within the 45-day period  
29 provided by subsection (6) of this section and so requests, the landlord shall enter into a written  
30 storage agreement with the representative or person providing that the dwelling or home may not  
31 be sold or disposed of by the landlord for up to 90 days or until conclusion of any probate pro-  
32 ceedings, whichever is later. A storage agreement entitles the representative or person to store the  
33 personal property on the previously rented space during the term of the agreement, but does not  
34 entitle anyone to occupy the personal property. If such an agreement is entered, the landlord may  
35 not enter a similar agreement with a lienholder pursuant to subsection (19) of this section until the  
36 agreement with the personal representative or designated person ends.

37 (e) If a personal representative or other person requests that a landlord enter into a storage  
38 agreement, subsection (19)(c), (d) and (f)(C) of this section applies, with the representative or person  
39 having the rights and responsibilities of a lienholder with regard to the storage agreement.

40 (f) During the term of an agreement described under paragraph (d) of this subsection, the rep-  
41 resentative or person has the right to remove or sell the dwelling or home, including a sale to a  
42 purchaser or a transfer to an heir or devisee where the purchaser, heir or devisee wishes to leave  
43 the dwelling or home on the rented space and become a tenant, subject to any conditions previously  
44 agreed to by the landlord and tenant regarding the landlord's approval for occupancy of a purchaser,  
45 heir or devisee or, if there was no such agreement, any reasonable conditions by the landlord re-

1    guarding approval for occupancy of any purchaser, heir or devisee who wishes to leave the dwelling  
2    or home on the rented space and become a tenant. The landlord also may condition approval for  
3    occupancy of any purchaser, heir or devisee of the dwelling or home upon payment of all unpaid  
4    storage charges and maintenance costs.

5       (g) If the representative or person violates the storage agreement, the landlord may terminate  
6    the agreement by giving at least 30 days' written notice to the representative or person stating facts  
7    sufficient to notify the representative or person of the reason for the termination. Unless the rep-  
8    resentative or person corrects the violation within the notice period, the agreement terminates as  
9    provided and the landlord may sell or dispose of the dwelling or home without further notice to the  
10   representative or person.

11       (h) Upon the failure of a representative or person to enter into a storage agreement as provided  
12    by this subsection or upon termination of an agreement, unless the parties otherwise agree or the  
13    representative or person has sold or removed the manufactured dwelling or floating home, the  
14    landlord may sell or dispose of the property pursuant to this section without further notice to the  
15    representative or person.

16       (21) If the personal property is other than a manufactured dwelling or floating home and is  
17    considered abandoned as a result of the death of a tenant who was the only tenant and who owned  
18    the personal property, this section applies except as follows:

19       (a) The following persons have the same rights and responsibilities regarding the abandoned  
20    personal property as a tenant:

21           (A) An heir or devisee.

22           (B) Any personal representative named in a will or appointed by a court to act for the deceased  
23    tenant.

24           (C) Any person designated in writing by the tenant to be contacted by the landlord in the event  
25    of the tenant's death.

26       (b) The notice required by subsection (3) of this section must be:

27           (A) Sent by first class mail to the deceased tenant at the premises;

28           (B) Personally delivered or sent by first class mail to any heir, devisee, personal representative  
29    or designated person, if actually known to the landlord; and

30           (C) Sent by first class mail to the attention of an estate administrator of the Department of State  
31    Lands.

32       (c) The notice described in subsection (5) of this section must refer to the heir, devisee, personal  
33    representative, designated person or estate administrator of the department, instead of the deceased  
34    tenant, and must incorporate the provisions of this subsection.

35       (d) The landlord shall allow a person that is an heir, devisee or personal representative of the  
36    tenant, or an estate administrator of the department, to remove the personal property if the person  
37    contacts the landlord within the period provided by subsection (6) of this section, complies with the  
38    requirements of this section and provides the landlord with reasonable evidence that the person is  
39    an heir, devisee or personal representative, or an estate administrator of the department.

40       (e) If neither an heir, devisee nor personal representative of the tenant, nor an estate adminis-  
41    trator of the department, contacts the landlord within the time period provided by subsection (6) of  
42    this section, the landlord shall allow removal of the personal property by the designated person of  
43    the tenant, if the designated person contacts the landlord within that period and complies with the  
44    requirements of this section and provides the landlord with reasonable evidence that the person is  
45    the designated person.

1 (f) A landlord who allows removal of personal property under this subsection is not liable to  
2 another person that has a claim or interest in the personal property.

3 (22) If a governmental agency determines that the condition of a manufactured dwelling, floating  
4 home or recreational vehicle abandoned under this section constitutes an extreme health or safety  
5 hazard under state or local law and the agency determines that the hazard endangers others in the  
6 immediate vicinity and requires quick removal of the property, the landlord may sell or dispose of  
7 the property pursuant to this subsection. The landlord shall comply with all provisions of this sec-  
8 tion, except as follows:

9 (a) The date provided in subsection (6) of this section by which a tenant, lienholder, owner,  
10 personal representative or designated person must contact a landlord to arrange for the disposition  
11 of the property must be not less than 15 days after personal delivery or mailing of the notice re-  
12 quired by subsection (3) of this section.

13 (b) The date provided in subsections (8) and (9) of this section by which a tenant, lienholder,  
14 owner, personal representative or designated person must remove the property must be not less than  
15 seven days after the tenant, lienholder, owner, personal representative or designated person contacts  
16 the landlord.

17 (c) The notice required by subsection (3) of this section must be as provided in subsection (5)  
18 of this section, except that:

19 (A) The dates and deadlines in the notice for contacting the landlord and removing the property  
20 must be consistent with this subsection;

21 (B) The notice must state that a governmental agency has determined that the property consti-  
22 tutes an extreme health or safety hazard and must be removed quickly; and

23 (C) The landlord shall attach a copy of the agency's determination to the notice.

24 (d) If the tenant, a lienholder, owner, personal representative or designated person does not re-  
25 move the property within the time allowed, the landlord or a buyer at a sale by the landlord under  
26 subsection (11) of this section shall promptly remove the property from the facility.

27 (e) A landlord is not required to enter into a storage agreement with a lienholder, owner, per-  
28 sonal representative or designated person pursuant to subsection (19) of this section.

29 (23)(a) If an official or agency referred to in ORS 453.876 notifies the landlord that the official  
30 or agency has determined that all or part of the premises is unfit for use as a result of the presence  
31 of an illegal drug manufacturing site involving methamphetamine, and the landlord complies with  
32 this subsection, the landlord is not required to comply with subsections (1) to (22) and (24) to (27)  
33 of this section with regard to personal property left on the portion of the premises that the official  
34 or agency has determined to be unfit for use.

35 (b) Upon receiving notice from an official or agency determining the premises to be unfit for use,  
36 the landlord shall promptly give written notice to the tenant as provided in subsection (3) of this  
37 section. The landlord shall also attach a copy of the notice in a secure manner to the main entrance  
38 of the dwelling unit. The notice to the tenant shall include a copy of the official's or agency's notice  
39 and state:

40 (A) That the premises, or a portion of the premises, has been determined by an official or agency  
41 to be unfit for use due to contamination from the manufacture of methamphetamine and that as a  
42 result subsections (1) to (22) and (24) to (27) of this section do not apply to personal property left  
43 on any portion of the premises determined to be unfit for use;

44 (B) That the landlord has hired, or will hire, a contractor to assess the level of contamination  
45 of the site and to decontaminate the site;

1 (C) That upon hiring the contractor, the landlord will provide to the tenant the name, address  
2 and telephone number of the contractor; and

3 (D) That the tenant may contact the contractor to determine whether any of the tenant's per-  
4 sonal property may be removed from the premises or may be decontaminated at the tenant's expense  
5 and then removed.

6 (c) To the extent consistent with rules of the Department of Human Services, the contractor  
7 may release personal property to the tenant.

8 (d) If the contractor and the department determine that the premises or the tenant's personal  
9 property is not unfit for use, upon notification by the department of the determination, the landlord  
10 shall comply with subsections (1) to (22) and (24) to (27) of this section for any personal property left  
11 on the premises.

12 (e) Except as provided in paragraph (d) of this subsection, the landlord is not responsible for  
13 storing or returning any personal property left on the portion of the premises that is unfit for use.

14 (24) In the case of an abandoned recreational vehicle, manufactured dwelling or floating home  
15 that is owned by someone other than the tenant, the provisions of this section regarding the rights  
16 and responsibilities of a tenant to the abandoned vehicle, dwelling or home also apply to that owner,  
17 with regard only to the vehicle, dwelling or home, and not to any goods left inside or outside the  
18 vehicle, dwelling or home.

19 (25) In the case of an abandoned motor vehicle, the procedure authorized by ORS 98.830 for re-  
20 moval of abandoned motor vehicles from private property may be used by a landlord as an alterna-  
21 tive to the procedures required in this section.

22 (26)(a) A landlord may sell or dispose of a tenant's abandoned personal property without com-  
23 plying with subsections (1) to (25) and (27) of this section if, after termination of the tenancy or no  
24 more than seven days prior to the termination of the tenancy, the following parties so agree in a  
25 writing entered into in good faith:

26 (A) The landlord;

27 (B) The tenant, or for an abandonment as the result of the death of a tenant who was the only  
28 tenant, the personal representative, designated person or other person entitled to possession of the  
29 personal property, such as an heir or devisee, as described in subsection (20) or (21) of this section;  
30 and

31 (C) In the case of a manufactured dwelling, floating home or recreational vehicle, any owner and  
32 any lienholder.

33 (b) A landlord may not, as part of a rental agreement, require a tenant, a personal represen-  
34 tative, a designated person or any lienholder or owner to waive any right provided by this section.

35 (27) Until personal property is conclusively presumed to be abandoned under subsection (9) of  
36 this section, a landlord does not have a lien pursuant to ORS 87.152 for storing the personal prop-  
37 erty.

24 petroleum gas, including installations for private homes and apartments. The installer shall certify  
25 on a form provided by the State Fire Marshal that all of the new installations are duly and properly  
26 reported. The State Fire Marshal may require that the notification include the location and de-  
27 scription of the installation and the name of the user. All fees due and payable must accompany the  
28 notification. The replacement of empty containers or receptacles with other containers constructed  
29 in accordance with United States Department of Transportation specifications is not a new instal-  
30 lation or change in the original installation that requires notification to the State Fire Marshal or  
31 necessitates further inspection of the installation. The State Fire Marshal shall collect from the in-  
32 staller an installation fee of \$50 for each tank installed or for all tanks at the installation if the total  
33 combined capacity is 200 gallons or less. The State Fire Marshal or deputies of the fire marshal or  
34 assistants shall inspect a reasonable number of the installations and maintain a record of the in-  
35 spections in the office of the State Fire Marshal.

36 (2) In addition to any installation or inspection fee, the State Fire Marshal may charge a plan

44 of requirements and collection of fees due and payable must conform with the provisions of ORS  
45 480.410 to 480.460 for new installations. Upon request of the State Fire Marshal, LP gas installation

1 licensees shall furnish a list of the locations of 10-year old installations that they service.

3 of the State Fire Marshal, the State Fire Marshal shall instruct the installer as to what corrections  
4 are necessary for compliance with the State Fire Marshal's requirements. The installer of the new  
5 installation shall, within the time set by the State Fire Marshal, not to exceed 60 days after notifi-  
6 cation, notify the State Fire Marshal that the new installation complies with the requirements of the  
7 fire marshal. If the installer fails to notify the State Fire Marshal, or the State Fire Marshal has  
8 reason to believe that the corrections have not been made, the State Fire Marshal shall reinspect  
9 the new installation and shall collect from the installer an additional fee of \$125. The user, not the  
10 installer, shall pay the additional fee resulting from actions of the user that require correction to  
11 achieve compliance with the requirements of the State Fire Marshal.

12 (5) A person who receives notice from the State Fire Marshal must correct any improper in-  
13 stallation within the time set by the State Fire Marshal, not to exceed 60 days after receipt of the

16 after service of written notice by the State Fire Marshal therefor, or if the installer fails to notify  
17 the State Fire Marshal by the last day of the month succeeding the month a new installation is made  
18 or a change is made requiring an inspection, the fees are delinquent and a penalty equal to the  
19 greater of 10 percent of the fee amount or \$30, is imposed for the delinquency. The State Fire  
20 Marshal shall collect all fees and penalties in the name of the State of Oregon in the same manner  
21 that other debts are collected.

22 (7) The provisions of this section do not apply to liquefied petroleum gas installations if made  
23 entirely within the jurisdiction of a governmental subdivision granted the exemption provided by  
24 ORS 476.030 (3) and written evidence of the licensing of the installation by the approved authority  
25 is submitted to the State Fire Marshal. The provisions of this section do not apply to LP gas in-  
26 stallations made in manufactured dwellings [*or recreational vehicles*] that are constructed or altered  
27 in accordance with applicable rules of the Department of Consumer and Business Services. **The**
