SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Defines “park model recreational vehicle.”

A BILL FOR AN ACT

Relating to recreational vehicles; amending ORS 446.003.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 446.003 is amended to read:

446.003. As used in ORS 446.003 to 446.200 and 446.225 to 446.285, and for the purposes of ORS chapters 195, 196, 197, 215 and 227, the following definitions apply, unless the context requires otherwise, or unless administration and enforcement by the State of Oregon under the existing or revised National Manufactured Housing Construction and Safety Standards Act would be adversely affected, and except as provided in ORS 446.265:

(1) “Accessory building or structure” means any portable, demountable or permanent structure established for use of the occupant of the manufactured structure and as further defined by rule by the Director of the Department of Consumer and Business Services.

(2)(a) “Alteration” means any change, addition, repair, conversion, replacement, modification or removal of any equipment or installation that may affect the operation, construction or occupancy of a manufactured structure.

(b) “Alteration” does not include:

(A) Minor repairs with approved component parts;

(B) Conversion of listed fuel-burning appliances in accordance with the terms of their listing;

(C) Adjustment and maintenance of equipment; or

(D) Replacement of equipment or accessories in kind.

(3) “Approved” means approved, licensed or certified by the Department of Consumer and Business Services or its designee.

(4) “Board” means the Residential and Manufactured Structures Board.

(5) “Cabana” means a stationary, lightweight structure that may be prefabricated, or demountable, with two or more walls, used adjacent to and in conjunction with a manufactured structure to provide additional living space.

(6) “Certification” means an evaluation process by which the department verifies a manufacturer’s ability to produce manufactured structures to the department rules and to the department approved quality control manual.

(7) “Conversion” or “to convert” means the process of changing a manufactured structure in whole or in part from one type of vehicle or structure to another.

(8) “Dealer” means any person engaged in the business of selling, leasing or distributing manu-
factured structures or equipment, or both, primarily to persons who in good faith purchase or lease
manufactured structures or equipment, or both, for purposes other than resale.

(9) “Department” means the Department of Consumer and Business Services.

(10) “Director” means the Director of the Department of Consumer and Business Services.

(11) “Distributor” means any person engaged in selling and distributing manufactured structures
or equipment for resale.

(12) “Equipment” means materials, appliances, subassembly, devices, fixtures, fittings and
apparatuses used in the construction, plumbing, mechanical and electrical systems of a manufactured
structure.

(13) “Federal manufactured housing construction and safety standard” means a standard for
construction, design and performance of a manufactured dwelling promulgated by the Secretary of
Housing and Urban Development pursuant to the federal National Manufactured Housing Con-

(14) “Fire Marshal” means the State Fire Marshal.

(15) “Imminent safety hazard” means an imminent and unreasonable risk of death or severe
personal injury.

(16) “Insignia of compliance” means:

(a) For a manufactured dwelling built to HUD standards for such dwellings, the HUD label; or

(b) For all other manufactured structures, the insignia issued by this state indicating compliance
with state law.

(17) “Inspecting authority” or “inspector” means the Director of the Department of Consumer
and Business Services or representatives as appointed or authorized to administer and enforce pro-
visions of ORS 446.111, 446.160, 446.176, 446.225 to 446.285, 446.310 to 446.350, 446.990 and this sec-
tion.

(18) “Installation” in relation to:

(a) Construction means the arrangements and methods of construction, fire and life safety,
electrical, plumbing and mechanical equipment and systems within a manufactured structure.

(b) Siting means the manufactured structure and cabana foundation support and tiedown, the
structural, fire and life safety, electrical, plumbing and mechanical equipment and material con-
nections and the installation of skirting and temporary steps.

(19) “Installer” means any individual licensed by the director to install, set up, connect, hook
up, block, tie down, secure, support, install temporary steps for, install skirting for or make elec-
trical, plumbing or mechanical connections to manufactured dwellings or cabanas or who provides
consultation or supervision for any of these activities, except architects registered under ORS
671.010 to 671.220 or engineers registered under ORS 672.002 to 672.325.

(20) “Listed” means equipment or materials included in a list, published by an organization
concerned with product evaluation acceptable to the department that maintains periodic inspection
of production of listed equipment or materials, and whose listing states either that the equipment
or materials meets appropriate standards or has been tested and found suitable in a specified man-
ner.

(21) “Lot” means any space, area or tract of land, or portion of a manufactured dwelling park,
mobile home park or recreation park that is designated or used for occupancy by one manufactured
structure.

(22)(a) “Manufactured dwelling” means a residential trailer, mobile home or manufactured home.

(b) “Manufactured dwelling” does not include any building or structure constructed to conform
to the State of Oregon Structural Specialty Code or the Low-Rise Residential Dwelling Code adopted
pursuant to ORS 455.100 to 455.450 and 455.610 to 455.630 or any unit identified as a recreational
vehicle by the manufacturer.

(23) “Manufactured dwelling park” means any place where four or more manufactured dwellings
are located within 500 feet of one another on a lot, tract or parcel of land under the same ownership,
the primary purpose of which is to rent or lease space to keep space for rent or lease to any
person for a charge or fee paid or to be paid for the rental or lease of facilities or to offer
space free in connection with securing the trade or patronage of such person. “Manufactured
dwelling park” does not include a lot or lots located within a subdivision being rented or leased for
occupancy by no more than one manufactured dwelling per lot if the subdivision was approved by
the local government unit having jurisdiction under an ordinance adopted pursuant to ORS 92.010
to 92.192.

(24)(a) “Manufactured home,” except as provided in paragraph (b) of this subsection, means a
structure constructed for movement on the public highways that has sleeping, cooking and plumbing
facilities, that is intended for human occupancy, that is being used for residential purposes and that
was constructed in accordance with federal manufactured housing construction and safety standards
and regulations in effect at the time of construction.

(b) For purposes of implementing any contract pertaining to manufactured homes between the
department and the federal government, “manufactured home” has the meaning given the term in
the contract.

(25)(a) “Manufactured structure” means a recreational vehicle, manufactured dwelling or recre-
ational structure.

(b) “Manufactured structure” does not include any building or structure regulated under the
State of Oregon Structural Specialty Code or the Low-Rise Residential Dwelling Code.

(26) “Manufacturer” means any person engaged in manufacturing, building, rebuilding, altering,
converting or assembling manufactured structures or equipment.

(27) “Manufacturing” means the building, rebuilding, altering or converting of manufactured
structures that bear or are required to bear an Oregon insignia of compliance.

(28) “Minimum safety standards” means the plumbing, mechanical, electrical, thermal, fire and
life safety, structural and transportation standards prescribed by rules adopted by the director.

(29) “Mobile home” means a structure constructed for movement on the public highways that
has sleeping, cooking and plumbing facilities, that is intended for human occupancy, that is being
used for residential purposes and that was constructed between January 1, 1962, and June 15, 1976,
and met the construction requirements of Oregon mobile home law in effect at the time of con-
struction.

(30) “Mobile home park” means any place where four or more manufactured structures are lo-
cated within 500 feet of one another on a lot, tract or parcel of land under the same ownership, the
primary purpose of which is to rent space or keep space for rent to any person for a charge or fee
paid or to be paid for the rental or use of facilities or to offer space free in connection with securing
the trade or patronage of such person. “Mobile home park” does not include a lot or lots located
within a subdivision being rented or leased for occupancy by no more than one manufactured
dwelling per lot if the subdivision was approved by the municipality unit having jurisdiction under
an ordinance adopted pursuant to ORS 92.010 to 92.192.

(31) “Municipality” means a city, county or other unit of local government otherwise authorized
by law to enact codes.
(32) “Park model recreational vehicle” is a recreational vehicle that:

(a) Is designed and marketed as temporary living quarters for recreation, camping, travel or seasonal use;
(b) Is not permanently affixed to land;
(c) Is not used for residential purposes;
(d) Is built on a single chassis mounted on wheels;
(e) Has a maximum gross trailer area of 400 square feet; and
(f) Complies with American National Standards Institute manufacturing standards for recreational park trailers.

[(32)] (33) “Recreational structure” means a campground structure with or without plumbing, heating or cooking facilities intended to be used by any particular occupant on a limited-time basis for recreational, seasonal, emergency or transitional housing purposes and may include yurts, cabins, fabric structures or similar structures as further defined, by rule, by the director.

[(33)] (34) “Recreational vehicle” means a vehicle with or without motive power, that is designed for human occupancy and to be used temporarily for recreational, seasonal or emergency purposes and as further defined, by rule, by the director. “Recreational vehicle” includes, but is not limited to, park model recreational vehicles.

[(34)] (35) “Residential trailer” means a structure constructed for movement on the public highways that has sleeping, cooking and plumbing facilities, that is intended for human occupancy, that is being used for residential purposes and that was constructed before January 1, 1962.

[(35)] (36) “Sale” means rent, lease, sale or exchange.

[(36)] (37) “Skirting” means a weather resistant material used to enclose the space below the manufactured structure.

[(37)] (38) “Tiedown” means any device designed to anchor a manufactured structure securely to the ground.

[(38)] (39) “Transitional housing accommodations” means accommodations described under ORS 446.265.

[(39)] (40) “Utilities” means the water, sewer, gas or electric services provided on a lot for a manufactured structure.
