A BILL FOR AN ACT

Relating to public records; amending ORS 192.407; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 192.407 is amended to read:

ORS 192.407. (1) A person who has submitted a written public records request in compliance with a public body's policy may seek review of the following, in the same manner as a person petitions when inspection of a public record is denied under ORS 192.311 to 192.478:

(a) The failure of a public body to provide the response required by ORS 192.329 within the prescribed period. A failure of the public body to timely respond shall be treated as a denial of the request unless the public body demonstrates that compliance was not required under ORS 192.329.

(b) An estimate of time provided by a public body pursuant to ORS 192.329, if the person believes that the estimated time frame for the response is unreasonably long and will result in undue delay of disclosure.

(c) Any other instance in which the person believes that the public body has failed to comply with ORS 192.329.

(2) Except as provided in subsection (3) of this section, the Attorney General, the district attorney and the court have the same authority with respect to petitions under this section as when inspection of a public record is denied.

(3) If the Attorney General, the district attorney or a court grants a petition filed under this section, the order granting the petition:

(a) May require disclosure of nonexempt material responsive to the request within seven days, or within any other period that the Attorney General, district attorney or court concludes is appropriate to comply with ORS 192.329[.];

(b) May require the public body to pay a penalty of $200 to the requester if the Attorney General, district attorney or court determines that the public body responded to the request with undue delay or failed to respond to the request; and

(c) May order a fee waiver or a fee reduction if a public body has responded to the re-
quest with undue delay or has failed to respond to the request in the time and manner pre-
scribed in ORS 192.329. Nothing in this subsection prohibits a reviewing body from finding
an unreasonable denial of a fee waiver or a fee reduction on other grounds.

(4) Nothing in this section limits the authority of a court to act under ORS 192.431.

SECTION 2. This 2019 Act being necessary for the immediate preservation of the public
peace, health and safety, an emergency is declared to exist, and this 2019 Act takes effect
on its passage.
