On page 3 of the printed bill, line 40, after “requirements” delete the rest of the line and lines 41 and 42 and insert “and state plans addressing historically underserved students;”.

On page 4, delete lines 12 through 21 and insert:

“(b) Stipends for participants in a program described in this section for a maximum of $5,000 from the account per participant per school year or academic year and a maximum of four school or academic years. Nothing in this paragraph limits the amount of local matching funding that may be used for a stipend. For the purpose of receiving a stipend, a participant must:

“(A) Be enrolled in:

“(i) A public high school, which may include a public charter school, an alternative education program or a General Educational Development (GED) program;

“(ii) A community college program;

“(iii) An undergraduate program;

“(iv) A graduate program; or

“(v) Any other courses, programs or similar prerequisites required for licensure by the Teacher Standards and Practices Commission;

“(B) Be pursuing or intending to pursue a career as a prekindergarten educator or as a licensed kindergarten through grade 12 educator in a field identified by the Teacher Standards and Practices Commission by rule; and

“(C) If the participant is enrolled in a post-secondary institution of education, demonstrate that the participant has used all available financial aid sources before receiving any moneys under this paragraph.”.
