A BILL FOR AN ACT

Relating to transfers of forestland from the State Board of Forestry to counties.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) Upon written request by the governing body of a county, the State Board of Forestry shall transfer forestland from board ownership to the county if:

(a) The forestland was acquired by the board under ORS 530.010 to 530.040;

(b) The forestland belonged to the county immediately prior to acquisition of the forestland by the board; and

(b) Allow the county to interfere with the fulfillment of a contract or exercise of a license or permit described in paragraph (a) of this subsection;

(c) Relieve the department from payment to the county as provided under ORS 530.010 to 530.170 for any obligation to the county arising out of contracts, licenses or permits described in paragraph (a) of this subsection; or

(d) Release any lien or other security interest in the forestland granted by the department that attached prior to the transfer. However, the department shall reimburse the county for any injury suffered by the county as a result of foreclosure of a lien or security interest described in this paragraph.
