A-Engrossed
House Bill 2770

Ordered by the House May 30
Including House Amendments dated May 30

Sponsored by Representative MCLAIN, Senators MANNING JR, GELSER, Representative MEEK; Representative NOSSE, Senators BENTZ, ROBLAN

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Permits testing of highly automated vehicles on highways of this state under certain circumstances. Prescribes testing permit application requirements. Directs automated vehicle manufacturers to obtain additional umbrella liability insurance policies prior to testing. Directs Department of Transportation to adopt rules for testing of highly automated vehicles on highways of this state. **Permits department to grant automated vehicle manufacturers testing highly automated vehicles exemptions to state equipment requirements.** Imposes civil penalty for testing highly automated vehicles without testing permit.

Creates offense of testing a highly automated vehicle without a testing permit or sticker. Punishes by maximum fine of $500.

Defines “testing operator” to include both onboard operator and remote operator of highly automated vehicle. Requires testing operator to monitor operation of test vehicle at all times and be prepared to take control of test vehicle if necessary. Identifies testing operator as operator or driver of highly automated vehicle for purposes of certain provisions.

Exempts persons testing highly automated vehicles without onboard operator on highways of this state from certain provisions of Oregon Vehicle Code if manufacturer has valid testing permit.

Declares emergency, effective on passage.

**A BILL FOR AN ACT**

Relating to highly automated vehicles; creating new provisions; amending ORS 192.355, 366.505, 801.026, 805.200, 806.011, 806.012, 806.060, 806.080, 807.020, 807.570 and 811.507; and declaring an emergency.

**Be It Enacted by the People of the State of Oregon:**

**TESTING PERMIT**

**SECTION 1.** Sections 2 to 13a of this 2019 Act are added to and made a part of the Oregon Vehicle Code.

**SECTION 2.** Definitions. As used in sections 2 to 13a of this 2019 Act:

1. “Automated driving system” means the hardware and software installed on a motor vehicle that are collectively capable of performing the dynamic driving task on a sustained basis for at least part of the motor vehicle’s trip.
2. “Automated mode” means the status of a highly automated vehicle when it is operating with the automated driving system engaged.
3. “Automated vehicle manufacturer” means any person that builds highly automated vehicles or installs automated driving systems in motor vehicles that were not originally built as highly automated vehicles.

**NOTE:** Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.

LC 1091
"Conventional mode" means the status of a highly automated vehicle when it is under the active physical control of a natural person operating the motor vehicle with the automated driving system disengaged.

(5) (a) “Dynamic driving task” means the real-time operational and tactical functions required to operate a motor vehicle on a public highway or on premises open to the public.
   (b) “Dynamic driving task” includes but is not limited to monitoring the driving environment and executing appropriate responses to objects and events.
   (c) “Dynamic driving task” does not include trip planning, including decisions regarding whether, when and where to go or the route to take.

(6) “Highly automated vehicle” means a motor vehicle equipped with an automated driving system.

(7) “Minimal risk condition” means a condition to which an onboard operator, a remote operator or an automated driving system may bring a highly automated vehicle to reduce the risk of a collision when a given trip cannot or should not be completed.

(8) (a) “Onboard operator” means a natural person who is seated in a highly automated vehicle and is able to assume control of and operate the highly automated vehicle.
    (b) “Onboard operator” includes a remote operator who is seated in the highly automated vehicle.

(9) “Operational design domain” means the conditions for which a highly automated vehicle is specifically designed to function, including but not limited to environmental, geographic and time-of-day restrictions, and the requisite presence or absence of certain traffic or roadway characteristics.

(10) "Remote operator" means a natural person who is not seated in a position to physically engage in-vehicle braking, accelerating, steering and transmission gear selection input devices but is able to assume control of and operate the highly automated vehicle remotely.

(11) “Testing operator” means an onboard operator or a remote operator of a test vehicle, whether the vehicle is in automated mode or conventional mode.

(12) “Test vehicle” means a highly automated vehicle that is undergoing testing described in section 4 of this 2019 Act.

SECTION 3. Levels of driving automation. The Department of Transportation, by rule, taking into consideration the recommendations in the Society of Automotive Engineers’ “Taxonomy and Definitions for Terms Related to Driving Automation Systems for On-Road Motor Vehicles, Standard J3016,” June 2018 Edition, shall define the driving automation levels of automated driving systems.

SECTION 4. Testing highly automated vehicles. An automated vehicle manufacturer tests a highly automated vehicle when the manufacturer’s employees, contractors or designees operate a highly automated vehicle on the highways of this state for the purpose of assessing, demonstrating or validating the capabilities of the highly automated vehicle’s automated driving system.

SECTION 5. Testing permit. (1) Prior to testing highly automated vehicles, as described in section 4 of this 2019 Act, an automated vehicle manufacturer shall apply to the Department of Transportation for a testing permit.

(2) An application submitted under this section may apply to the manufacturer’s testing of one or more highly automated vehicles.

(3) An application submitted under this section must:
(a) Establish, at a minimum, that:

(A) Each highly automated vehicle and automated driving system meets all requirements of section 7 of this 2019 Act; and

(B) Each highly automated vehicle will be operated only in the manner prescribed by sections 2 to 13a of this 2019 Act and any rules adopted by the department under sections 2 to 13a of this 2019 Act; and

(b) Include, at a minimum, the following:

(A) Contact information of the automated vehicle manufacturer, any other testing entity, registered agents and facility.

(B) Vehicle information for each highly automated vehicle, including vehicle identification number, year, make, model, license plate number, vehicle type and driving automation level as defined by the department under section 3 of this 2019 Act.

(C) A description of the operational design domain of each highly automated vehicle and the conditions under which testing will be conducted, including the geographic testing area.

(D) Testing operator information, including name, date of birth, driver license number and the name of the state that issued the license.

(E) Information regarding the automated vehicle manufacturer’s testing in any other jurisdictions.

(F) Any additional information required by the department by rule.

(4) An automated vehicle manufacturer must submit each of the following with an application submitted under this section:

(a) The testing permit fee described in subsection (5) of this section.

(b) Proof of liability insurance meeting at least the minimum financial responsibility requirements under ORS chapter 806, and an additional umbrella liability insurance policy in an amount of not less than $5 million per event.

(c) A law enforcement and first responder interaction plan that meets the requirements under section 10 of this 2019 Act.

(d) The following self-certifications:

(A) That each automated driving system is engineered to perform in all real-world conditions in which the automated vehicle manufacturer intends to test the highly automated vehicles.

(B) That each highly automated vehicle complies with all applicable Federal Motor Vehicle Safety Standards for new motor vehicles and new motor vehicle equipment or, if not, that an exemption has been granted by the National Highway Traffic Safety Administration or by provision of federal law.

(C) That each highly automated vehicle is capable of complying with all state vehicle laws or, if not, that an exemption has been granted by the department.

(D) That each highly automated vehicle is capable of complying with all state rules of the road within its operational design domain.

(E) That each highly automated vehicle has a mechanism to engage and disengage the automated driving system that is easily accessible to the testing operator.

(F) That each highly automated vehicle has an indicator inside the cabin to indicate when the automated driving system is engaged.

(G) That a testing operator will be ready to assume control or have the highly automated vehicle achieve minimal risk condition at all times.
(H) That each highly automated vehicle meets all appropriate and applicable current industry standards or policies to defend against, detect and respond to cyberattacks, unauthorized intrusions or false vehicle control commands.

(I) That each testing operator meets the requirements under section 8 of this 2019 Act.

(J) That each highly automated vehicle is capable of complying with all local rules of the road within its operational design domain.

(5)(a) A testing permit fee is $3,600 and is due when an automated vehicle manufacturer submits the testing permit application and when the automated vehicle manufacturer renews the testing permit.

(b) Each testing permit application or renewal is subject to one testing permit fee, regardless of the number of highly automated vehicles disclosed in the application or renewal.

(6)(a) The department may approve an application for and issue a testing permit under this section only if the automated vehicle manufacturer has made all of the self-certifications required under subsection (4) of this section.

(b) The department, at its discretion, may require an automated vehicle manufacturer to provide nonconfidential documents and records supporting the automated vehicle manufacturer's self-certifications required under subsection (4) of this section.

(7)(a) The department may deny an application for a testing permit under this section and may suspend, revoke or refuse to renew any testing permit issued under this section upon determining that the applicant for or holder of the testing permit has done any of the following:

(A) Used fraud or deception in attempting to obtain or in securing the testing permit.

(B) Failed to notify state police and city and local law enforcement officials as required under section 9 of this 2019 Act.

(C) Failed to maintain the amounts and types of insurance required under subsection (4) of this section.

(D) Violated any provision of sections 2 to 13a of this 2019 Act or any rules adopted by the department implementing sections 2 to 13a of this 2019 Act.

(b) The department's denial of an application for a testing permit or suspension, revocation or refusal to renew a testing permit issued under this section is subject to review in the manner prescribed under ORS chapter 183 for contested cases.

(8) Prior to making any changes to a highly automated vehicle's driving automation level, adding any testing operators or altering any testing conditions, including the geographic testing area, an automated vehicle manufacturer that has submitted an application for a testing permit under this section shall provide notice of the changes to the department and any local government, as defined in ORS 174.116, in whose jurisdiction the manufacturer will conduct testing.

(9) A testing permit issued under this section expires two years after the date of issuance.

(10) A testing permit described in this section is in addition to and not in lieu of any other registration, title or driving privileges required to operate a vehicle on the highways of this state.

SECTION 6. Rules. (1) The Department of Transportation shall adopt rules for testing highly automated vehicles under sections 2 to 13a of this 2019 Act.

(2) The rules adopted under this section must prescribe the form and requirements for
applications under section 5 of this 2019 Act.

(3) The rules adopted under this section may provide for renewal, suspension, revocation or denial of testing permits issued under section 5 of this 2019 Act.

(4) The rules adopted under this section may not establish a new class of license or endorsement for testing highly automated vehicles.

SECTION 7. Test vehicle requirements. A highly automated vehicle may be tested on the highways of this state only if all of the following requirements are met:

(1) The automated vehicle manufacturer has a valid testing permit issued under section 5 of this 2019 Act.

(2) The testing operator:
   (a) Meets all of the requirements under section 8 of this 2019 Act;
   (b) Is monitoring the operation of the highly automated vehicle at all times and, in the event of a failure of the automated driving system or other emergency, is capable of assuming immediate control of the dynamic driving tasks as an onboard operator or as a remote operator; and
   (c) Is seated in the driver's seat of the highly automated vehicle if the highly automated vehicle is equipped with an automated driving system that has a driving automation system that requires a natural person to be in the vehicle and prepared to respond if the vehicle requests that the person intervene.

(3) The highly automated vehicle is equipped with all of the following:
   (a) A mechanism to engage and disengage the automated driving system that is easily accessible to the testing operator.
   (b) An indicator that informs the testing operator when the automated driving system is engaged.
   (c) A system to preserve and store data from a crash or similar event in a manner and for a length of time defined by the Department of Transportation by rule.
   (d) A failure alert system that:
      (A) Notifies the testing operator if a system failure is detected;
      (B) Clearly indicates when the automated driving system is disengaged; and
      (C) Allows the testing operator to assume immediate control of the highly automated vehicle, or to have the vehicle achieve minimal risk condition, at all times.

SECTION 8. Testing operators. (1) A person may be a testing operator only if the person:
   (a) Is a natural person;
   (b) Is an employee, contractor or other designee of an automated vehicle manufacturer;
   (c) Has passed a criminal background check; and
   (d) Meets any other requirements established by the Department of Transportation by rule.

(2) (a) A person may not be a testing operator if the person has been convicted of a traffic crime or violation, or entered into a diversion program for a traffic crime or violation, within a period of time prescribed by the department by rule.
   (b) The department, by rule, shall identify the traffic crimes and violations that disqualify a person from becoming a testing operator. Disqualifying traffic crimes or violations under this subsection may not include parking or pedestrian offenses or bicycling offenses, exclusive of a conviction, or entry into a diversion program, for driving under the influence of intoxicants.
(3) A testing operator must possess the proper class of license or endorsement for the
type of highly automated vehicle being tested.

(4) A testing operator is subject to the provisions applicable to, and has the same rights
and duties as, the operator of any other motor vehicle operating on the highways of this
state except:

(a) Those provisions that by their very nature can have no application.
(b) When otherwise specifically provided under the Oregon Vehicle Code.

SECTION 9. Law enforcement notification. (1) An automated vehicle manufacturer testing
highly automated vehicles on the highways of this state shall notify state police and city
and local law enforcement officials as follows:

(a) If the test vehicle is a passenger vehicle, as defined by the Department of Transpor-
tation by rule, the automated vehicle manufacturer shall affix to the rear window of the test
vehicle the highly automated vehicle testing permit sticker prescribed by the department
under ORS 805.200.

(b) If the test vehicle is a commercial motor vehicle, the automated vehicle manufacturer
shall provide the department and state police with images of the test vehicle, information
about testing routes and notification of testing dates and times.

(2) The department may notify state police and city and local law enforcement officials
of the communities in which testing will take place of the issuance of testing permits under
section 5 of this 2019 Act and any conditions or limits placed upon a testing permit.

(3) The department, in consultation with the Department of State Police, by rule shall
establish the procedure for automated vehicle manufacturers to comply with the notification
requirements under this section.

SECTION 10. Law enforcement and first responder interaction plan. (1) Prior to testing
a highly automated vehicle as described in section 4 of this 2019 Act, an automated vehicle
manufacturer shall provide state police, and all law enforcement agencies and first
responders within the test vehicle’s geographic testing area, with its law enforcement and
first responder interaction plan.

(2) The law enforcement and first responder interaction plan must include, but is not
limited to, the following:

(a) If the testing operator is a remote operator, how to communicate with the remote
operator.

(b) The location in the test vehicle of the owner information, vehicle registration and
proof of insurance, or how to otherwise obtain such information at the scene of a collision.

(c) How to safely remove the test vehicle from the roadway.

(d) How to recognize whether the automated driving system is engaged.

(e) How to disengage the automated driving system and how to determine if it is safe to
do so.

(f) How to detect whether and ensure that the automated driving system has been dis-
engaged.

(g) When applicable, how to safely interact with hybrid or electric test vehicles.

(h) A description of the operational design domain of the test vehicle.

(i) Any other information the Department of Transportation, in consultation with the
Department of State Police, requires by rule.

SECTION 11. Liability of manufacturer. If an automated driving system is installed in a
motor vehicle by a person other than the person that originally manufactured the motor
vehicle, the person that originally manufactured the motor vehicle is not liable to any person
for injury, death or damage resulting from the failure of the automated driving system.

SECTION 12. Penalties. (1) If an automated vehicle manufacturer tests a highly auto-
mated vehicle without obtaining a testing permit under section 5 of this 2019 Act, the De-
partment of Transportation may assess a civil penalty up to $100,000 per offense.

(2) A civil penalty imposed under subsection (1) of this section may be remitted or re-
duced upon such terms and conditions as the department considers proper and consistent
with the public health and safety.

SECTION 13. Testing a highly automated vehicle without a testing permit or sticker. (1)
A person commits the offense of testing a highly automated vehicle without a testing permit
or sticker if the person tests a highly automated vehicle as described in section 4 of this 2019
Act without a testing permit issued under section 5 of this 2019 Act or, if applicable, a testing
permit sticker prescribed by the Department of Transportation under ORS 805.200.

(2) The offense described in this section, testing a highly automated vehicle without a
testing permit or sticker, is a Class C traffic violation.

SECTION 13a. Exemption to state equipment requirements. The Department of Trans-
portation may grant an automated vehicle manufacturer that is or will be testing a highly
automated vehicle, as described in section 4 of this 2019 Act, an exemption to any state
equipment requirements under ORS chapter 815 or 816.

SECTION 14. Driver and passenger of highly automated vehicle. (1) As used in this sec-
tion, “dynamic driving task,” “highly automated vehicle” and “testing operator” have the
meanings given those terms in section 2 of this 2019 Act.

(2) For the purposes of the laws of this state and any administrative rule adopted pur-
suant to the laws, unless the context or a specifically applicable definition requires other-
wise, while a highly automated vehicle is being tested as described in section 4 of this 2019
Act:

(a) The testing operator is the driver or operator of the highly automated vehicle; and

(b) Any natural person, other than the testing operator, who is an occupant in the highly
automated vehicle but who has no role in the dynamic driving task or other operation of the
vehicle is a passenger.

SECTION 15. ORS 805.200 is amended to read:

805.200. (1) The Department of Transportation by rule:

(a) Shall design plates, stickers, plate and sticker combinations or other devices or indicia that
distinguish government-owned vehicles registered under the provisions of ORS 805.040 from other
vehicles.

(b) May design plates, stickers, plate and sticker combinations or other devices or indicia for
distinguishing vehicles registered under specific provisions of the Oregon Vehicle Code other than
ORS 805.040, 805.105 or 805.205. Plates designed under this paragraph shall comply with the re-
quirements of ORS 803.535. The fees for plates or indicia described in this paragraph are provided
under ORS 805.250.

(c) Shall prescribe the requirements for highly automated vehicle testing permit stickers
that distinguish passenger vehicles, as defined by the department by rule, that are test ve-
hicles, as defined in section 2 of this 2019 Act, from other passenger vehicles.

(2) Unless otherwise provided by statute or by rule of the department, indicia of registration
that distinguish one kind of registration from another may not be transferred unless the new owner of the vehicle qualifies for that specific kind of registration.

(3) The department may adopt rules concerning the disposition of plates, stickers, devices or other indicia of registration upon transfer of ownership of the vehicle or when the owner or the vehicle is no longer eligible for the particular indicia. The department may cancel or revoke registration for failure to comply with rules adopted under this section.

FINANCIAL RESPONSIBILITY

SECTION 16. ORS 806.060 is amended to read:

806.060. A person who is required to comply with the financial responsibility requirements of this state must be able to respond in damages, in amounts required under this section, for liability on account of accidents arising out of the ownership, operation, maintenance or use of motor vehicles and must establish that ability by one of the methods required by this section. All of the following apply to the financial responsibility requirements of this state:

(1) To meet the financial responsibility requirements, a person must be able to respond in damages in amounts not less than those established under the payment schedule under ORS 806.070.

(2) A person may only comply with the financial responsibility requirements of this state by establishing the required ability to respond in damages in one of the following ways:

(a) Obtaining a motor vehicle liability policy meeting the requirements under ORS 806.080 that will provide at least minimum limits necessary to pay amounts established under the payment schedule under ORS 806.070.

(b) (A) Becoming self-insured as provided under ORS 806.130.

(B) Notwithstanding subparagraph (A) of this paragraph, the automated vehicle manufacturer of a highly automated vehicle, as defined in section 2 of this 2019 Act, may not comply with the financial responsibility requirements of this state by becoming self-insured under ORS 806.130.

SECTION 17. ORS 806.080 is amended to read:

806.080. (1) A motor vehicle liability insurance policy used to comply with financial responsibility requirements under ORS 806.060 must meet all of the following requirements:

(a) It must be a policy or part of a policy designating, by explicit description or by appropriate reference, all motor vehicles for which coverage is provided by the policy.

(b) It must insure the named insured and all other persons insured under the terms of the policy against loss from the liabilities imposed by law for damages arising out of the ownership, operation, use or maintenance of those motor vehicles by persons insured under the policy. The policy must include in its coverage all persons who, with the consent of the named insured, use the motor vehicles insured under the policy, except for any person specifically excluded from coverage under ORS 742.450.

(c) It must provide the minimum limits of coverage required under ORS 806.070.

(2) If the motor vehicle liability insurance policy provides insurance for a highly automated vehicle, as defined in section 2 of this 2019 Act, the policy must expressly provide coverage for testing of a highly automated vehicle under sections 2 to 13a of this 2019 Act and any rules adopted by the Department of Transportation implementing the provisions of sections 2 to 13a of this 2019 Act.

[2] (3) The requirements for the insurance may be fulfilled by the policies of one or more ins-
surance carriers which policies together meet such requirements.

DRIVING PRIVILEGES, DUTIES AND RULES OF THE ROAD

SECTION 18. ORS 801.026, as amended by section 5, chapter 22, Oregon Laws 2018, is amended to read:

801.026. (1) Persons, motor vehicles and equipment employed or used by a public or telecommunications utility, electric cooperative or by the United States, this state or any political subdivision of this state are exempt from the provisions of the vehicle code specified in subsection (3) of this section while on a highway and working or being used to service, construct, maintain or repair the facilities of a utility.

(2) Persons, motor vehicles and equipment employed or being used in the construction or reconstruction of a street or highway are exempt from the provisions of the vehicle code specified in subsection (3) of this section if:

(a) They are within the immediate construction project as described in the governmental agency contract, if there is a contract; and

(b) The work is being done in an area that is signed in accordance with the manual adopted under ORS 810.200.

(3) Persons, motor vehicles and equipment described in subsections (1) and (2) of this section are exempt from provisions of the vehicle code relating to rules of the road as described in ORS chapter 811, except that this subsection does not apply to:

(a) Reckless driving, as defined in ORS 811.140.

(b) Driving while under the influence of intoxicants, as defined in ORS 813.010.

(c) Failure to perform the duties of a driver involved in a collision, as described in ORS 811.700 or 811.705.

(d) Criminal driving while suspended or revoked, as defined in ORS 811.182.

(e) Fleeing or attempting to elude a police officer, as defined in ORS 811.540.

(4) Motor vehicles and equipment being used in the area and in the manner described in subsection (2) of this section are also exempt from the provisions of the vehicle code relating to vehicle size and weight to the extent set out in the governmental agency contract.

(5) Devices moved exclusively on stationary rail tracks are exempt from the vehicle code.

(6) Devices that are powered exclusively by human power are not subject to those provisions of the vehicle code that relate to vehicles. Notwithstanding this subsection, bicycles are generally subject to the vehicle code as provided under ORS 814.400.

(7)(a) Testing operators testing highly automated vehicles on the highways of this state, as described in section 4 of this 2019 Act, without an onboard operator are exempt from the following provisions of the vehicle code if the automated vehicle manufacturer conducting the testing has a valid testing permit issued by the Department of Transportation under section 5 of this 2019 Act and the highly automated vehicle is operating within the geographic testing area described in the testing permit:

(A) Failure to post warnings for a disabled vehicle, as described in ORS 811.530.

(B) Failure to carry or present license, as described in ORS 807.570.

(C) Failure to perform the duties of a driver described in ORS 811.700, 811.705, 811.710 and 811.715.
A-Eng. HB 2770

(b) Notwithstanding the exceptions under paragraph (a)(C) of this subsection, a testing operator shall ensure that a highly automated vehicle remains at the scene of an accident described in ORS 811.700 or 811.710 until a police officer has arrived and has received the information required under ORS 811.700 or 811.710 or, if a police officer will not arrive at the scene of the accident, until the information required under ORS 811.700 or 811.710 is conveyed to the other driver or any other person who is entitled to receive the information as a result of the accident.

(c) As used in this subsection, “automated vehicle manufacturer,” “highly automated vehicle,” “onboard operator” and “testing operator” have the meanings given those terms in section 2 of this 2019 Act.

[(7)] (8) The exemptions in subsection (3) of this section do not apply to the persons and vehicles when traveling to or from the facilities or construction project.

SECTION 19. ORS 807.020, as amended by section 36, chapter 76, Oregon Laws 2018, is amended to read:

807.020. A person who is granted a driving privilege by this section may exercise the driving privilege described without violation of the requirements under ORS 807.010. A grant of driving privileges to operate a motor vehicle under this section is subject to suspension and revocation the same as other driving privileges granted under the vehicle code. This section is in addition to any exemptions from the vehicle code under ORS 801.026. The following persons are granted the described driving privileges:

(1) A person who is not a resident of this state or who has been a resident of this state for less than 30 days may operate a motor vehicle without an Oregon license or driver permit if the person holds a current out-of-state license issued to the person. For the purpose of this subsection, a person is a resident of this state if the person meets the residency requirements described in ORS 807.062. To qualify under this subsection, the person must have the out-of-state license or driver permit in the person’s possession. A person is not granted driving privileges under this subsection:

(a) If the person is under the minimum age required to be eligible for driving privileges under ORS 807.060;

(b) During a period of suspension or revocation by this state or any other jurisdiction of driving privileges or of the right to apply for a license or driver permit issued by this state or any other jurisdiction; or

(c) That exceed the driving privileges granted to the person by the out-of-state license or driver permit.

(2) A person who is a member of the Armed Forces of the United States or a member of the commissioned corps of the National Oceanic and Atmospheric Administration may operate a motor vehicle without an Oregon license or driver permit if the person is operating a motor vehicle in the course of the person’s duties in the Armed Forces or the National Oceanic and Atmospheric Administration.

(3) A person without a license or driver permit may operate a road roller or road machinery that is not required to be registered under the laws of this state.

(4) A person without a license or driver permit may temporarily operate, draw, move or propel a farm tractor or implement of husbandry.

(5) A person without a license or driver permit may operate a motor vehicle to demonstrate driving ability during the course of an examination administered under ORS 807.070 for the purpose of qualifying for a license or driver permit. This subsection only applies when an authorized exam-
iner is in a seat beside the driver of the motor vehicle.

(6) Driving privileges for snowmobiles are exclusively as provided in ORS 821.150.

(7) Driving privileges for Class I all-terrain vehicles are exclusively as provided in ORS 821.170, unless a person is operating a Class I all-terrain vehicle on an all-terrain vehicle highway access route that is designated by the Oregon Transportation Commission as open to all-terrain vehicles.

(8) Driving privileges for Class III all-terrain vehicles are exclusively as provided in ORS 821.172, unless a person is operating a Class III all-terrain vehicle on an all-terrain vehicle highway access route that is designated by the commission as open to all-terrain vehicles.

(9) Driving privileges for Class IV all-terrain vehicles are exclusively as provided in ORS 821.176, unless a person is operating a Class IV all-terrain vehicle on an all-terrain vehicle highway access route that is designated by the commission as open to all-terrain vehicles.

(10) A person without a license or driver permit may operate a golf cart in accordance with an ordinance adopted under ORS 810.070.

(11) The spouse of a member of the Armed Forces of the United States on active duty or the spouse of a member of the commissioned corps of the National Oceanic and Atmospheric Administration who is accompanying the member on assignment in this state may operate a motor vehicle if the spouse has a current out-of-state license or driver permit issued to the spouse by another state in the spouse's possession.

(12) A person who is a member of the Armed Forces of the United States on active duty or a member of the commissioned corps of the National Oceanic and Atmospheric Administration may operate a motor vehicle if the person has a current out-of-state license or driver permit in the person's possession that is issued to the person by the person's state of domicile or by the Armed Forces of the United States in a foreign country. Driving privileges described under this subsection that are granted by the Armed Forces apply only for a period of 45 days from the time the person returns to the United States.

(13) A person who does not hold a motorcycle endorsement may operate a motorcycle if the person is:

(a) Within an enclosed cab;

(b) Operating a vehicle designed to travel with three wheels in contact with the ground at speeds of less than 15 miles per hour; or

(c) Operating an autocycle.

(14) A person may operate a bicycle that is not an electric assisted bicycle without any grant of driving privileges.

(15) A person may operate an electric assisted bicycle without a driver license or driver permit if the person is 16 years of age or older.

(16) A person may operate a motor assisted scooter without a driver license or driver permit if the person is 16 years of age or older.

(17) A person who is not a resident of this state or who has been a resident of this state for less than 30 days may operate a motor vehicle without an Oregon license or driver permit if the person is at least 15 years of age and has in the person's possession a current out-of-state equivalent of a Class C instruction driver permit issued to the person. For the purpose of this subsection, a person is a resident of this state if the person meets the residency requirements described in ORS 807.062. A person operating a motor vehicle under authority of this subsection has the same privileges and is subject to the same restrictions as a person operating under the authority of a Class C instruction driver permit issued as provided in ORS 807.280.
A person may operate an electric personal assistive mobility device without any grant of driving privileges if the person is 16 years of age or older.

(19) (a) A person who has a valid testing permit issued under section 5 of this 2019 Act may test a highly automated vehicle, as described in section 4 of this 2019 Act.
(b) As used in this subsection, “highly automated vehicle” has the meaning given that term in section 2 of this 2019 Act.

SECTION 20. ORS 811.507, as amended by section 1, chapter 32, Oregon Laws 2018, is amended to read:

811.507. (1) As used in this section:
(A) “Driving” means operating a motor vehicle on a highway or premises open to the public, and while temporarily stationary because of traffic, a traffic control device or other momentary delays.
(B) “Driving” does not include when the motor vehicle has stopped in a location where it can safely remain stationary and:
(i) Is pulled over on the side of, or is pulled off, a roadway;
(ii) Is in a designated parking space; or
(iii) Is required to park in the roadway to conduct construction or utility maintenance work.
(b) “Hands-free accessory” means an attachment or built-in feature for or an addition to a mobile electronic device that gives a person the ability to keep both hands on the steering wheel at all times while using the device or requires only the minimal use of a finger, via a swipe or tap, to activate or deactivate a function of the device.
(c) “Livestock” has the meaning given that term in ORS 609.125.
(d) (A) “Mobile electronic device” means an electronic device that is not permanently installed in a motor vehicle.
(B) “Mobile electronic device” includes but is not limited to a device capable of text messaging, voice communication, entertainment, navigation, accessing the Internet or producing electronic mail.
(e) “Using a mobile electronic device” includes but is not limited to using a mobile electronic device for text messaging, voice communication, entertainment, navigation, accessing the Internet or producing electronic mail.
(2) A person commits the offense of driving a motor vehicle while using a mobile electronic device if the person, while driving a motor vehicle on a highway or premises open to the public:
(a) Holds a mobile electronic device in the person’s hand; or
(b) Uses a mobile electronic device for any purpose.
(3) This section does not apply to a person:
(a) Who is employed as a commercial motor vehicle driver, or as a school bus driver, and is using a mobile electronic device within the scope of the person’s employment if the use is permitted under regulations promulgated pursuant to 49 U.S.C. 31136;
(b) Who is employed as a driver of a vehicle having a gross vehicle weight rating or gross vehicle weight of at least 10,001 pounds and is using a mobile electronic device within the scope of the person’s employment and as required under regulations promulgated pursuant to 49 U.S.C. 31137;
(c) Who is operating a two-way radio device that transmits radio communication transmitted by a station operating on an authorized frequency within the business, citizens’ or family radio service bands in accordance with rules of the Federal Communications Commission while transporting forest products, or while operating a vehicle to assist in logging operations, within the scope of the person’s employment;
(d) Who is using a two-way radio device while operating a school bus or school activity vehicle within the scope of the person's employment;
(e) Who is using a two-way radio device or operating a two-way radio device that transmits radio communication transmitted by a station operating on an authorized frequency within the business, citizens' or family radio service bands in accordance with rules of the Federal Communications Commission while operating a vehicle owned or contracted by a utility for the purpose of installing, repairing, maintaining, operating or upgrading utility service, including but not limited to natural gas, electricity, water or telecommunications, within the scope of the person's employment;
(f) Who is using a two-way radio device while operating a vehicle wider than the lane of travel, a vehicle transporting livestock or a vehicle requiring a slow-moving vehicle emblem under ORS 815.110, and the use of the device facilitates the safe operation of the vehicle;[or]
(g) Who is using a two-way radio device while operating a pilot or safety vehicle used to assist the safe movement of a vehicle described in paragraph (f) of this subsection, and the use of the device facilitates the safe movement of the vehicle described in paragraph (f) of this subsection[; or]
(h) Who is a remote operator testing a highly automated vehicle as described in section 4 of this 2019 Act and using an electronic device to operate the highly automated vehicle.

As used in this paragraph, “highly automated vehicle” and “remote operator” have the meanings given those terms in section 2 of this 2019 Act.

(4) It is an affirmative defense to a prosecution of a person under this section that the person:

(a) Used the mobile electronic device to communicate if the person was summoning or providing medical or other emergency help if no other person in the vehicle was capable of summoning help;
(b) Was 18 years of age or older and was using a hands-free accessory;
(c) Was driving an ambulance or emergency vehicle while acting within the scope of the person's employment;
(d) Was a police officer, firefighter or emergency medical services provider and was acting within the scope of the person's employment;
(e) Was 18 years of age or older, held a valid amateur radio operator license issued or any other license issued by the Federal Communications Commission and was operating an amateur radio;

(f) Was operating a two-way radio device that transmits radio communication transmitted by a station operating on an authorized frequency within the business, citizens' or family radio service bands in accordance with rules of the Federal Communications Commission to summon medical or other emergency help; or

(g) Was using a medical device.

(5) The offense described in this section, driving a motor vehicle while using a mobile electronic device, is:

(a) Except as provided in paragraph (b) of this subsection, for a person's first conviction, a Class B traffic violation.
(b) For a person's first conviction, if commission of the offense contributes to an accident described in ORS 811.720, a Class A traffic violation.
(c) For a person's second conviction within a 10-year period following the date of the person's first conviction, a Class A traffic violation.
(d) For a person's third or subsequent conviction within a 10-year period preceding the date of the person’s current conviction, a Class B misdemeanor.
(6) In addition to any other sentence that may be imposed, the court shall impose a minimum fine of $2,000 on a person convicted of a Class B misdemeanor under subsection (5)(d) of this section.
(7) For purposes of this section, sentences for two or more convictions that are imposed in the same sentencing proceeding are considered to be one sentence.

(8)(a) For a person’s first conviction of driving a motor vehicle while using a mobile electronic device, the court may suspend the fine to be imposed under subsection (5)(a) of this section on the condition that the person, within 120 days of sentencing:

(A) Complete at the person’s own expense a distracted driving avoidance course approved by the Department of Transportation under ORS 811.508; and

(B) Provide proof of completion to the court.

(b) The court may schedule a hearing to determine whether the person successfully completed the distracted driving avoidance course.

(c) If the person has successfully completed the requirements described in paragraph (a) of this subsection, the court shall enter a sentence of discharge. Notwithstanding ORS 153.021, a sentence of discharge imposed under this paragraph may not include a fine.

(d) If the person has not successfully completed the requirements described in paragraph (a) of this subsection, the court shall:

(A) Grant the person an extension based on good cause shown; or

(B) Impose the fine under subsection (5)(a) of this section.

(9) The department shall place signs on state highways to notify drivers that it is unlawful to drive a motor vehicle on the highways of this state while using a mobile electronic device and violators are subject to criminal penalties.

INTERACTION WITH LAW ENFORCEMENT

SECTION 21. ORS 806.011 is amended to read:

806.011. (1) Proof of insurance issued as provided in ORS 742.447, or other current proof of compliance with financial or future responsibility requirements approved by rule by the Department of Transportation, shall be carried in each motor vehicle that is operating in this state and that is not exempt from compliance with financial or future responsibility requirements.

(2) The use of an electronic device to display proof of insurance does not constitute consent for a police officer to access other contents of the electronic device.

(3)(a) Failure of the driver of a motor vehicle to show proof of insurance or other current proof of compliance when asked to do so by a police officer is reasonable grounds for the officer to believe that the person is operating the vehicle in violation of ORS 806.010.

(b) If the vehicle is a highly automated vehicle being tested, as described in section 4 of this 2019 Act, without an onboard operator, failure of the automated vehicle manufacturer to file a law enforcement and first responder interaction plan described in section 10 of this 2019 Act is reasonable grounds for a police officer to believe that the vehicle is being operated in violation of ORS 806.010.

(c) As used in this subsection, “automated vehicle manufacturer,” “highly automated vehicle” and “onboard operator” have the meanings given those terms in section 2 of this 2019 Act.

(4) The registered owner of the motor vehicle may black out or otherwise obscure the residence address, business address, mailing address or vehicle address shown on the proof of insurance, or other current proof of compliance with financial or future responsibility requirements approved by rule by the department. No other information may be blacked out or otherwise obscured.
SECTION 22. ORS 806.012 is amended to read:

806.012. (1)(a) A person commits the offense of failure to carry proof of compliance with financial responsibility requirements if:

(A) The person operates a motor vehicle in this state and does not have in the vehicle current proof of compliance with financial responsibility requirements.[; or]

(B) The person is the automated vehicle manufacturer of a highly automated vehicle being tested, as described in section 4 of this 2019 Act, without an onboard operator, and the automated vehicle manufacturer has not filed a law enforcement and first responder interaction plan described in section 10 of this 2019 Act.

(b) As used in this subsection, “automated vehicle manufacturer,” “highly automated vehicle” and “onboard operator” have the meanings given those terms in section 2 of this 2019 Act.

(2) The Department of Transportation shall determine by rule what constitutes proof of compliance with financial responsibility requirements.

(3) This section does not apply:

(a) To persons operating motor vehicles that are exempt from financial responsibility requirements by ORS 806.020; or

(b) If a police officer verifies proof of compliance with financial responsibility requirements through the Law Enforcement Data System.

(4) The court shall dismiss any charge under this section if, prior to the court appearance date listed on the citation, the person charged delivers to the clerk of the court named on the citation proof of compliance with financial responsibility requirements at the time of the violation.

(5) The offense described in this section, failure to carry proof of compliance with financial responsibility requirements, is a Class B traffic violation.

SECTION 23. ORS 807.570 is amended to read:

807.570. (1) A person commits the offense of failure to carry a license or to present a license to a police officer if the person either does one of the following:

(a) Drives any motor vehicle upon a highway in this state without a license, driver permit or out-of-state license in the person’s possession; [or]

(b) Does not present and deliver such license or permit to a police officer when requested by the police officer under any of the following circumstances:

(A) Upon being lawfully stopped or detained when driving a vehicle[; or]

(B) When the vehicle that the person was driving is involved in an accident[; or]

(c) Is the automated vehicle manufacturer of a highly automated vehicle being tested, as described in section 4 of this 2019 Act, without an onboard operator, and the automated vehicle manufacturer has not filed a law enforcement and first responder interaction plan described in section 10 of this 2019 Act. As used in this paragraph, “automated vehicle manufacturer,” “highly automated vehicle” and “onboard operator” have the meanings given those terms in section 2 of this 2019 Act.

(2) [This section does] Subsection (1)(a) and (b) of this section do not apply to any person expressly exempted under ORS 807.020 from the requirement to have a driver license or driver permit.

(3) Except as provided in ORS 813.110, it is a defense to any charge under subsection (1)(a) and (b) of this section that the person so charged produce a license, driver permit or out-of-state license that had been issued to the person and was valid at the time of violation of this section.
(4) A police officer may detain a person arrested or cited for the offense described in this section
only for such time as reasonably necessary to investigate and verify the person’s identity.
(5) The offense described in this section, failure to carry a license or to present a license to a
police officer, is a Class C misdemeanor.

PUBLIC RECORDS

SECTION 24. ORS 192.355 is amended to read:
192.355. The following public records are exempt from disclosure under ORS 192.311 to 192.478:
(1) Communications within a public body or between public bodies of an advisory nature to the
degree that they cover other than purely factual materials and are preliminary to any final agency
determination of policy or action. This exemption shall not apply unless the public body shows that
in the particular instance the public interest in encouraging frank communication between officials
and employees of public bodies clearly outweighs the public interest in disclosure.
(2)(a) Information of a personal nature such as but not limited to that kept in a personal, med-
ical or similar file, if public disclosure would constitute an unreasonable invasion of privacy, unless
the public interest by clear and convincing evidence requires disclosure in the particular instance.
The party seeking disclosure shall have the burden of showing that public disclosure would not
constitute an unreasonable invasion of privacy.
(b) Images of a dead body, or parts of a dead body, that are part of a law enforcement agency
investigation, if public disclosure would create an unreasonable invasion of privacy of the family of
the deceased person, unless the public interest by clear and convincing evidence requires disclosure
in the particular instance. The party seeking disclosure shall have the burden of showing that public
disclosure would not constitute an unreasonable invasion of privacy.
(3) Upon compliance with ORS 192.363, public body employee or volunteer residential addresses,
residential telephone numbers, personal cellular telephone numbers, personal electronic mail ad-
dresses, driver license numbers, employer-issued identification card numbers, emergency contact in-
formation, Social Security numbers, dates of birth and other telephone numbers contained in
personnel records maintained by the public body that is the employer or the recipient of volunteer
services. This exemption:
(a) Does not apply to the addresses, dates of birth and telephone numbers of employees or vol-
unteers who are elected officials, except that a judge or district attorney subject to election may
seek to exempt the judge’s or district attorney’s address or telephone number, or both, under the
terms of ORS 192.368;
(b) Does not apply to employees or volunteers to the extent that the party seeking disclosure
shows by clear and convincing evidence that the public interest requires disclosure in a particular
instance pursuant to ORS 192.363;
(c) Does not apply to a substitute teacher as defined in ORS 342.815 when requested by a pro-
fessional education association of which the substitute teacher may be a member; and
(d) Does not relieve a public employer of any duty under ORS 243.650 to 243.782.
(4) Information submitted to a public body in confidence and not otherwise required by law to
be submitted, where such information should reasonably be considered confidential, the public body
has obliged itself in good faith not to disclose the information, and when the public interest would
suffer by the disclosure.
(5) Information or records of the Department of Corrections, including the State Board of Parole
and Post-Prison Supervision, to the extent that disclosure would interfere with the rehabilitation of
a person in custody of the department or substantially prejudice or prevent the carrying out of the
functions of the department, if the public interest in confidentiality clearly outweighs the public in-
terest in disclosure.

(6) Records, reports and other information received or compiled by the Director of the Depart-
ment of Consumer and Business Services in the administration of ORS chapters 723 and 725 not
otherwise required by law to be made public, to the extent that the interests of lending institutions,
their officers, employees and customers in preserving the confidentiality of such information out-
weighs the public interest in disclosure.

(7) Reports made to or filed with the court under ORS 137.077 or 137.530.

(8) Any public records or information the disclosure of which is prohibited by federal law or
regulations.

(9)(a) Public records or information the disclosure of which is prohibited or restricted or other-
wise made confidential or privileged under Oregon law.

(b) Subject to ORS 192.360, paragraph (a) of this subsection does not apply to factual information
compiled in a public record when:

(A) The basis for the claim of exemption is ORS 40.225;

(B) The factual information is not prohibited from disclosure under any applicable state or fed-
eral law, regulation or court order and is not otherwise exempt from disclosure under ORS 192.311
to 192.478;

(C) The factual information was compiled by or at the direction of an attorney as part of an
investigation on behalf of the public body in response to information of possible wrongdoing by the
public body;

(D) The factual information was not compiled in preparation for litigation, arbitration or an
administrative proceeding that was reasonably likely to be initiated or that has been initiated by
or against the public body; and

(E) The holder of the privilege under ORS 40.225 has made or authorized a public statement
characterizing or partially disclosing the factual information compiled by or at the attorney’s di-
rection.

(10) Public records or information described in this section, furnished by the public body ori-
ginally compiling, preparing or receiving them to any other public officer or public body in con-
nection with performance of the duties of the recipient, if the considerations originally giving rise
to the confidential or exempt nature of the public records or information remain applicable.

(11) Records of the Energy Facility Siting Council concerning the review or approval of security
programs pursuant to ORS 469.530.

(12) Employee and retiree address, telephone number and other nonfinancial membership records
and employee financial records maintained by the Public Employees Retirement System pursuant to
ORS chapters 238 and 238A.

(13) Records of or submitted to the State Treasurer, the Oregon Investment Council or the
agents of the treasurer or the council relating to active or proposed publicly traded investments
under ORS chapter 293, including but not limited to records regarding the acquisition, exchange or
liquidation of the investments. For the purposes of this subsection:

(a) The exemption does not apply to:

(A) Information in investment records solely related to the amount paid directly into an invest-
ment by, or returned from the investment directly to, the treasurer or council; or
(B) The identity of the entity to which the amount was paid directly or from which the amount was received directly.

(b) An investment in a publicly traded investment is no longer active when acquisition, exchange or liquidation of the investment has been concluded.

(14)(a) Records of or submitted to the State Treasurer, the Oregon Investment Council, the Oregon Growth Board or the agents of the treasurer, council or board relating to actual or proposed investments under ORS chapter 293 or 348 in a privately placed investment fund or a private asset including but not limited to records regarding the solicitation, acquisition, deployment, exchange or liquidation of the investments including but not limited to:

(A) Due diligence materials that are proprietary to an investment fund, to an asset ownership or to their respective investment vehicles.

(B) Financial statements of an investment fund, an asset ownership or their respective investment vehicles.

(C) Meeting materials of an investment fund, an asset ownership or their respective investment vehicles.

(D) Records containing information regarding the portfolio positions in which an investment fund, an asset ownership or their respective investment vehicles invest.

(E) Capital call and distribution notices of an investment fund, an asset ownership or their respective investment vehicles.

(F) Investment agreements and related documents.

(b) The exemption under this subsection does not apply to:

(A) The name, address and vintage year of each privately placed investment fund.

(B) The dollar amount of the commitment made to each privately placed investment fund since inception of the fund.

(C) The dollar amount of cash contributions made to each privately placed investment fund since inception of the fund.

(D) The dollar amount, on a fiscal year-end basis, of cash distributions received by the State Treasurer, the Oregon Investment Council, the Oregon Growth Board or the agents of the treasurer, council or board from each privately placed investment fund.

(E) The dollar amount, on a fiscal year-end basis, of the remaining value of assets in a privately placed investment fund attributable to an investment by the State Treasurer, the Oregon Investment Council, the Oregon Growth Board or the agents of the treasurer, council or board.

(F) The net internal rate of return of each privately placed investment fund since inception of the fund.

(G) The investment multiple of each privately placed investment fund since inception of the fund.

(H) The dollar amount of the total management fees and costs paid on an annual fiscal year-end basis to each privately placed investment fund.

(I) The dollar amount of cash profit received from each privately placed investment fund on a fiscal year-end basis.

(15) The monthly reports prepared and submitted under ORS 293.761 and 293.766 concerning the Public Employees Retirement Fund and the Industrial Accident Fund may be uniformly treated as exempt from disclosure for a period of up to 90 days after the end of the calendar quarter.

(16) Reports of unclaimed property filed by the holders of such property to the extent permitted by ORS 98.352.

(17)(a) The following records, communications and information submitted to the Oregon Business
Development Commission, the Oregon Business Development Department, the State Department of Agriculture, the Oregon Growth Board, the Port of Portland or other ports as defined in ORS 777.005, or a county or city governing body and any board, department, commission, council or agency thereof, by applicants for investment funds, grants, loans, services or economic development moneys, support or assistance including, but not limited to, those described in ORS 285A.224:

(A) Personal financial statements.
(B) Financial statements of applicants.
(C) Customer lists.
(D) Information of an applicant pertaining to litigation to which the applicant is a party if the complaint has been filed, or if the complaint has not been filed, if the applicant shows that such litigation is reasonably likely to occur; this exemption does not apply to litigation which has been concluded, and nothing in this subparagraph shall limit any right or opportunity granted by discovery or deposition statutes to a party to litigation or potential litigation.
(E) Production, sales and cost data.
(F) Marketing strategy information that relates to applicant’s plan to address specific markets and applicant’s strategy regarding specific competitors.

(b) The following records, communications and information submitted to the State Department of Energy by applicants for tax credits or for grants awarded under ORS 469B.256:
(A) Personal financial statements.
(B) Financial statements of applicants.
(C) Customer lists.
(D) Information of an applicant pertaining to litigation to which the applicant is a party if the complaint has been filed, or if the complaint has not been filed, if the applicant shows that such litigation is reasonably likely to occur; this exemption does not apply to litigation which has been concluded, and nothing in this subparagraph shall limit any right or opportunity granted by discovery or deposition statutes to a party to litigation or potential litigation.
(E) Production, sales and cost data.
(F) Marketing strategy information that relates to applicant’s plan to address specific markets and applicant’s strategy regarding specific competitors.

(18) Records, reports or returns submitted by private concerns or enterprises required by law to be submitted to or inspected by a governmental body to allow it to determine the amount of any transient lodging tax payable and the amounts of such tax payable or paid, to the extent that such information is in a form which would permit identification of the individual concern or enterprise. Nothing in this subsection shall limit the use which can be made of such information for regulatory purposes or its admissibility in any enforcement proceedings. The public body shall notify the taxpayer of the delinquency immediately by certified mail. However, in the event that the payment or delivery of transient lodging taxes otherwise due to a public body is delinquent by over 60 days, the public body shall disclose, upon the request of any person, the following information:
(a) The identity of the individual concern or enterprise that is delinquent over 60 days in the payment or delivery of the taxes.
(b) The period for which the taxes are delinquent.
(c) The actual, or estimated, amount of the delinquency.
(19) All information supplied by a person under ORS 151.485 for the purpose of requesting appointed counsel, and all information supplied to the court from whatever source for the purpose of verifying the financial eligibility of a person pursuant to ORS 151.485.
(20) Workers' compensation claim records of the Department of Consumer and Business Services, except in accordance with rules adopted by the Director of the Department of Consumer and Business Services, in any of the following circumstances:

(a) When necessary for insurers, self-insured employers and third party claim administrators to process workers' compensation claims.

(b) When necessary for the director, other governmental agencies of this state or the United States to carry out their duties, functions or powers.

(c) When the disclosure is made in such a manner that the disclosed information cannot be used to identify any worker who is the subject of a claim.

(d) When a worker or the worker's representative requests review of the worker's claim record.

(21) Sensitive business records or financial or commercial information of the Oregon Health and Science University that is not customarily provided to business competitors.

(22) Records of Oregon Health and Science University regarding candidates for the position of president of the university.

(23) The records of a library, including:

(a) Circulation records, showing use of specific library material by a named person;

(b) The name of a library patron together with the address or telephone number of the patron; and

(c) The electronic mail address of a patron.

(24) The following records, communications and information obtained by the Housing and Community Services Department in connection with the department's monitoring or administration of financial assistance or of housing or other developments:

(a) Personal and corporate financial statements and information, including tax returns.

(b) Credit reports.

(c) Project appraisals, excluding appraisals obtained in the course of transactions involving an interest in real estate that is acquired, leased, rented, exchanged, transferred or otherwise disposed of as part of the project, but only after the transactions have closed and are concluded.

(d) Market studies and analyses.

(e) Articles of incorporation, partnership agreements and operating agreements.

(f) Commitment letters.

(g) Project pro forma statements.

(h) Project cost certifications and cost data.

(i) Audits.

(j) Project tenant correspondence.

(k) Personal information about a tenant.

(L) Housing assistance payments.

(25) Raster geographic information system (GIS) digital databases, provided by private forestland owners or their representatives, voluntarily and in confidence to the State Forestry Department, that is not otherwise required by law to be submitted.

(26) Sensitive business, commercial or financial information furnished to or developed by a public body engaged in the business of providing electricity or electricity services, if the information is directly related to a transaction described in ORS 261.348, or if the information is directly related to a bid, proposal or negotiations for the sale or purchase of electricity or electricity services, and disclosure of the information would cause a competitive disadvantage for the public body or its retail electricity customers. This subsection does not apply to cost-of-service studies used in the de-
development or review of generally applicable rate schedules.

(27) Sensitive business, commercial or financial information furnished to or developed by the City of Klamath Falls, acting solely in connection with the ownership and operation of the Klamath Cogeneration Project, if the information is directly related to a transaction described in ORS 225.085 and disclosure of the information would cause a competitive disadvantage for the Klamath Cogeneration Project. This subsection does not apply to cost-of-service studies used in the development or review of generally applicable rate schedules.

(28) Personally identifiable information about customers of a municipal electric utility or a people’s utility district or the names, dates of birth, driver license numbers, telephone numbers, electronic mail addresses or Social Security numbers of customers who receive water, sewer or storm drain services from a public body as defined in ORS 174.109. The utility or district may release personally identifiable information about a customer, and a public body providing water, sewer or storm drain services may release the name, date of birth, driver license number, telephone number, electronic mail address or Social Security number of a customer, if the customer consents in writing or electronically, if the disclosure is necessary for the utility, district or other public body to render services to the customer, if the disclosure is required pursuant to a court order or if the disclosure is otherwise required by federal or state law. The utility, district or other public body may charge as appropriate for the costs of providing such information. The utility, district or other public body may make customer records available to third party credit agencies on a regular basis in connection with the establishment and management of customer accounts or in the event such accounts are delinquent.

(29) A record of the street and number of an employee’s address submitted to a special district to obtain assistance in promoting an alternative to single occupant motor vehicle transportation.

(30) Sensitive business records, capital development plans or financial or commercial information of Oregon Corrections Enterprises that is not customarily provided to business competitors.

(31) Documents, materials or other information submitted to the Director of the Department of Consumer and Business Services in confidence by a state, federal, foreign or international regulatory or law enforcement agency or by the National Association of Insurance Commissioners, its affiliates or subsidiaries under ORS 86A.095 to 86A.198, 697.005 to 697.095, 697.602 to 697.842, 705.137, 717.200 to 717.320, 717.900 or 717.905, ORS chapter 59, 723, 725 or 726, the Bank Act or the Insurance Code when:

(a) The document, material or other information is received upon notice or with an understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or other information; and

(b) The director has obligated the Department of Consumer and Business Services not to disclose the document, material or other information.

(32) A county elections security plan developed and filed under ORS 254.074.

(33) Information about review or approval of programs relating to the security of:

(a) Generation, storage or conveyance of:

(A) Electricity;

(B) Gas in liquefied or gaseous form;

(C) Hazardous substances as defined in ORS 453.005 (7)(a), (b) and (d);

(D) Petroleum products;

(E) Sewage; or

(F) Water.
(b) Telecommunication systems, including cellular, wireless or radio systems.

(c) Data transmissions by whatever means provided.

(34) The information specified in ORS 25.020 (8) if the Chief Justice of the Supreme Court designates the information as confidential by rule under ORS 1.002.

(35)(a) Employer account records of the State Accident Insurance Fund Corporation.

(b) As used in this subsection, “employer account records” means all records maintained in any form that are specifically related to the account of any employer insured, previously insured or under consideration to be insured by the State Accident Insurance Fund Corporation and any information obtained or developed by the corporation in connection with providing, offering to provide or declining to provide insurance to a specific employer. “Employer account records” includes, but is not limited to, an employer’s payroll records, premium payment history, payroll classifications, employee names and identification information, experience modification factors, loss experience and dividend payment history.
