2 delivery of quality pharmaceutical care within the pharmacy or system.

3 [(7)] (8) "Practitioner" means:

4 (a) A practitioner as defined in ORS 689.005; or

5 (b) An individual licensed to practice a profession in another state, if the requirements for
6 licensure are similar, as determined by the authority, to the requirements for being licensed as a
7 practitioner as defined in ORS 689.005.

8 [(8)] (9) "Prescription" has the meaning given that term in ORS 475.005.

9 [(9)] (10) "Prescription drug" has the meaning given that term in ORS 689.005.

10 **SECTION 2.** ORS 431A.865 is amended to read:

11 431A.865. (1)(a) Except as provided under subsection (2) of this section, prescription monitoring
12 information submitted under ORS 431A.860 to the prescription monitoring program established in
13 ORS 431A.855:

14 (A) Is protected health information under ORS 192.553 to 192.581.

15 (B) Is confidential and not subject to disclosure under ORS 192.311 to 192.478.

16 (b) Except as provided under subsection (2)(a)(H) of this section, prescription monitoring infor-
17 mation submitted under ORS 431A.860 to the prescription monitoring program may not be used to
18 evaluate a practitioner's professional practice.

19 (2)(a) To the extent that the law or regulation is applicable to the prescription monitoring pro-
20 gram, if a disclosure of prescription monitoring information, other than the sex of a patient for
21 whom a drug was prescribed, complies with the federal Health Insurance Portability and Account-
22 ability Act of 1996 (P.L. 104-191) and regulations adopted under that law, including 45 C.F.R. parts
23 160 and 164, federal alcohol and drug treatment confidentiality laws and regulations, including 42
24 C.F.R. part 2, and state health and mental health confidentiality laws, including ORS 179.505, 192.517
25 and 192.553 to 192.581, the Oregon Health Authority shall disclose the information:

26 (A) To a practitioner or pharmacist, or, if a practitioner or pharmacist authorizes the authority
27 to disclose the information to a member of the practitioner's or pharmacist's staff, to a member of
28 the practitioner's or pharmacist's staff. If a practitioner or pharmacist authorizes disclosing the in-
29 formation to a member of the practitioner's or pharmacist's staff under this subparagraph, the
30 practitioner or pharmacist remains responsible for the use or misuse of the information by the staff
31 member. To receive information under this subparagraph, or to authorize the receipt of information
32 by a staff member under this subparagraph, a practitioner or pharmacist must certify that the re-
33 quested information is for the purpose of evaluating the need for or providing medical or pharma-
34 ceutical treatment for a patient to whom the practitioner or pharmacist anticipates providing, is
35 providing or has provided care.

36 (B) To a **dental director**, medical director or pharmacy director, or, if a **dental director**,
37 medical director or pharmacy director authorizes the authority to disclose the information to a
38 member of the **dental director's**, medical director's or pharmacy director's staff, to a member of the
39 **dental director's**, medical director's or pharmacy director's staff. If a **dental director**, medical di-
40 rector or pharmacy director authorizes disclosing the information to a member of the **dental**
41 **director's**, medical director's or pharmacy director's staff under this subparagraph, the **dental di-**
42 **rector**, medical director or pharmacy director remains responsible for the use or misuse of the in-
43 formation by the staff member. To receive information under this subparagraph, or to authorize the
44 receipt of information by a staff member under this subparagraph[,]:

45 (i) **A dental director must certify that the requested information is for the purposes of**

1 **overseeing the operations of a dental clinic or office or a system of dental clinics or offices**
2 **and ensuring the delivery of quality dental care within the clinic, office or system.**

3 (ii) A medical director must certify that the requested information is for the purposes of over-
4 seeing the operations of a hospital, health care clinic or system of hospitals or health care clinics
5 and ensuring the delivery of quality health care within the hospital, clinic or system. [*To receive*
6 *information under this subparagraph, or to authorize the receipt of information by a staff member un-*
7 *der this subparagraph,*]

8 (iii) A pharmacy director must certify that the requested information is for the purposes of
9 overseeing the operations of a pharmacy or system of pharmacies and ensuring the delivery of
10 quality pharmaceutical care within the pharmacy or system.

11 (C) In accordance with subparagraphs (A) and (B) of this paragraph, to an individual described
12 in subparagraphs (A) and (B) of this paragraph through a health information technology system that
13 is used by the individual to access information about patients if:

14 (i) The individual is authorized to access the information in the health information technology
15 system;

16 (ii) The information is not permanently retained in the health information technology system,
17 except for purposes of conducting audits and maintaining patient records; and

18 (iii) The health information technology system meets any privacy and security requirements and
19 other criteria, including criteria required by the federal Health Insurance Portability and Account-
20 ability Act, established by the authority by rule.

21 (D) To a practitioner in a form that catalogs all prescription drugs prescribed by the practi-
22 tioner according to the number assigned to the practitioner by the Drug Enforcement Adminis-
23 tration of the United States Department of Justice.

24 (E) To the Chief Medical Examiner or designee of the Chief Medical Examiner, for the purpose
25 of conducting a medicolegal investigation or autopsy.

26 (F) To designated representatives of the authority or any vendor or contractor with whom the
27 authority has contracted to establish or maintain the electronic system established under ORS
28 431A.855.

29 (G) Pursuant to a valid court order based on probable cause and issued at the request of a
30 federal, state or local law enforcement agency engaged in an authorized drug-related investigation
31 involving a person to whom the requested information pertains.

32 (H) To a health professional regulatory board that certifies in writing that the requested infor-
33 mation is necessary for an investigation related to licensure, license renewal or disciplinary action
34 involving the applicant, licensee or registrant to whom the requested information pertains.

35 (I) Pursuant to an agreement entered into under ORS 431A.869.

36 (b) The authority may disclose information from the prescription monitoring program that does
37 not identify a patient, practitioner or drug outlet:

38 (A) For educational, research or public health purposes;

39 (B) For the purpose of educating practitioners about the prescribing of opioids and other con-
40 trolled substances;

41 (C) To a health professional regulatory board;

42 (D) To a local public health authority, as defined in ORS 431.003; or

43 (E) To officials of the authority who are conducting special epidemiologic morbidity and mor-
44 tality studies in accordance with ORS 413.196 and rules adopted under ORS 431.001 to 431.550 and
45 431.990.

1 (c) The authority shall disclose information relating to a patient maintained in the electronic
2 system established under ORS 431A.855 to that patient at no cost to the patient within 10 business
3 days after the authority receives a request from the patient for the information.

4 (d)(A) A patient may request the authority to correct any information related to the patient that
5 is maintained in the electronic system established under ORS 431A.855 that is erroneous. The au-
6 thority shall grant or deny a request to correct information within 10 business days after the au-
7 thority receives the request. If a request to correct information cannot be granted because the error
8 occurred at the pharmacy where the information was inputted, the authority shall inform the patient
9 that the information cannot be corrected because the error occurred at the pharmacy.

10 (B) If the authority denies a patient's request to correct information under this paragraph, or
11 fails to grant a patient's request to correct information under this paragraph within 10 business days
12 after the authority receives the request, the patient may appeal the denial or failure to grant the
13 request. Upon receiving notice of an appeal under this subparagraph, the authority shall conduct
14 a contested case hearing as provided in ORS chapter 183. Notwithstanding ORS 183.450, the au-
15 thority has the burden in the contested case hearing of establishing that the information is correct.

16 (e) The information in the prescription monitoring program may not be used for any commercial
17 purpose.

18 (f) In accordance with ORS 192.553 to 192.581 and federal laws and regulations related to pri-
19 vacy, any person authorized to prescribe or dispense a prescription drug who is entitled to access
20 a patient's prescription monitoring information may discuss the information with or release the in-
21 formation to other health care providers involved with the patient's care for the purpose of provid-
22 ing safe and appropriate care coordination.

23 (3)(a) The authority shall maintain records of the information disclosed through the prescription
24 monitoring program including:

25 (A) The identity of each person who requests or receives information from the program and any
26 organization the person represents;

27 (B) The information released to each person or organization; and

28 (C) The date and time the information was requested and the date and time the information was
29 provided.

30 (b) Records maintained as required by this subsection may be reviewed by the Prescription
31 Monitoring Program Advisory Commission.

32 (4) Information in the prescription monitoring program that identifies an individual patient must
33 be removed no later than three years from the date the information is entered into the program.

34 (5) The authority shall notify the Attorney General and each individual affected by an improper
35 disclosure of information from the prescription monitoring program of the disclosure.

36 (6)(a) If the authority or a person or entity required to report or authorized to receive or release
37 prescription information under this section violates this section or ORS 431A.860 or 431A.870, a
38 person injured by the violation may bring a civil action against the authority, person or entity and
39 may recover damages in the amount of \$1,000 or actual damages, whichever is greater.

40 (b) Notwithstanding paragraph (a) of this subsection, the authority and a person or entity re-
41 quired to report or authorized to receive or release prescription information under this section are
42 immune from civil liability for violations of this section or ORS 431A.860 or 431A.870 unless the
43 authority, person or entity acts with malice, criminal intent, gross negligence, recklessness or willful
44 intent.

45 (7) Nothing in ORS 431A.855 to 431A.900 requires a practitioner or pharmacist who prescribes

1 or dispenses a prescription drug to obtain information about a patient from the prescription moni-
2 toring program. A practitioner or pharmacist who prescribes or dispenses a prescription drug may
3 not be held liable for damages in any civil action on the basis that the practitioner or pharmacist
4 did or did not request or obtain information from the prescription monitoring program.

5 (8) The authority shall, at regular intervals, ensure compliance of a health information technol-
6 ogy system described in subsection (2) of this section with the privacy and security requirements
7 and other criteria established by the authority under subsection (2) of this section.

8 **SECTION 3. (1) The amendments to ORS 431A.850 and 431A.865 by sections 1 and 2 of this**
9 **2019 Act become operative on January 1, 2020.**

10 **(2) The Oregon Health Authority may take any action before the operative date specified**
11 **in subsection (1) of this section that is necessary to enable the authority to exercise, on and**
12 **after the operative date specified in subsection (1) of this section, all of the duties, functions**
13 **and powers conferred on the authority by the amendments to ORS 431A.850 and 431A.865 by**
14 **sections 1 and 2 of this 2019 Act.**

15 **SECTION 4. This 2019 Act being necessary for the immediate preservation of the public**
16 **peace, health and safety, an emergency is declared to exist, and this 2019 Act takes effect**
17 **on its passage.**
