A BILL FOR AN ACT
Relating to household hazardous waste; creating new provisions; amending ORS 459.415 and 459.995; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

HOUSEHOLD HAZARDOUS WASTE STEWARDSHIP

SECTION 1. The Legislative Assembly finds and declares that it is in the best interests of this state for manufacturers of products for household use that contain hazardous substances to take responsibility for developing, financing and implementing a statewide system to conveniently serve the urban and rural areas of this state, for the collection and environmentally sound management of household hazardous waste.

SECTION 2. As used in sections 1 to 11 of this 2019 Act:
(1) “Brand” means a name, symbols, words or marks that identify a covered product and attribute the product to the owner of the brand as the manufacturer.
(2)(a) “Covered product” means any product offered for retail sale for household use, contained in the receptacle in which the product is offered for retail sale, if the product has any of the following characteristics:
(B) The physical properties of the product meet the criteria for designation as a class 2, 3, 4, 5, 6 or 8 hazardous material, as defined in 49 C.F.R. 173, by the United States Department of Transportation pursuant to the Hazardous Materials Transportation Act of 1975, 49 U.S.C. 5101 et seq., as amended.

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted.
New sections are in **boldfaced** type.

LC 1784
(C) The product is a marine pollutant as defined in 49 C.F.R. 171.8.

(b) “Covered product” does not mean:
(A) A primary battery or rechargeable battery.
(B) A lamp that contains mercury.
(C) A thermostat that contains mercury.
(D) A pharmaceutical drug.

(F) Architectural paint, as defined in ORS 459A.822.
(G) An electronic device, including but not limited to a covered electronic device as defined in ORS 459A.305.

(H) A vitamin or dietary supplement.

(I) A liquefied petroleum gas container or receptacle that is designed to be refilled.

(3) “Environmentally sound management” includes, but is not limited to, the following management practices, implemented in a manner that is designed to protect public health, safety and the environment:
(a) Adequate record keeping;
(b) Keeping detailed documentation of the methods used to:
(A) Manage covered products; and
(B) Track and document the fate of covered products from collection through final disposition within this state and outside this state;
(c) Performance audits and inspections;
(d) Compliance with worker health and safety requirements; and
(e) Maintenance of adequate environmental liability insurance and financial assurances for a stewardship organization and contractors working for the stewardship organization.

(4) “Final disposition” means the point beyond which no further processing takes place and the covered product has been:
(a) Transformed for direct use as a feedstock in producing new products; or
(b) Disposed of or processed for energy recovery in permitted facilities.

(5) “Household hazardous waste stewardship program” means a statewide program for the collection and environmentally sound management of covered products that is funded and operated by a stewardship organization pursuant to a plan approved by the Department of Environmental Quality under section 6 of this 2019 Act.

(6) “Manufacturer” means any person, irrespective of the selling technique used, including that of remote sale:
(a) That manufactures covered products under a brand that it owns or is licensed to use;
(b) That sells covered products manufactured by others under a brand that the seller owns;
(c) That manufactures covered products without affixing a brand;
(d) That manufactures covered products to which it affixes a brand that it does not own;
(e) On whose account covered products manufactured outside the United States are imported into the United States. This paragraph does not apply if, at the time the covered
products are imported into the United States, another person is registered as the owner of
the brand of the covered products.

(7) “Orphan covered product” means a covered product for which no manufacturer can
be identified.

(8) “Person” means the United States, the state or a public or private corporation, local
government unit, public agency, individual, partnership, association, firm, trust, estate or
other legal entity.

(9) “Pharmaceutical drug” means any product sold for human medical or veterinary use,
including prescription, nonprescription, brand name and generic drugs.

(10) “Premium service” means a service such as at-home pickup service, including
curbside pickup service.

(11) “Primary battery” means any nonrechargeable battery, including but not limited to
an alkaline, a carbon-zinc and a lithium metal battery.

(12) “Rechargeable battery” means one or more voltaic or galvanic cells, electrically
connected to produce electric energy and designed to be recharged.

(13) “Retailer” means a person that offers new covered products for sale at retail
through any means, including but not limited to remote offerings such as sales outlets, cat-
alogs or the Internet.

(14) “Stewardship organization” means a corporation, nonprofit organization or other le-
gal entity designated by a manufacturer or group of manufacturers to implement a house-
hold hazardous waste stewardship program.

SECTION 3. (1) A manufacturer or retailer may not sell or offer for sale any covered
product to any person in this state unless:

(a) The covered product is labeled with a brand; and

(b) The brand is included in a plan for a household hazardous waste stewardship program
that is submitted to and approved by the Department of Environmental Quality pursuant to
sections 5 and 6 of this 2019 Act.

(2) The manufacturer or retailer shall provide to consumers, at the time of sale, informa-
tion on available collection opportunities for the covered product through the approved
household hazardous waste stewardship program.

(3) A retailer is in compliance with subsection (1) of this section if, on the date the cov-
ered product is ordered from the manufacturer or its agent, the website maintained by the
manufacturer's stewardship organization lists the manufacturer, along with the
manufacturer's brand associated with the covered product, as a participant in an approved
household hazardous waste stewardship program.

SECTION 4. Before January 1 of each year, a stewardship organization for covered pro-
ducts sold or offered for sale in this state shall register with the Department of Environ-
mental Quality, for a period to cover the upcoming calendar year, on a form provided by the
department. The registration must include:

(1) A list of all manufacturers that are participating in the stewardship organization.

(2) A list of all the brands manufactured, sold or imported by the manufacturers partic-
ipating in the stewardship organization, including those brands being offered for sale in this
state by the manufacturers.

(3) Any other information required by the department to implement sections 1 to 11 of
this 2019 Act.
SECTION 5. (1) In a form and manner prescribed by the Department of Environmental Quality, a stewardship organization shall submit to the department a plan for the development and implementation of a household hazardous waste stewardship program. The plan must describe how the stewardship organization will:

(a) Manage and conduct a household hazardous waste stewardship program.

(b) Fund the household hazardous waste stewardship program, including how the stewardship organization will fund all the costs incurred for the environmentally sound management of covered products during each stage of management, from collection of the covered products from the public through final disposition of the covered products.

(c) Apportion the costs of the household hazardous waste stewardship program among each manufacturer participating in the stewardship organization.

(d) Provide for the environmentally sound management of covered products.

(e) Provide for advertising and promoting collection opportunities statewide and on a regular basis.

(f) Work to develop and implement the household hazardous waste stewardship program in coordination with:

(A) An approved statewide architectural paint stewardship program as described in ORS 459A.820 to 459A.855; and

(B) Any other stewardship organizations in this state.

(g) Provide for convenient service as described in subsection (2) of this section.

(2) Unless the department adopts by rule different standards, a plan provides for convenient service if:

(a) For a county or metropolitan service district where a permanent publicly owned or publicly contracted household hazardous waste collection site is located, the plan describes how the stewardship organization will provide for the environmentally sound management of covered products received at the permanent site and received through collection events conducted by an entity approved by the department to conduct collection events, the county or the metropolitan service district;

(b) For a county that does not have a permanent publicly owned or publicly contracted household hazardous waste collection site and that contains all or part of a city having a population of 25,000 or more, the plan describes how the stewardship organization will provide for:

(A) At least one collection event per year; and

(B) The environmentally sound management of covered products received at the collection event provided for by the stewardship organization and at any additional collection events conducted by the department, an entity approved by the department to conduct collection events or the county; and

(c) For a county that does not have a permanent publicly owned or publicly contracted household hazardous waste collection site and that does not contain all or part of a city having a population of 25,000 or more, the plan describes how the stewardship organization will provide for:

(A) At least one collection event every other year; and

(B) The environmentally sound management of covered products received at the collection event provided for by the stewardship organization and at any additional collection events conducted by the department, an entity approved by the department to conduct col-
lection events or the county.

(3)(a) A plan submitted under subsection (1) of this section must describe how the stewardship organization has made a good faith effort to coordinate with an appropriate local government as defined in ORS 174.116, collection service franchise holder under ORS 459A.085 or person who provides collection service for the payment of costs associated with the receipt at collection events of products that are not covered products.

(b) If the department determines that the stewardship organization has made a good faith effort under paragraph (a) of this subsection and was unable to coordinate with the appropriate local government, collection service franchise holder or person who provides collection service, the department may allow the stewardship organization to refuse to accept at collection events products that are not covered products.

(4) In operating a household hazardous waste stewardship program, a stewardship organization shall:

(a) Implement the plan required under this section no later than 60 days after the department approves the plan.

(b) Meet or exceed the requirements for providing convenient service as described in subsection (2) of this section.

(c) Offer publicly owned or publicly contracted household hazardous waste collection sites the first opportunity to participate as collection sites.

(d) Provide for the environmentally sound management of all covered products, regardless of the manufacturer of the covered product and including orphan covered products, free of charge, except that a stewardship organization that provides premium service for a household may charge for the additional cost of that premium service.

(e) Notify retailers that sell or offer for sale covered products made or sold by manufacturers participating in the household hazardous waste stewardship organization about the stewardship program and provide the retailers with information about available collection opportunities that the retailers will need in order to comply with section 3 (2) of this 2019 Act.

(f) By April 1 of each year, or by a later date as determined by the department, provide a report for review by the department that details how the plan required under this section was implemented during the previous calendar year, including but not limited to information about the services that were provided and the material collected during the previous calendar year.

(g) Establish and maintain a website that provides information about collection sites under the program and lists manufacturers participating in the stewardship organization under the plan and covered products that are sold or offered for sale in this state by participating manufacturers.

SECTION 6. (1) The Department of Environmental Quality shall approve a plan submitted under section 5 of this 2019 Act if the stewardship organization submits a completed plan, the proposed plan meets the requirements of section 5 of this 2019 Act and the stewardship organization pays the fee established by the Environmental Quality Commission under section 8 of this 2019 Act.

(2)(a) Not later than 60 days after receiving a plan under section 5 of this 2019 Act, the department shall approve or reject the plan. If the department rejects the plan, the department shall inform the stewardship organization of the reason or reasons for the rejection.
(b) Not later than 60 days after the department rejects a plan under paragraph (a) of this subsection, a stewardship organization must submit to the department a revised plan. Not later than 90 days after receiving a revised plan under this paragraph, the department shall approve or reject the revised plan.

(3) Notwithstanding section 5 (2)(a) of this 2019 Act, if the department determines that a plan does not provide convenient service in a county where a permanent publicly owned or publicly contracted household hazardous waste collection site is located, the department may require a stewardship organization to pay an entity approved by the department to conduct collection events for the costs the approved entity incurs for the collection, transport, processing and disposal or other management of covered products. Charges to the stewardship organization may not exceed the actual costs of providing those services.

(4) The department may adopt by rule methods for measuring program performance, which may include, but need not be limited to, convenience standards or public awareness measures.

(5) The department shall report biennially to the Legislative Assembly on the operation of the statewide system for the environmentally sound management of covered products.

SECTION 7. (1) In accordance with the applicable provisions of ORS chapter 183 relating to contested case proceedings, the Department of Environmental Quality may issue an order requiring compliance with the provisions of sections 1 to 11 of this 2019 Act.

(2) The department may bring an action against any person that is in violation of the provisions of sections 1 to 11 of this 2019 Act.

SECTION 8. (1) The Environmental Quality Commission shall adopt by rule an annual registration fee to be paid by a stewardship organization. The fee adopted under this section must be reasonably calculated to cover the costs of administering, implementing and enforcing sections 1 to 11 of this 2019 Act.

(2) The fee required by this section shall accompany the registration form submitted by a stewardship organization under section 4 of this 2019 Act.

(3) Fees collected by the commission under this section shall be deposited in the State Treasury to the credit of the Household Hazardous Waste Stewardship Fund established under section 9 of this 2019 Act.

SECTION 9. The Household Hazardous Waste Stewardship Fund is established, separate and distinct from the General Fund. Interest earned by the Household Hazardous Waste Stewardship Fund shall be credited to the fund. Moneys in the fund are continuously appropriated to the Department of Environmental Quality and may be used only to pay the costs of administering, implementing and enforcing sections 1 to 11 of this 2019 Act.

SECTION 10. The Legislative Assembly declares that the collaboration of manufacturers and stewardship organizations to develop and implement household hazardous waste stewardship programs is in the best interests of the public. Therefore, the Legislative Assembly declares its intent that the development, implementation and operation of household hazardous waste stewardship programs as required by sections 1 to 11 of this 2019 Act shall be exempt from state antitrust laws. The Legislative Assembly further declares its intent to provide immunity for the development, implementation and operation of household hazardous waste stewardship programs as required by sections 1 to 11 of this 2019 Act from federal antitrust laws. This section does not authorize any person to engage in activities or to conspire to engage in activities that constitute per se violations of state or federal antitrust
laws that are not authorized under sections 1 to 11 of this 2019 Act.

SECTION 11. The Environmental Quality Commission may adopt rules as necessary to implement sections 1 to 11 of this 2019 Act.

SECTION 12. ORS 459.415 is amended to read:

459.415. (1) Before any local government unit or stewardship organization operating a household hazardous waste stewardship program under sections 1 to 11 of this 2019 Act operates a permanent collection depot or periodic collection events for household hazardous waste or hazardous waste generated by conditionally exempt small quantity generators, the local government unit or stewardship organization shall receive written approval from the Department of Environmental Quality.

(2) In requesting written approval from the department, a local government unit or stewardship organization proposing to operate a permanent collection depot or periodic collection events shall submit a detailed proposal. The proposal shall include at least the following information:

(a) Measures to be taken to [insure] ensure safety of the public and employees or volunteers working at the collection site;

(b) Measures to be taken to prevent spills or releases of hazardous waste and a plan to respond to a spill or release if one occurs;

(c) A copy of the request for proposals for a contractor to properly manage and recycle or dispose of the waste collected in a manner consistent with the rules of the Environmental Quality Commission for hazardous waste collection, storage, transportation and disposal; and

(d) Measures to be implemented to [insure] ensure no waste is accepted from generators of hazardous waste subject to regulation under ORS 466.005 to 466.385 unless the intent is to specifically collect such waste.

(3) The department may request additional information about the proposed program from the local government unit or stewardship organization. The department shall not approve a program unless the program provides adequate provisions to protect the public health, safety and the environment.

SECTION 13. ORS 459.995 is amended to read:

459.995. (1) Except as provided in subsection (2) of this section, in addition to any other penalty provided by law:

(a) Any person who violates ORS 459.205, 459.270, 459.272, 459.386 to 459.405, 459.705 to 459.790, 459A.005 to 459A.620, 459A.310 to 459A.335, 459A.675 to 459A.685 or 646A.080 or sections 1 to 11 of this 2019 Act, or any rule or order of the Environmental Quality Commission pertaining to the disposal, collection, storage or reuse or recycling of solid wastes, as defined by ORS 459.005, or any rule or order pertaining to the disposal, storage or transportation of waste tires, as defined by ORS 459.705, or any rule or order pertaining to the sale of novelty items that contain encapsulated liquid mercury, incurs a civil penalty not to exceed $25,000 per day for each day of the violation.

(b) Any person who violates the provisions of ORS 459.420 to 459.426 incurs a civil penalty not to exceed $500 for each violation. Each battery that is disposed of improperly is a separate violation. Each day an establishment fails to post the notice required under ORS 459.426 is a separate violation.

(c) For each day a city, county or metropolitan service district fails to provide the opportunity to recycle as required under ORS 459A.005, the city, county or metropolitan service district incurs a civil penalty not to exceed $500 for each violation.

(d) Any person who violates the provisions of ORS 459.247 (1)(f) incurs a civil penalty not to
exceed $500 for each violation. Each covered electronic device that is disposed of improperly is a 
separate violation.

(e) Any retailer that violates the provisions of ORS 459A.825 (1) or (2)(b) incurs a civil penalty 
not to exceed $100 per day for each day of the violation.

(f) Any producer that violates the provisions of ORS 459A.825 (1) incurs a civil penalty not to 
exceed $1,000 per day for each day of the violation.

(g) Any stewardship organization that violates the provisions of ORS 459A.825 (2)(a), 459A.827, 
459A.830 to 459A.837 or 459A.842 incurs a civil penalty not to exceed $1,000 per day for each day 
of the violation.

(2) Any product manufacturer or package manufacturer who violates ORS 459A.650 to 459A.665 
or any rule adopted under ORS 459A.650 to 459A.665 incurs a civil penalty not to exceed $1,000 per 
day for each day of the violation. A violation of ORS 459A.650 to 459A.665 is not subject to addi-
tional penalties under subsection (1) of this section.

(3) Any civil penalty authorized by subsection (1) or (2) of this section shall be imposed in the 
manner provided by ORS 468.135.

SECTION 14. Sections 1 to 11 of this 2019 Act and the amendments to ORS 459.415 and 
459.995 by sections 12 and 13 of this 2019 Act apply to all manufacturers engaging in the ac-
tivities set forth in section 2 (6) of this 2019 Act before, on or after January 1, 2020.

MISCELLANEOUS

SECTION 15. (1) Sections 1 to 11 of this 2019 Act and the amendments to ORS 459.415 

(2) The Environmental Quality Commission and the Department of Environmental Qual-
ity may take any action before the operative date specified in subsection (1) of this section 
that is necessary for the commission and the department to exercise, on and after the op-
ervative date specified in subsection (1) of this section, all of the duties, functions and powers 
conferred on the commission and the department by sections 1 to 11 of this 2019 Act and the 
amendments to ORS 459.415 and 459.995 by sections 12 and 13 of this 2019 Act.

SECTION 16. (1) Initial plans for a household hazardous waste stewardship program must 
be submitted to the Department of Environmental Quality under section 5 of this 2019 Act 
not later than April 1, 2021.

(2) Notwithstanding section 5 (4)(a) of this 2019 Act, a household hazardous waste 
stewardship program developed pursuant to an approved plan under sections 5 and 6 of this 
2019 Act may first be implemented no earlier than January 1, 2022.

CAPTIONS

SECTION 17. The unit captions used in this 2019 Act are provided only for the conven-
ience of the reader and do not become part of the statutory law of this state or express any 
legislative intent in the enactment of this 2019 Act.

EMERGENCY CLAUSE

SECTION 18. This 2019 Act being necessary for the immediate preservation of the public
peace, health and safety, an emergency is declared to exist, and this 2019 Act takes effect on its passage.
