HOUSE BILL 2839
Sponsored by Representative NOBLE (at the request of A. Richard Vial)

SUMMARY
The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Requires all candidates for partisan office, regardless of political party affiliation or nonaffiliation, to appear on same unified primary election ballot, with two candidates receiving most votes advancing to general election ballot.

Refers Act to people for their approval or rejection at next regular general election held throughout this state.

A BILL FOR AN ACT
Relating to elections; creating new provisions; amending ORS 188.120, 248.008, 249.088, 249.091, 253.540, 253.565, 253.690, 254.056, 254.115, 254.370, 254.470 and 254.695; repealing ORS 254.025 and 254.365; and providing that this Act shall be referred to the people for their approval or rejection.

The Legislative Assembly finds as follows:
(1) All voters should have the full and equal ability, at every election, to choose those whom they believe are best suited to govern them.
(2) Competitive and open elections that encourage thoughtful debate and maximum participation are healthy for democracy and strengthen citizens’ trust in their government.
(3) Citizens should be able to register and affiliate with any legal political party, or none at all, according to their beliefs and without any coercion or diminishment of their rights as voters.
(4) Political parties should be able to endorse and support any qualified candidate, or none at all, according to the beliefs and choices of their members and without any compulsion or diminishment of their rights through operations of law.
(5) A primary election process that advances the two candidates receiving the most votes to the general election ballot, and that allows every qualified voter to vote on which candidate to advance, helps to ensure the election of officials supported by a majority of the electorate, thereby promoting citizen confidence in their government.

Be It Enacted by the People of the State of Oregon:
SECTION 1. Short title. This 2019 Act may be cited as the Open Primary Act of 2019.
SECTION 2. Sections 3 to 6 of this 2019 Act are added to and made a part of ORS chapter 249.

SECTION 3. Statement of intent. The intent of the Open Primary Act of 2019 is to create a fully open, equitable and fair election system that will be applied to specific federal and state elected offices currently elected on a partisan basis. The Open Primary Act of 2019 will abolish the current practice of relying on political party members or party officials in closed primary elections or conventions to nominate candidates for these offices, while prohibiting the participation of nonaffiliated electors entirely, and replace it with a system through which all electors may participate on an equal basis, in all phases of the selection process.
This means changing the current system of primary election contests for these offices so that all electors have the equal ability to select two finalist candidates to appear on the general election ballot, regardless of the political party affiliation, or lack of political party affiliation, of the electors or candidates.

SECTION 4. Definition. As used in sections 3 to 6 of this 2019 Act, “voter choice office” means the office of United States Senator, Representative in Congress, Governor, Secretary of State, State Treasurer, Attorney General, state Senator and state Representative and any other state, county, city or district office that is not a nonpartisan office nor an office for which nominations to the general election by political parties are expressly authorized by law.

SECTION 5. Particular provisions for voter choice offices. (1) Except as provided in a home rule charter or subsection (2) of this section, for voter choice offices, the two candidates receiving the highest number of votes at the primary election shall be the sole candidates who advance to the general election.

(2) If three or more candidates for a voter choice office are on the ballot for a primary election and a vacancy occurs in a nomination to the office after the primary election and before the 61st day before the general election, the qualified candidate who received the next highest number of votes at the primary election, if any, shall be the replacement nominee. The chief elections officer, as defined in ORS 254.005, shall file the name of the replacement nominee with each appropriate county clerk.

SECTION 6. Filing and nominating processes for voter choice offices. Except as provided in this 2019 Act, all provisions of state law that apply to the filing and nomination processes for candidates for nonpartisan offices also apply to voter choice offices.

SECTION 7. Sections 8 to 10 of this 2019 Act are added to and made a part of ORS chapter 254.

SECTION 8. Definition. As used in this chapter, “voter choice office” means the office of United States Senator, Representative in Congress, Governor, Secretary of State, State Treasurer, Attorney General, state Senator and state Representative and any other state, county, city or district office that is not a nonpartisan office nor an office for which nominations to the general election by political parties are expressly authorized by law.

SECTION 9. Election ballots for voter choice offices. (1) The provisions of this section are intended to provide electors access to information in the public record about candidates for voter choice offices and the political parties that endorse those candidates, without infringing on the rights of political parties and their members to organize and associate.

(2) For each primary election that includes a voter choice office, the county clerk shall print on the ballot:

(a)(A) If the candidate for a voter choice office is registered as affiliated with a political party on the 70th day before the date of the election, following the name of the candidate, the statement “Registration: ________” (name of political party); or

(B) If the candidate for a voter choice office is not registered as affiliated with a political party on the 70th day before the date of the election, following the name of the candidate, the statement “Registration: not a member of a party” or, if the candidate chooses, no statement concerning the candidate's party registration status;

(b) The statement: “A candidate’s political party registration shown on this ballot for voter choice offices indicates the candidate's party registration status as of 70 days prior to
the election. It does not imply the endorsement of the political party identified.”; and

(c) For each candidate for a voter choice office, following the name of the candidate, the name of any political party that has officially endorsed the candidate, preceded by the phrase “Endorsed by:”. The county clerk shall print only those endorsements that have been received and accepted by the candidate and for which the chief elections officer has received notice not later than the 61st day before the date of the election.

(3) For each general election that includes a voter choice office, the county clerk shall print on the ballot:

(a)(A) If the candidate for a voter choice office is registered as affiliated with a political party on the 70th day before the date of the election, following the name of the candidate, the statement “Registration: ____________” (name of political party); or

(B) If the candidate for a voter choice office is not registered as affiliated with a political party on the 70th day before the date of the election, following the name of the candidate, the statement “Registration: not a member of a party” or, if the candidate chooses, no statement concerning the candidate’s party registration status;

(b) The statement: “A candidate’s political party registration shown on this ballot for voter choice offices indicates the candidate’s party registration status as of 70 days prior to the election. It does not imply the endorsement of the political party identified.”; and

(c) For each candidate for a voter choice office, following the name of the candidate, the name of any political party that has officially endorsed the candidate, preceded by the phrase “Endorsed by:”. The county clerk shall print only those endorsements that have been received and accepted by the candidate and for which the chief elections officer has received notice not later than the 61st day before the date of the election.

(4) The Secretary of State may adopt rules to implement this section.

(5) As used in this section, “political party” means a party qualified as a major or minor political party in this state under ORS chapter 248.

SECTION 10. Election process for voter choice offices. Except as provided in this 2019 Act, all provisions of state law that apply to elections and ballots for nonpartisan offices also apply to voter choice offices.

SECTION 11. Severability. Section 9 of this 2019 Act and each of its subsections, paragraphs and subparagraphs is severable from this 2019 Act. If section 9 of this 2019 Act or any subsection, paragraph or subparagraph in section 9 of this 2019 Act is held unconstitutional, the remaining parts of this 2019 Act shall remain in force.

SECTION 12. ORS 188.120 is amended to read:

SECTION 14. Vacancies in voter choice offices. (1) As used in this section, “voter choice office” has the meaning given that term in section 4 of this 2019 Act.

(2) Notwithstanding ORS 171.051, 171.060, 171.068, 236.100, 236.215 and 236.217, whenever a vacancy exists in any voter choice office in this state and is to be filled by appointment, a person who is otherwise eligible may be appointed to fill the vacancy regardless of the person’s affiliation or lack of affiliation with a political party, and whenever a vacancy exists in any voter choice office in this state and is to be filled by election, the election procedures for voter choice offices shall be followed.

SECTION 15. Section 16 of this 2019 Act is added to and made a part of ORS 171.051 to 171.064.

law.

SECTION 21. Term of office of precinct committeeperson. Notwithstanding ORS 248.015,
the term of office of a precinct committeeperson elected under ORS 248.015 before the ef-

primary election held in a presidential election year at which the precinct committeeperson
was last elected.

SECTION 22. ORS 248.008 is amended to read:

248.008. (1) An affiliation of electors becomes a minor political party in the state, a county or
other electoral district, qualified to make nominations for public office in that electoral district and
in any other electoral district wholly contained within the electoral district, when the affiliation of
electors has acted as described in either paragraph (a) or (b) of this subsection:

(a)(A) When the affiliation of electors has filed with the Secretary of State a petition with the
signatures of at least a number of electors equal to one and one-half percent of the total votes cast
in the electoral district for all candidates for Governor at the most recent election at which a can-
didate for Governor was elected to a full term.

(B) The petition must contain only original signatures and must be filed not later than two years
following the date the prospective petition is filed. The petition must state the intention to form a
new political party and designate a name for the political party.

(C) Before circulating the petition, the chief sponsor of the petition must file with the Secretary
of State a signed copy of the prospective petition. The chief sponsor must include with the pro-
spective petition a statement declaring whether one or more persons will be paid money or other
valuable consideration for obtaining signatures of electors on the petition. After the prospective
petition is filed, the chief sponsor must notify the filing officer not later than the 10th day after the
chief sponsor first has knowledge or should have had knowledge that:

(i) Any person is being paid for obtaining signatures, when the statement included with the
prospective petition declared that no person would be paid for obtaining signatures of electors.

(ii) No person is being paid for obtaining signatures, when the statement included with the
prospective petition declared that one or more persons would be paid for obtaining signatures of
electors.

(D) The circulator shall certify on each signature sheet that the circulator witnessed the signing
of the signature sheet by each individual whose signature appears on the signature sheet and that
the circulator believes each individual is an elector registered in the electoral district.

(E) The Secretary of State shall verify whether the petition contains the required number of
signatures of electors. The Secretary of State may not accept a petition for filing if it contains less
than 100 percent of the required number of signatures. The Secretary of State by rule shall desig-
nate a statistical sampling technique to verify whether a petition contains the required number of
signatures of electors. A petition may not be rejected for the reason that it contains less than the
required number of signatures unless two separate sampling processes both establish that the peti-
tion lacks the required number of signatures. The second sampling must contain a larger number
of signatures than the first sampling. The Secretary of State may employ professional assistance to
determine the sampling technique. The statistical sampling technique may be the same as that
adopted under ORS 250.105.

(b) When the affiliation of electors has polled for any one of its candidates for any public office
in the electoral district at least one percent of the total votes cast in the electoral district for all
candidates for:

(A) Presidential elector at the last general election at which candidates for President and Vice
President of the United States were listed on the ballot; or

(B) Any single state office to be voted upon in the state at large [for which nominations by pol-
itical parties are permitted by law] at the most recent primary or general election at which a can-
didate for the office was elected to a full term.

(2) After satisfying either subsection (1)(a) or (b) of this section, the minor political party may
nominate candidates for election at the next [general] primary election for a voter choice office,
as defined in section 4 of this 2019 Act, or general election for President and Vice President
of the United States.

(3) A filing officer may not accept a certificate of nomination of a candidate nominated by a
minor political party for a subsequent primary or general election unless the minor political party
has maintained status as a minor political party as described in subsection (4) of this section.

(4) In order to maintain status as a minor political party for a subsequent primary or general
election:

(a) Following each general election, at any time during the period beginning on the date of the
next primary election and ending on the 90th day before the next general election, a number of
electors equal to at least one-half of one percent of the total number of registered electors in this
state must be registered as members of the party; or

(b)(A) Following each general election, at any time during the period beginning on the date of
the next primary election and ending on the 90th day before the next general election, a number
of electors equal to at least one-tenth of one percent of the total votes cast in the state or electoral
district for all candidates for Governor at the most recent election at which a candidate for Gov-
ernor was elected to a full term must be registered as members of the party; and

(B) At least once in a four-year period, a candidate or candidates of the party must poll at least
one percent of the total votes cast in the electoral district for all candidates for:

President of the United States were listed on the ballot; or

(ii) Any single state office to be voted upon in the state at large [for which nominations by pol-
itical parties are permitted by law] at the most recent primary or general election at which a can-
didate for the office was elected to a full term.

(5) An affiliation of electors that fails to maintain status as a minor political party ceases to be
a minor political party on the 90th day before the date of the next general election.

(6) During the period beginning on the date of the primary election and ending on the 90th day
before the date of the general election, the Secretary of State shall determine at least once each
month whether registration requirements to maintain status as a minor political party have been
satisfied.

(7) If a minor political party changes its name, only those electors who register on or after the
effective date of the name change as members of the party under the new party name shall be
counted as members of the party.

(8) An affiliation of electors or a minor political party may not nominate a candidate who is the
nominee of another political party at the same election in order to satisfy the one percent require-
ment referred to in subsection (1)(b) or (4)(b)(B) of this section.

(9) For purposes of this section, “subsequent general election” means any primary or general
election that is held after the first general election following qualification as a minor political party
under subsection (1) of this section.
