39 **members of the communities most affected by health disparities; and**

40 **“(G) Involve in its activities a range of community partners, including a range of cul-**
41 **turely specific community-based organizations, Oregon’s nine federally recognized Indian**
42 **tribes and public agencies.**

43 **“(4) The authority shall establish formal partnerships with regional health equity coali-**
44 **tions and seek out consultation with and technical assistance from regional health equity**
45 **coalitions to identify sustainable, long term policy, system and environmental solutions to**

1 increase health equity for communities of color and other marginalized groups.

2 “(5)(a) The authority shall appoint and support the work of a regional health equity co-
3 alition fidelity committee to oversee the regional health equity coalitions in this state that
4 have partnered with coordinated care organizations. The committee may have up to 13
5 members and must include at least one representative from each of the regional health eq-
6 uity coalitions receiving funding from the authority through the Office of Equity and Inclu-
7 sion and at least one individual from the office.

8 “(b) The committee shall:

9 “(A) Conduct annual evaluations of coordinated care organizations to assess their com-
10 pliance with the requirements of this section related to establishing partnerships, providing
11 support and developing and advocating for health equity-related policies, system changes and
12 environmental changes identified by the regional health equity coalition as described in sub-
13 section (2) of this section;

14 “(B) Provide directives to each coordinated care organization based on the findings from
15 the annual evaluation to ensure that the coordinated care organization has implemented
16 health equity-related policies, system changes and environmental changes; and

17 “(C) Establish funding criteria for regional health equity coalitions that are partnered
18 with coordinated care organizations.

19 “(6)(a) Each coordinated care organization that has a regional health equity coalition in
20 the coordinated care organization’s region shall form a meaningful partnership with the re-
21 gional health equity coalition and develop a mutually agreed upon scope of work with suffi-
22 cient resources negotiated by contract. Regional health equity coalitions may decline
23 partnerships for any reason.

24 “(b) Partnerships between regional health equity coalitions and coordinated care organ-
25 izations should be further developed through future rulemaking by the authority, based on
26 coordinated care organization contracts and feedback from all stakeholder groups, including
27 what potential partnerships between coordinated care organizations and regional health eq-
28 uity coalitions could entail.

29 “(7) Each coordinated care organization that does not have a regional health equity co-
30 alition in the coordinated care organization’s region shall seek out partnerships with local
31 culturally specific community-based organizations and Oregon’s nine federally recognized
32 Indian tribes through continuous base funding opportunities to create regional health equity
33 coalitions in the coordinated care organization’s region in consultation with the regional
34 health equity coalition fidelity committee.”.

35 On page 8, line 18, after “for” delete the rest of the line and line 19 and insert “increasing
36 funding to the six regional health equity coalitions operating on the effective date of this 2019 Act.
37 The appropriation under this section may not be used for staffing and program costs for the Office
38 of Equity and Inclusion, as defined in section 1 of this 2019 Act, that are associated with the re-
39 gional health equity coalition fidelity committee appointed under section 1 of this 2019 Act.”.
