A BILL FOR AN ACT
Relating to hunting; amending ORS 496.146 and 497.022.

Be It Enacted by the People of the State of Oregon:
SECTION 1. ORS 496.146, as amended by section 3, chapter 100, Oregon Laws 2018, is amended to read:
496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife Commission:
(1) May accept, from whatever source, appropriations, gifts or grants of money or other property for the purposes of wildlife management, and use such money or property for wildlife management purposes.
(2) May sell or exchange property owned by the state and used for wildlife management purposes when the commission determines that such sale or exchange would be advantageous to the state wildlife policy and management programs.
(3) May acquire, introduce, propagate and stock wildlife species in such manner as the commission determines will carry out the state wildlife policy and management programs.
(4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking, hunting and trapping and may prescribe such tagging and sealing procedures as the commission determines necessary to carry out the provisions of the wildlife laws or to obtain information for use in wildlife management. Permits issued pursuant to this subsection may include special hunting permits for a person and immediate family members of the person to hunt on land owned by that person in areas where permits for deer or elk are limited by quota. As used in this subsection, “immediate family members” means spouses in a marriage, parents, brothers, brothers-in-law, sisters, sisters-in-law, sons, sons-in-law, daughters, daughters-in-law, stepchildren and grandchildren. A landowner who is qualified to receive landowner preference tags from the commission may request two additional tags for providing public access and two additional tags for wildlife habitat programs. This request shall be made to the Access and Habitat Board with supporting evidence that the access is significant and the habitat programs benefit wildlife. The board may recommend that the commission grant the request. When a landowner is qualified under landowner preference rules adopted by the commission and receives a controlled hunt tag for that unit or a landowner preference tag for the landowner’s property and does not use the tag during the regular season, the landowner may use that tag to take an antlerless animal, when approved by the State Department

In establishing the preference system, the commission shall consider giving additional preference points to persons who have been issued a resident annual pioneer combination license pursuant to ORS 497.132.

(18) May sell advertising in State Department of Fish and Wildlife publications, including annual hunting and angling regulation publications.

(19) May, notwithstanding the fees required by ORS 497.112, provide free hunting tags to an organization that sponsors hunting trips for terminally ill children. Except as provided under section 2, chapter 100, Oregon Laws 2018, the State Department of Fish and Wildlife may not issue more

Amounts collected as fees under this subsection must be deposited in the Columbia River Fisheries Enhancement Fund established under section 7, chapter 672, Oregon Laws 2013.

(24) Shall by rule establish multiyear licenses and may prescribe fees for such licenses. Fees prescribed by the commission for multiyear licenses may provide for a discount from the annual license fees that would otherwise be payable for the period of time covered by the multiyear license.

(25) May by rule establish a program to offer unique fishing opportunities through drawings, raffles or auctions and charge application and participation fees for the program.
