

House Bill 2887

Sponsored by COMMITTEE ON HEALTH CARE (at the request of Oregon Podiatric Medical Association)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Specifies that podiatry includes diagnosis and treatment of ailments of soft tissue distal to tibial tubercle.

A BILL FOR AN ACT

1
2 Relating to podiatry; amending ORS 677.010.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** ORS 677.010 is amended to read:

5 677.010. As used in this chapter, subject to the exemptions in ORS 677.060 and unless the con-
6 text requires otherwise:

7 (1) "Approved internship" means the first year of post-graduate training served in a hospital that
8 is approved by the board or by the Accreditation Council of Graduate Medical Education, the
9 American Osteopathic Association or the Royal College of Physicians and Surgeons of Canada.

10 (2) "Approved school of medicine" means a school offering a full-time resident program of study
11 in medicine or osteopathic medicine leading to a degree of Doctor of Medicine or Doctor of
12 Osteopathic Medicine, such program having been fully accredited or conditionally approved by the
13 Liaison Committee on Medical Education, or its successor agency, or the American Osteopathic
14 Association, or its successor agency, or having been otherwise determined by the board to meet the
15 association standards as specifically incorporated into board rules.

16 (3) "Board" means the Oregon Medical Board.

17 (4) "Diagnose" means to examine another person in any manner to determine the source or na-
18 ture of a disease or other physical or mental condition, or to hold oneself out or represent that a
19 person is so examining another person. It is not necessary that the examination be made in the
20 presence of such other person; it may be made on information supplied either directly or indirectly
21 by such other person.

22 (5) "Dispense" means the preparation and delivery of a prescription drug, pursuant to a lawful
23 order of a practitioner, in a suitable container appropriately labeled for subsequent administration
24 to or use by a patient or other individual entitled to receive the prescription drug.

25 (6) "Dispensing physician" means a physician or podiatric physician and surgeon who purchases
26 prescription drugs for the purpose of dispensing them to patients or other individuals entitled to
27 receive the prescription drug and who dispenses them accordingly.

28 (7) "Drug" means all medicines and preparations for internal or external use of humans, in-
29 tended to be used for the cure, mitigation or prevention of diseases or abnormalities of humans,
30 which are recognized in any published United States Pharmacopoeia or National Formulary, or
31 otherwise established as a drug.

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted.
New sections are in **boldfaced** type.

1 (8) "Fellow" means an individual who has not qualified under ORS 677.100 (1) and (2) and who
2 is pursuing some special line of study as part of a supervised program of a school of medicine, a
3 hospital approved for internship or residency training, or an institution for medical research or ed-
4 ucation that provides for a period of study under the supervision of a responsible member of that
5 hospital or institution, such school, hospital or institution having been approved by the board.

6 (9) "Intern" means an individual who has entered into a hospital or hospitals for the first year
7 of post-graduate training.

8 (10) "License" means permission to practice, whether by license, registration or certification.

9 (11) "Licensee" means an individual holding a valid license issued by the board.

10 (12) "Physical incapacity" means a condition that renders an individual licensed under this
11 chapter unable to practice under that license with professional skill and safety by reason of physical
12 illness or physical deterioration that adversely affects cognition, motor or perceptive skill.

13 (13) "Physician" means a person who holds a degree of Doctor of Medicine or Doctor of
14 Osteopathic Medicine, or a person who holds a degree of Doctor of Podiatric Medicine if the context
15 in which the term "physician" is used does not authorize or require the person to practice outside
16 the scope of a license issued under ORS 677.805 to 677.840.

17 (14) "Podiatric physician and surgeon" means a physician licensed under ORS 677.805 to 677.840
18 to treat ailments of the human foot, ankle and tendons directly attached to and governing the
19 function of the foot and ankle.

20 (15)(a) "Podiatry" means:

21 (A) The diagnosis or the medical, physical or surgical treatment of ailments of the human foot,
22 ankle and tendons directly attached to and governing the function of the foot and ankle, **including**
23 **soft tissue distal to the tibial tubercle**, except treatment involving the use of a general or spinal
24 anesthetic unless the treatment is performed in a hospital licensed under ORS 441.025 or in an
25 ambulatory surgical center licensed by the Oregon Health Authority and is under the supervision
26 of or in collaboration with a podiatric physician and surgeon; and

27 (B) Assisting in the performance of surgery, as provided in ORS 677.814.

28 (b) "Podiatry" does not include administering general or spinal anesthetics or the amputation
29 of the entire foot.

30 (16) "Prescribe" means to direct, order or designate the use of or manner of using by spoken
31 or written words or other means.

32 (17) "Resident" means an individual who, after the first year of post-graduate training, in order
33 to qualify for some particular specialty in the field of medicine, pursues a special line of study as
34 part of a supervised program of a hospital approved by the board.

35
